The University of Detroit Mercy presents another encore presentation of a classic Ask The Professor radio program. Today's show takes us back to October 1995.
 - E** Edwin DeWindt 00:16
The University of Detroit Mercy presents Ask The Professor, the radio program on which you match wits with University of Detroit Mercy professors in an unrehearsed session of questions and answers. I'm your host, Edwin DeWitt and today we have a lot of the regular panel with us.
 - G** Gregory Sumner 00:34
A lot.
 - E** Edwin DeWindt 00:35
On my right, from the Department of History and the assistant dean of the College of Liberal Arts, Professor Kathy Bush.

K Kathy Bush 00:40
Hello, Edwin, aren't you going to introduce George?

E Edwin DeWindt 00:43
Oh, yes, I forgot about George.

K Kathy Bush 00:44
How could you ever?

E Edwin DeWindt 00:45
I don't know. George Pickering.

E Edwin DeWindt 00:53
(Laughs, as an impersonation of George Pickering).

G Gregory Sumner 00:53
Pleasure to be here.

H Hugh Culik 00:54
Pleasure to be here, as always.

E Edwin DeWindt 00:55
As always. Yes. Okay. Thank you for filling in for - for George.

K Kathy Bush 00:58
I wanted to make a huge effort.

E Edwin DeWindt 00:59
Yes. On Kathy's right, also from the Department of History. Professor Greg Sumner.

G Gregory Sumner 01:03
Hi Edwin, nice to be here.

E Edwin DeWindt 01:04
Nice to have you here. And we should mention that Dr. Sumner's book is now rolling into a bookstore near you

G Gregory Sumner 01:10
No, not till March or so.

H Hugh Culik 01:11
So this is the sequel. Is that right? Or is it the prequel?

G Gregory Sumner 01:15
This is the - the quell

E Edwin DeWindt 01:16
The que-ella, (Laughs)

G Gregory Sumner 01:16
Does it got cooties, or what are we talking about?

G Gregory Sumner 01:19
The queenella, I hope.

C Claire Crabtree 01:23
and what is the name of it?

G Gregory Sumner 01:24
I'll tell on the next program. Let's move on. I don't know what the name of it.

- A** Arthur Beer 01:29
He hasn't decided on a title yet.
- G** Gregory Sumner 01:34
I'll let you know next week.
- E** Edwin DeWindt 01:35
Well on Greg's right. from the Department of Theatre -
- A** Arthur Beer 01:39
Somebody walks in. (Professors begin to laugh)
- E** Edwin DeWindt 01:40
Professor Arthur Beer.
- A** Arthur Beer 01:42
Hi, Edwin.
- E** Edwin DeWindt 01:43
Hello, Arthur. And, entering the room right now, from the Department of Religious Studies, the chair of that department -
- G** Gregory Sumner 01:50
He's already been introduced.
- E** Edwin DeWindt 01:51
Professor George Pickering.
- G** George Pickering 01:52
Oh, pleasure to be here, as always. Did I miss something?

- E** Edwin DeWindt 01:57
Not really.
- E** Edwin DeWindt 01:57
Nothing at all. No. And on Arthur's right, from the Department of English and the sometime director of Women's Studies, Professor Claire Crabtree.
- K** Kathy Bush 01:57
Nothing at all.
- C** Claire Crabtree 02:06
Buna Ziua.
- E** Edwin DeWindt 02:07
Oh, there she goes.
- G** Gregory Sumner 02:07
What does that mean?
- H** Hugh Culik 02:08
It means in Romanian, "Let's close that program down."
- E** Edwin DeWindt 02:13
No, it means that some - sometimes she's director and sometimes someone else is director. You'll be director again next year, I understand.
- C** Claire Crabtree 02:21
No.
- E** Edwin DeWindt 02:21

Oh!

 Claire Crabtree 02:22
I hope not.

 Edwin DeWindt 02:23
Oh, never again, huh?

 Claire Crabtree 02:25
Well, someday maybe.

 Edwin DeWindt 02:26
Alright? Well -

 Arthur Beer 02:26
Sometime.

 Claire Crabtree 02:27
I'd like to write a book or two - instead.

 Edwin DeWindt 02:30
Wouldn't we all?

 Hugh Culik 02:32
I want to read one.

 Kathy Bush 02:33
Alright, Hugh.

- G** George Pickering 02:37
READ a book? No, I just teach them, I don't read them.
- A** Arthur Beer 02:42
What's the point of becoming a professor, if you have to keep reading them?
- G** George Pickering 02:44
(With laughter in his voice) Since when did we have to read them?
- E** Edwin DeWindt 02:47
And - on Professor Crabtree's right, my left from the Department of English, Professor Hugh Culik.
- H** Hugh Culik 02:52
I and I'm happy to be here.
- E** Edwin DeWindt 02:54
And we were happy to have you here. Most of the questions you hear in this program are sent in by our listeners. If you stump the panel, you will receive the winner's package, which I believe is going to include diplomas.
- H** Hugh Culik 03:06
Ooh, really?
- E** Edwin DeWindt 03:06
Yeah.
- H** Hugh Culik 03:07
All right.

- E** Edwin DeWindt 03:08
I think we're giving away some kind of certificate, aren't we - if you stump the panel.
- G** Gregory Sumner 03:12
These are not actual degrees.
- H** Hugh Culik 03:13
These ARE actual degrees.
- G** George Pickering 03:14
Yeah, when I went to -
- E** Edwin DeWindt 03:15
No, no.
- G** George Pickering 03:16
When we ran out of bumper stickers, I suggested we give away a master's degrees. It was very simple.
- A** Arthur Beer 03:22
That's what I thought these probably were.
- H** Hugh Culik 03:23
And -
- G** George Pickering 03:23
Oh, poor Greg. Does he really want tenure here? (Laughs) Among these -
- E** Edwin DeWindt 03:30
I mean, there is a precedent for this in the Business School after all, but we won't go into

that on the air.

G George Pickering 03:35
We can get that much money?

E Edwin DeWindt 03:37
(Laughs)

G Gregory Sumner 03:40
If we give fake diplomas, I mean, knowing our listeners, some will try to put them on their resumes.

E Edwin DeWindt 03:45
Yeah

G Gregory Sumner 03:46
This is the problem -

G George Pickering 03:46
If I got one, I would.

E Edwin DeWindt 03:48
Yeah, but we can't prevent that. There are people that get honorary doctorates who insist on being called doctor. you know.

G George Pickering 03:53
Hey, look, I got a -

E Edwin DeWindt 03:54
It's like people with D Ed degrees who insist on being called doctor,

G George Pickering 03:57
I got a degree from the Belle Isle Conservatory of Business.

E Edwin DeWindt 04:00
That's right.

G George Pickering 04:01
I put it on my resume.

E Edwin DeWindt 04:02
That's right. It's an honorary doctorate of Business.

C Claire Crabtree 04:05
The Belle Isle Conservatory?

G George Pickering 04:07
I mean, Dr. Dave gave it to him.

E Edwin DeWindt 04:10
Yes.

G George Pickering 04:11
He's the president of the Belle Isle Conservatory.

A Arthur Beer 04:14
Right.

E Edwin DeWindt 04:14
I understand. Dr. Dave is gonna be on our show one of these days.

- H** Hugh Culik 04:17
Is he really?
- G** George Pickering 04:18
Well, I talked -
- G** George Pickering 04:18
No. Dave Wagner, I talked to him the other day - and producer - If you call him, we can set up a time for him to be on the show.
- K** Kathy Bush 04:19
(Unintelligible)
- E** Edwin DeWindt 04:26
She's not paying attention. (Group laughter)
- G** Gregory Sumner 04:33
Asleep at the switch.
- G** Gregory Sumner 04:40
Speaking of doctors, when are we going to get Dr. Jack Van Impe on?
- E** Edwin DeWindt 04:45
That's a good question. We haven't asked him.
- G** Gregory Sumner 04:47
Time's running out.
- E** Edwin DeWindt 04:48
You're darn right, it is.

- G** George Pickering 04:49
Oh, I know. The year 2000 approaches -
- E** Edwin DeWindt 04:52
i think - i think we could, we should get Jack and Rexella. It would be quite a show.
- G** Gregory Sumner 04:57
We're inviting you now.
- K** Kathy Bush 05:00
And Chuck.
- E** Edwin DeWindt 05:00
Yes. If you're listening -
- A** Arthur Beer 05:00
They're regular listeners.
- E** Edwin DeWindt 05:00
If you're listening, all three of you, yes. The whole menage.
- H** Hugh Culik 05:05
And it sort of fits, because we already have one person interested in Religious Studies.
- E** Edwin DeWindt 05:08
That's right.
- G** George Pickering 05:09
That's right, Kathy.

K Kathy Bush 05:10
Yeah. I still go to Mass.

G Gregory Sumner 05:13
Because she's part of the hooked generation.

K Kathy Bush 05:15
That's right. I am part of that HOOKED generation.

H Hugh Culik 05:17
What are you - you were the aimless drifting agnostic? What were you?

E Edwin DeWindt 05:21
He is.

G Gregory Sumner 05:22
I don't think of myself in those terms.

E Edwin DeWindt 05:24
The agnostic drifter.

G Gregory Sumner 05:25
There's a title for my book.

E Edwin DeWindt 05:26
Yes!

G Gregory Sumner 05:27
The Aimless Drifting Agnostic.

Claire Crabtree 05:31

And the art of motorcycle (unintelligible).

Edwin DeWindt 05:33

Well, if you don't stump the panel, then you'd get junk. You know, but it's, it's our kind of junk. And that's something very special - and very precious.

Gregory Sumner 05:43

We cleaned out our desks.

George Pickering 05:45

(Laughing) Very precious.

Edwin DeWindt 05:47

Okay, on our - our first set of questions comes from Pamela Johnson, of Seagoville, Texas. That's what it looks like.

Kathy Bush 05:59

Hey, we must have a new station.

Kathy Bush 05:59

Wow!

Hugh Culik 05:59

Prison radio again, whatever that -

Edwin DeWindt 05:59

Yes.

Edwin DeWindt 06:01

Enclosed are questions that I hope you enjoy.

G George Pickering 06:04
Is that Pete Seegerville?

E Edwin DeWindt 06:05
Probably. No, it's SEAGOVILLE.

G George Pickering 06:10
Well, they meant e - r, but -

G Gregory Sumner 06:11
Yeah, it's Texas.

E Edwin DeWindt 06:14
He said, "Panel members would be intrigued to know that I'm a member of Phi Alpha Theta."

K Kathy Bush 06:18
Hey, Alright! Yay!

E Edwin DeWindt 06:18
Would Greg like to explain what that is?

G Gregory Sumner 06:21
Does that have something to do with history/

E Edwin DeWindt 06:23
Yeah, it does. Yeah. I think a member of our department heads it on this campus, doesn't he?

G Gregory Sumner 06:27
That's right.

G Gregory Sumner 06:27
Yes. "But fear not" -

K Kathy Bush 06:29
The History Honors Society.

E Edwin DeWindt 06:31
Yeah, yeah,

H Hugh Culik 06:32
Now, there's an oxymoron.

K Kathy Bush 06:34
Edwin is a member. His name is in the book.

A Arthur Beer 06:37
Is it an acronym for something, or do you abuse the word and call it PhAT?

H Hugh Culik 06:40
Yeah, a conservative group.

G Gregory Sumner 06:42
It's kind of like the Elks.

K Kathy Bush 06:44
Best people on earth.

E Edwin DeWindt 06:45
Yeah. "But fear not. The enclosed questions are not about history." Ooh. "Nor are they about new TV shows, old TV shows, movies, music or biographies."

H Hugh Culik 06:54
I like this woman. I like her a lot.

E Edwin DeWindt 06:56
"The enclosed questions pertain to a subject near and dear to my heart."

H Hugh Culik 07:00
All right.

E Edwin DeWindt 07:01
"My hobby. I hope you will like them." (Laughs)

H Hugh Culik 07:05
You know, I find this woman very attractive.

G Gregory Sumner 07:08
Is she a philatelist?

C Claire Crabtree 07:08
If you're gonna be narcissistic, let's put it right out front.

C Claire Crabtree 07:11
I think she believes in free will.

E Edwin DeWindt 07:12
Brace yourselves, folks. Brace yourselves.

K Kathy Bush 07:14
I hope it's not home canning or something.

E Edwin DeWindt 07:15
No, it's not that.

H Hugh Culik 07:17
Horses.

E Edwin DeWindt 07:17
"All questions refer to American rules, regulations, policies and standards."

H Hugh Culik 07:22
Uh-oh.

E Edwin DeWindt 07:22
"What does AKC stand for?"

A Arthur Beer 07:26
American Kennel Club.

E Edwin DeWindt 07:26
American Kennel Club, right.

K Kathy Bush 07:28
It's about doggies!

G George Pickering 07:33
Her hobby is - initials.

- K** Kathy Bush 07:37
Acronyms.
- G** George Pickering 07:38
Right?
- C** Claire Crabtree 07:38
Yeah. Whoever said she liked dogs?

G George Pickering 07:40
Yeah, no, don't try to - Don't over generalize. You've got one instance.

E Edwin DeWindt 07:44
"What is the final highlight at any dog show?"

K Kathy Bush 07:47
Is it Best of Breed?

H Hugh Culik 07:50
The clean-up.

E Edwin DeWindt 07:51
Not Best of Breed.

C Claire Crabtree 07:54
Cleaning up the dog poop.

K Kathy Bush 07:54
Cleaning up, (laughs), dog doodoo?

- E** Edwin DeWindt 07:55
Best In Show. What color are the first prize ribbons?
- G** Gregory Sumner 08:00
Blue,
- H** Hugh Culik 08:00
Yellow,
- E** Edwin DeWindt 08:01
Blue. That's right.
- G** George Pickering 08:01
Blue, blue, blue.
- E** Edwin DeWindt 08:02
What color are the winners ribbons. You see, winners are distinguished from first prize.
- C** Claire Crabtree 08:07
red,
- G** Gregory Sumner 08:07
black,
- K** Kathy Bush 08:08
purple,
- E** Edwin DeWindt 08:08
purple

A Arthur Beer 08:08
purple ribbon.

E Edwin DeWindt 08:10
Exactly.

G George Pickering 08:10
What is the difference between a Winner and a First Prize?

A Arthur Beer 08:14
Well, I think -

E Edwin DeWindt 08:16
I have no idea.

A Arthur Beer 08:17
Oh, wait. There must be second and third prizes given in all categories.

K Kathy Bush 08:20
Mmm-hmm.

A Arthur Beer 08:20
And then Best of Show.

E Edwin DeWindt 08:21
Oh, I see.

K Kathy Bush 08:22
And then Best of Breed.

- G** George Pickering 08:23
How about winner?
- E** Edwin DeWindt 08:24
Yeah, that's -
- K** Kathy Bush 08:26
Because no dog wants to be a loser, George.
- G** George Pickering 08:28
Right.
- H** Hugh Culik 08:29
Just check and see who's writing the history.
- C** Claire Crabtree 08:32
Now, may I ask - Do the dogs have to do anything?
- G** George Pickering 08:36
Sure.
- A** Arthur Beer 08:37
It depends on the show.
- C** Claire Crabtree 08:39
They could just stand there showing off their haunches.
- G** Gregory Sumner 08:42
What kind of names do they have?

K Kathy Bush 08:43
Like Buckdale Stockrocket. They have really odd names.

G George Pickering 08:48
There are things they have to do, and there are things they have to NOT do.

A Arthur Beer 08:52
Exactly.

K Kathy Bush 08:54
It's rather the latter.

E Edwin DeWindt 08:56
Yes.

C Claire Crabtree 08:56
Like - How to get tenure.

E Edwin DeWindt 08:58
Yes,

G George Pickering 08:58
Yeah.

E Edwin DeWindt 08:59
Yes.

G George Pickering 09:00
I don't know how to do that, but anyway.

E Edwin DeWindt 09:01
What do prospective exhibitors receive notifying them of upcoming shows?

G George Pickering 09:07
Mail.

E Edwin DeWindt 09:07
There's a special term for them.

G George Pickering 09:08
Mail.

E Edwin DeWindt 09:08
Yeah, but it's a certain kind of mail.

G George Pickering 09:10
Well, it's a right answer.

A Arthur Beer 09:11
Doggie mail.

K Kathy Bush 09:12
Yeah, really?

C Claire Crabtree 09:13
It's a little newsletter called, you know, the woof and something .

E Edwin DeWindt 09:16
Oh, good.

- G** George Pickering 09:17
D-mail.
- E** Edwin DeWindt 09:18
No, it's called premium lists, premium lists.
- G** George Pickering 09:24
That's for insurance agents.
- H** Hugh Culik 09:26
Yeah, or like for green stamps.
- E** Edwin DeWindt 09:28
What do you call the individual licensed by the American Kennel Club to superintend a dog show?
- H** Hugh Culik 09:35
The dog master
- G** George Pickering 09:36
Boss.
- K** Kathy Bush 09:36
Oh, I like dog master.
- E** Edwin DeWindt 09:37
No, There's a clue in there. Superintend.
- G** Gregory Sumner 09:39
A Superintendent?

- E** Edwin DeWindt 09:40
That's right.
- G** Gregory Sumner 09:41
Of dogs.
- E** Edwin DeWindt 09:41
The superintendent.
- A** Arthur Beer 09:42
Superintendent of dogs, (Laughs)
- E** Edwin DeWindt 09:44
How many points are required for a dog to become a champion?
- H** Hugh Culik 09:48
1000
- G** Gregory Sumner 09:49
All of them.
- G** George Pickering 09:50
Well, more than any other dog.
- E** Edwin DeWindt 09:51
Well, yeah, but it's not a thousand.
- G** Gregory Sumner 09:53
That's an answer.

K Kathy Bush 09:54
Like 50?

E Edwin DeWindt 09:54
It's less than 50.

K Kathy Bush 09:56
35.

E Edwin DeWindt 09:56
There's a 5 in it.

K Kathy Bush 09:57
35.

E Edwin DeWindt 09:58
Keep coming.

H Hugh Culik 09:59
15.

E Edwin DeWindt 10:00
It's 15.

H Hugh Culik 10:01
you know what I thought - You don't get many points even for being the grand champion.

K Kathy Bush 10:06
Oh! The poor dogs. How competitive. It's too much pressure for a dog.

H Hugh Culik 10:11
I mean, how many

K Kathy Bush 10:12
They're too pressured.

H Hugh Culik 10:13
How many dogs have you met that you like?

K Kathy Bush 10:15
Oh, many.

H Hugh Culik 10:17
Not man in my book. They all bite.

A Arthur Beer 10:20
No.

H Hugh Culik 10:21
Yeah, in the middle of the night they like go bad and rip your throat out.

K Kathy Bush 10:26
Hugh, that's unreasonable -

A Arthur Beer 10:26
Listen, You people out in radio land. Don't believe Hugh. ,

K Kathy Bush 10:28
You've been bit by a dog?

- G** Gregory Sumner 10:29
How about hunting dogs?
- H** Hugh Culik 10:30
Have I been bitten by dogs? Like, you know, is the Pope Catholic?
- H** Hugh Culik 10:35
They're vicious animals.
- E** Edwin DeWindt 10:35
(Laughs)
- K** Kathy Bush 10:36
Hugh, my father always had gentle dogs. Sweet tempered, lovely dogs.
- G** Gregory Sumner 10:36
They're good judges of character.
- A** Arthur Beer 10:37
They're good judges of human nature. I've gone all my life and never been bit.
- H** Hugh Culik 10:44
There's a great poster -
- G** George Pickering 10:46
And I've had a dog ever since I was like six -
- H** Hugh Culik 10:48
What you do - there's a great poster, it's a picture of a cat. And underneath it, it says, "If you want a friend, get a dog." But I think that's a bit of dog propaganda.

- A** Arthur Beer 10:58
Yes, it is.
- H** Hugh Culik 10:59
They're selling a bill of goods.
- E** Edwin DeWindt 11:01
Well, animals are interesting anyway, I have a brother in-law who lives in Northern California -
- G** George Pickering 11:06
Speaking of animals.
- E** Edwin DeWindt 11:07
who once had a - he once had a friend who had a cat. And this is the only time that I know of a cat relieving itself on his head, when he was in bed at night. And he got the impression that the cat did not like him.
- A** Arthur Beer 11:24
The cat was making a real point.
- E** Edwin DeWindt 11:26
Yeah, and the next day he came home and found his picture ripped to shreds by the cat. So - he moved out.
- A** Arthur Beer 11:33
That cat was inhabited by the spirit of his former wife.
- H** Hugh Culik 11:38
A good friend of mine who's a psychiatrist had a family cat that was like 20 years old and just got so sick, and they couldn't bring themselves to take it to be destroyed. So they

wanted to do it themselves. And -

G George Pickering 11:53
That man has clients, (Laughs)

H Hugh Culik 11:58
So they called my wife up and said, "How do you - you know - how do you dispose of a cat?" And she said, "I guess barbituates you know, anything". So he said, "how many?" and so she got a script for an incredible number of barbituates, and they fed 'em to the cat. And of course the cat seemed to - die. And -

K Kathy Bush 12:17
SEEMED to die?

G Gregory Sumner 12:18
Thank you Dr. Kevorkian.

H Hugh Culik 12:19
okay, and so then it became highly inert. And so they took it out and they had a little ceremony and they buried it in the backyard. Okay. This poor guy wakes up in the middle of the night, and he's convinced that maybe the cat's just sedated. This guy's a psychiatrist. Normally, you know, it's sick. anyway. So - so they -

G Gregory Sumner 12:31
The moral is - he should have used a gun.

H Hugh Culik 12:47
So they start running hoses from the neighbor's house and their house, because they don't want to dig it up. You know, like that.

K Kathy Bush 12:58

Hugh, we want a referral at half time. Okay. We want this guy's name.

G George Pickering 13:03
Hey, don't let Blue Cross give him any more money.

K Kathy Bush 13:07
Really!

C Claire Crabtree 13:08
So, they ran - I need to know -

E Edwin DeWindt 13:10
I need to know the end, too.

A Arthur Beer 13:11
Did they get the cat out?

H Hugh Culik 13:12
Well, I mean, are you gonna dig up a poisoned, drowned cat to make sure it's dead?

G George Pickering 13:19
They had gotten that far.

E Edwin DeWindt 13:23
Well, back to Pamela Johnson.

A Arthur Beer 13:24
Oh, yes.

H Hugh Culik 13:25
We were talking to animals.

K Kathy Bush 13:29
Yeah,

E Edwin DeWindt 13:29
At what minimum age may a dog be entered in dog shows?

A Arthur Beer 13:33
Well, it has to be more than one.

H Hugh Culik 13:34
18 months.

G Gregory Sumner 13:35
Three.

K Kathy Bush 13:35
Six months

E Edwin DeWindt 13:36
Six months, six months.

H Hugh Culik 13:37
Six months.

E Edwin DeWindt 13:38
How many points are required for a major, whatever that means?

G Gregory Sumner 13:43
20.

E Edwin DeWindt 13:44
No, that's, you see -

H Hugh Culik 13:44
Well, it's got to be less than 15. I would say 8.

A Arthur Beer 13:47
a major WHAT?

A Arthur Beer 13:47
less than that.

H Hugh Culik 13:48
Really?

K Kathy Bush 13:48
Five.

E Edwin DeWindt 13:49
Less. Less.

K Kathy Bush 13:50
Two?

E Edwin DeWindt 13:51
Up.

Kathy Bush 13:51

Three.

Edwin DeWindt 13:51

Three.

Hugh Culik 13:52

Only three points?

Edwin DeWindt 13:53

For a major, whatever that means.

Arthur Beer 13:53

To do what?

Arthur Beer 13:55

What does that mean?

Edwin DeWindt 13:56

I don't know -

Kathy Bush 13:56

The other dogs salute him.

Edwin DeWindt 13:57

but let's take a break here.

Michael Jayson 13:58

You're listening to an encore presentation of a classic Ask The Professor program from October of 1995. Matt Mio and the current panel of Ask The Professor will return next week

to begin a brand new season of the show, so send your questions today to ATP at UDMercy.edu. Now let's return to this classic edition of Ask The Professor from October 1995.

E Edwin DeWindt 14:23
We're back discussing Greg Sumner's mother's chihuahua.

G George Pickering 14:28
which bit Hugh.

K Kathy Bush 14:29
Oh - No.

G Gregory Sumner 14:30
We should send each of our listeners a puppy.

H Hugh Culik 14:33
I was thinking like a dog head myself.

K Kathy Bush 14:35
Yeah, We got some -

G Gregory Sumner 14:36
Or sea monkeys. Those should travel easily.

E Edwin DeWindt 14:38
Oh, those would be good.

A Arthur Beer 14:39
Sea monkeys - (laughs)

- G** George Pickering 14:40
What is it?
- H** Hugh Culik 14:41
What's a sea monkey?
- K** Kathy Bush 14:42
They used to be advertised in comic books.
- E** Edwin DeWindt 14:44
Yeah,
- G** Gregory Sumner 14:45
I'm not sure what they are. You add water and they turn in to living organisms.
- H** Hugh Culik 14:49
Yeah.
- E** Edwin DeWindt 14:49
Well, back to our questions from Pamela Johnson.
- G** George Pickering 14:52
Yes, yes.
- E** Edwin DeWindt 14:53
Of, uh, let's see. Seagoville, Texas on dogs. How do you determine the number of points awarded at a show?
- G** George Pickering 15:03
Add them up!

Kathy Bush 15:04

Yeah, good answer.

George Pickering 15:05

What do you mean?

Edwin DeWindt 15:06

No, there is apparently a very specific way of doing this.

George Pickering 15:10

Yes, and I just said what it was.

Arthur Beer 15:12

It's one for each dog.

Edwin DeWindt 15:14

Well, by the number of dogs judged and defeated, so that's close.

Kathy Bush 15:18

A defeated dog?

Hugh Culik 15:20

Oh there's nothing - There's nothing more resentful and dangerous than a defeated dog.

George Pickering 15:24

Who would take a dog to a show to be defeated? What kind of world is this?

Edwin DeWindt 15:30

Now, there are -

G George Pickering 15:31
Rich people.

E Edwin DeWindt 15:31
there are seven variety groups of dogs. They fall into seven categories.

G George Pickering 15:36
Vicious.

H Hugh Culik 15:36
Vicious - dangerous -

E Edwin DeWindt 15:37
What are they?

A Arthur Beer 15:39
Work dogs.

E Edwin DeWindt 15:40
Work dog is one.

K Kathy Bush 15:41
Are there long haired or short haired?

E Edwin DeWindt 15:43
What is this?

E Edwin DeWindt 15:44
Hunting.

-  George Pickering 15:44
Hunting.
-  Gregory Sumner 15:45
Show dog?
-  Edwin DeWindt 15:47
No, now hunting isn't really in here but, uh -
-  Hugh Culik 15:51
Sporting dog.
-  Edwin DeWindt 15:52
Sporting.
-  Kathy Bush 15:53
Alright! There we go.
-  Gregory Sumner 15:54
And there's the swimsuit category.
-  George Pickering 15:57
Oh, there's the ornamental.
-  Hugh Culik 16:00
(Laughs) Ornamental. That's a hunting dog.
-  Edwin DeWindt 16:06
Well, I guess it would come under non sporting, or something.

K Kathy Bush 16:10
Mmm-hmm.

A Arthur Beer 16:10
Frivolous dogs.

E Edwin DeWindt 16:11
(Laughing) Frivolous dogs.

G Gregory Sumner 16:13
Is there a category stuffed?

C Claire Crabtree 16:22
Dogs with soggy, wet mouths, and dogs that don't.

E Edwin DeWindt 16:26
Well, think of sheep.

H Hugh Culik 16:28
Herding.

E Edwin DeWindt 16:29
Herding. Herding. And now think of different types of dogs.

G Gregory Sumner 16:33
I'm still thinking about sheep.

E Edwin DeWindt 16:34
Well, don't (Laughs)

A Arthur Beer 16:35
Like very large

K Kathy Bush 16:38
like toy?

G Gregory Sumner 16:39
toy.

E Edwin DeWindt 16:39
toy

A Arthur Beer 16:40
I already said miniature.

E Edwin DeWindt 16:42
Oh, I didn't hear that. And then blood -

G Gregory Sumner 16:46
Hounds.

E Edwin DeWindt 16:47
Hounds, and uh, Scotch -

A Arthur Beer 16:52
Terrier

E Edwin DeWindt 16:53
Terriers.

George Pickering 16:53

What does "Terrier" mean?

Hugh Culik 16:54

It means - it means a little yappy dog that will bite you.

Claire Crabtree 16:58

OR - what that will corner a bear.

George Pickering 16:58

Tear you up?

Arthur Beer 17:01

They were used to catch rats in mines. Terriers were originally bred to go into small spaces and catch rats.

George Pickering 17:09

Oh, we should have some terriers.

Edwin DeWindt 17:12

What variety group would the Pulak belong to?

Arthur Beer 17:15

That's a poodle and a what?

Edwin DeWindt 17:17

I have no idea. It's P U L I K

Claire Crabtree 17:19

A French composer's.

K Kathy Bush 17:23
Would it be a non ornamental dog?

A Arthur Beer 17:28
Is it a working dog? Well, he does things -

H Hugh Culik 17:30
Circus dogs.

E Edwin DeWindt 17:31
Think sheep again.

A Arthur Beer 17:33
Is it a herding dog?

E Edwin DeWindt 17:34
Herding dog.

G George Pickering 17:35
Where are they from?

E Edwin DeWindt 17:36
I don't know. I don't know.

G George Pickering 17:37
I've never heard of a Pulak.

A Arthur Beer 17:39
I haven't either.

Edwin DeWindt 17:39

It sounds like a relative of Hugh, actually.

Arthur Beer 17:40

Yeah.

George Pickering 17:42

Pulak and Culik.

Hugh Culik 17:42

They got the names screwed up in Ellis Island.

Edwin DeWindt 17:45

At an all breed show, what regular classes are offered for each breed and sex.

Hugh Culik 17:51

male and female.

George Pickering 17:54

Manners.

Gregory Sumner 17:55

Congeniality.

Claire Crabtree 17:56

Posture.

Arthur Beer 17:58

You guys are not taking this seriously, I can tell.

G George Pickering 18:00
What class is he talking about?

A Arthur Beer 18:02
Do you mean classes that are taught to them or classes of -?

E Edwin DeWindt 18:04
No No. No. Categories.

G George Pickering 18:07
Oh,

A Arthur Beer 18:08
Fine.

G George Pickering 18:09
Huh?

E Edwin DeWindt 18:11
I'm gonna have to give you this.

A Arthur Beer 18:12
Conformation.

G Gregory Sumner 18:13
How many are there?

E Edwin DeWindt 18:14
1234567

- A** Arthur Beer 18:16
Well, is one of them conformation?
- E** Edwin DeWindt 18:18
No, no
- K** Kathy Bush 18:20
Then, one isn't First Holy Communion, then.
- A** Arthur Beer 18:22
No, not that kind of confo - . This is with an "O".
- E** Edwin DeWindt 18:26
Puppies six to nine months. Puppies 9 to 12 months.
- A** Arthur Beer 18:29
Oh, yeah.
- E** Edwin DeWindt 18:30
12 to 18 months. Novice. Bred by exhibitor. American bred.
- H** Hugh Culik 18:34
Bred by exhibitor. Now, that's a nervous dog, I'll tell you.
- G** Gregory Sumner 18:38
Is there like a fifth year senior?
- A** Arthur Beer 18:39
The American bred. The American bread - that's like Tasty, right?

E Edwin DeWindt 18:42
That's right. Exactly. Has a silver cup on it's breast.

G George Pickering 18:45
Wonder Bread.

A Arthur Beer 18:46
Wonder Bread.

E Edwin DeWindt 18:47
At a show which dogs win points in each breed?

A Arthur Beer 18:51
The best.

G George Pickering 18:53
Yeah, He's got it.

E Edwin DeWindt 18:54
I'll accept that.

G Gregory Sumner 18:54
The first three.

G Gregory Sumner 18:55
Well, it's winner's dog and winner's bitch is the answer I have.

A Arthur Beer 18:59
I won't even touch that with a ten-foot pole.

- G** Gregory Sumner 19:02
Come on, Claire, tell him. You can't say that anymore.
- C** Claire Crabtree 19:04
I'm tired of this ex wife stuff.
- H** Hugh Culik 19:08
Well -
- C** Claire Crabtree 19:09
Give the girls a break.
- E** Edwin DeWindt 19:13
Well, come up with an alternative name.
- G** George Pickering 19:16
They're giving her ribbons. (Laughs)
- E** Edwin DeWindt 19:22
What do you teach dogs if you're going to show them?
- G** Gregory Sumner 19:26
How to be humble?
- G** George Pickering 19:27
Not to tell (Laughs)
- H** Hugh Culik 19:27
Yeah, really. How to shake after the end of the game, at the end of the game.

- C** Claire Crabtree 19:31
That was just too subtle, George.
- G** George Pickering 19:36
You teach them obedience.
- A** Arthur Beer 19:37
Not to yap.
- G** Gregory Sumner 19:39
To be quiet.
- C** Claire Crabtree 19:41
To walk some way.
- E** Edwin DeWindt 19:41
Well, walk is close.
- A** Arthur Beer 19:44
Heel? Heel.
- A** Arthur Beer 19:46
Well, you have to gate and to stack and gait.
- K** Kathy Bush 19:50
You say "strut yourself".
- K** Kathy Bush 19:52
Is it kind of like models who learn to stand -

- A Arthur Beer 19:56
Good posture.
- G George Pickering 19:56
I know what gait means.
- E Edwin DeWindt 19:57
That must be it
- H Hugh Culik 19:58
Really?
- C Claire Crabtree 20:00
A girl in college tried to talk us into all sitting in the S curve.
- E Edwin DeWindt 20:03
Oh, gosh.
- C Claire Crabtree 20:04
which is considered seductive.
- C Claire Crabtree 20:06
So, Kathy we cross our legs, then you create sort of an S with your body.
- E Edwin DeWindt 20:06
I know.
- K Kathy Bush 20:10
I thought we're supposed to cross them at our ankles.

C Claire Crabtree 20:14
Leave it to girls in college. how to kill off spontaneity completely.

K Kathy Bush 20:19
I bet.

E Edwin DeWindt 20:21
What are the movement patterns judges may use?

A Arthur Beer 20:25
Figure Eights.

H Hugh Culik 20:28
Gallop, cantering, trotting.

G George Pickering 20:29
Are they getting - Do they get the dogs to do these?

E Edwin DeWindt 20:32
Uh huh.

G George Pickering 20:32
Go around in circles.

E Edwin DeWindt 20:34
Uh, no.

K Kathy Bush 20:35
Do they have to walk up and down and turn and stuff.

E Edwin DeWindt 20:37
Yeah, down and back.

G Gregory Sumner 20:39
Do they jump through hoops?

G George Pickering 20:39
Oh, down and back.

E Edwin DeWindt 20:41
No,

A Arthur Beer 20:41
No,

E Edwin DeWindt 20:41
No.

H Hugh Culik 20:42
Do they wear like the little ballerina outfits?

E Edwin DeWindt 20:44
No, they don't do that.

K Kathy Bush 20:46
Does the dog have to stop - I mean, do they walk back and forth -

E Edwin DeWindt 20:48
Probably

K Kathy Bush 20:49
They usually walk around.

E Edwin DeWindt 20:51
I'm gonna give you half for these. Down and back, the triangle, the L and the T.

K Kathy Bush 20:59
Oh.

A Arthur Beer 20:59
Oh, how interesting.

E Edwin DeWindt 21:00
So, the L must be like that. And the T is -

C Claire Crabtree 21:04
I don't think it's interesting. I'm sorry.

A Arthur Beer 21:06
Oh, okay.

E Edwin DeWindt 21:08
What is the minimum number of championship points that can be won at a show?

K Kathy Bush 21:12
Minimum?

H Hugh Culik 21:13
One.

G Gregory Sumner 21:14
Zero.

E Edwin DeWindt 21:14
That's right,

K Kathy Bush 21:15
Alright, Hugh!

H Hugh Culik 21:16
Well, no, actually the minimum is zero.

E Edwin DeWindt 21:19
You can't win zero.

G George Pickering 21:20
Minimum points that can be won.

H Hugh Culik 21:22
Okay.

E Edwin DeWindt 21:22
What is the maximum number of championship points that can be won at a show?

G Gregory Sumner 21:27
Three.

A Arthur Beer 21:27
Four.

- H** Hugh Culik 21:27
Two .
- E** Edwin DeWindt 21:28
It's a little more than 3.
- C** Claire Crabtree 21:31
5
- E** Edwin DeWindt 21:31
5. Yeah. What type of show allows entries of only one breed?
- G** George Pickering 21:38
Segregated shows.
- A** Arthur Beer 21:40
A breed show. a show of that breed.
- E** Edwin DeWindt 21:42
Well, I'll accept that. It's a specialty show. In which variety group would you find the Petite Basset Griffon Vendeen?
- G** George Pickering 21:51
Hounds. The Basset is a hound.
- A** Arthur Beer 21:57
I always thought it was a horn.
- E** Edwin DeWindt 21:58
Which - (Laughs). Which variety group includes the Boxer, the Samoyed and the Akita?

- A Arthur Beer 22:04
Working dog
- E Edwin DeWindt 22:04
Yes. Which variety group would include Silky Terriers, Yorkshire Terriers
- G Gregory Sumner 22:11
Terriers
- E Edwin DeWindt 22:11
No
- G Gregory Sumner 22:12
No?
- A Arthur Beer 22:13
Are they Ornamentals? Are they little -
- E Edwin DeWindt 22:15
They're little miniature -
- G Gregory Sumner 22:16
Toys
- E Edwin DeWindt 22:16
Toys.
- K Kathy Bush 22:17
Oh.

- E** Edwin DeWindt 22:18
In which class are specials shown?
- H** Hugh Culik 22:22
What, is this like the Special Olympics?
- E** Edwin DeWindt 22:26
This is best of breed or variety. Okay. In which class do all regular class winners compete?
- H** Hugh Culik 22:34
The Olympics.
- K** Kathy Bush 22:36
Is it Best of Breed, Best of Show?
- E** Edwin DeWindt 22:38
That's close. I'll except that. It's winners class.
- K** Kathy Bush 22:41
Okay.
- E** Edwin DeWindt 22:41
Which two days compete? Which two dogs compete for Best of winners.
- H** Hugh Culik 22:48
Best bitch and best dog.
- E** Edwin DeWindt 22:50
That's right.

Kathy Bush 22:50

Alright, Hugh!

Edwin DeWindt 22:50

Winner's dog and Winner's bitch. That's right. What dog is judged -

Claire Crabtree 22:54

I've got my hand over Arthur's mouth?

Arthur Beer 22:56

Why? I'm not saying anything.

Edwin DeWindt 22:57

What dog is judged to be second to Best of Breed?

Kathy Bush 23:03

Best of inbred.

Gregory Sumner 23:07

Is this the dog that takes over in the event that the winning dog -

Edwin DeWindt 23:10

(Group laughter) The first runner up.

Edwin DeWindt 23:13

The Red Ribbon.

Claire Crabtree 23:13

The Corgi sure would -

- E** Edwin DeWindt 23:14
That's important job, too.
- E** Edwin DeWindt 23:15
This is called Best of Opposite Sex.
- A** Arthur Beer 23:18
Oh, okay.
- G** Gregory Sumner 23:19
That's an unwieldy title.
- A** Arthur Beer 23:20
So if the dog win,s then it's the bitch of that class?
- E** Edwin DeWindt 23:23
That's right. In all breed shows, what is the maximum number of dogs to compete for Best in Show?
- K** Kathy Bush 23:31
Five?
- H** Hugh Culik 23:31
Seven.
- E** Edwin DeWindt 23:32
Seven!
- K** Kathy Bush 23:33
Hugh!

G Gregory Sumner 23:33
Seven categories?

E Edwin DeWindt 23:34
Yeah, that's right.

K Kathy Bush 23:35
Hugh, you know it.

E Edwin DeWindt 23:36
He's he's been listening.

K Kathy Bush 23:37
That's right.

G Gregory Sumner 23:38
He's been thinking about gun shows.

H Hugh Culik 23:40
I have.

G George Pickering 23:40
He was paying attention.

H Hugh Culik 23:41
You know, in Michigan we're getting near to, uh -

E Edwin DeWindt 23:44
The Knife and Gun Show - or the - hand grenade and mortar show - whatever they have at the East Eight Mile Armory.

- H** Hugh Culik 23:50
That's - you know, the thing is you should go to these things. They are like a trip.
- G** George Pickering 23:54
I've been.
- G** George Pickering 23:55
Yeah. They're wonderful.
- H** Hugh Culik 23:55
Have you really? Aren't those spectacular?
- H** Hugh Culik 23:58
Yes.
- E** Edwin DeWindt 23:59
You did see a - different side of life.
- H** Hugh Culik 24:01
Yeah, I took my kids
- G** George Pickering 24:02
I think I saw half my freshman class.
- E** Edwin DeWindt 24:03
(Laughs)
- G** George Pickering 24:06
I was much more careful for the rest of the semester (laughs).

- E** Edwin DeWindt 24:14
Which variety group would include the Shiba Inu, the Dalmatian and the Courchesne?
- G** Gregory Sumner 24:19
Hound.
- E** Edwin DeWindt 24:20
No,
- G** Gregory Sumner 24:20
No.
- C** Claire Crabtree 24:21
What are the groups again?
- G** George Pickering 24:21
Bothersome. Is there a group of bothersome dogs?
- E** Edwin DeWindt 24:25
The groups are -
- G** George Pickering 24:26
Well, Dalmatian.
- E** Edwin DeWindt 24:27
Boarding, hound, working, terrier, toy, non-sporting and herding.
- G** Gregory Sumner 24:31
Non sporting.

- E** Edwin DeWindt 24:31
That's right. Non sporting. Yeag,
- G** Gregory Sumner 24:32
That's non sporting of you.
- G** George Pickering 24:36
A Dalmation is a non dog.
- G** Gregory Sumner 24:38
The Cruella De Ville -
- A** Arthur Beer 24:38
Most of them are deaf.
- K** Kathy Bush 24:39
Oh.
- A** Arthur Beer 24:40
Dalmations run behind fire engines.
- G** George Pickering 24:42
Yeah. They bite the tires.
- A** Arthur Beer 24:45
Yeah, they aren't nice.
- E** Edwin DeWindt 24:46
Well, we have on our walk, in Claire's neighborhood there are two Dalmatians that live in a yard, and as we walk by, they leap at the fence trying to tear the throats out of our bodies.

- G** George Pickering 24:57
Right.
- E** Edwin DeWindt 24:58
I really want to carry -
- H** Hugh Culik 24:59
This is the show that started out trying to reassure everybody about how good dogs are. Yeah, right. "Oh there are these two on the corner they want to kill people"
- E** Edwin DeWindt 25:06
They do. they seem to have been bred to kill.
- C** Claire Crabtree 25:07
When I was a little kid I really liked seeing them on fire engines. And that seemed to be kind of a - I don't know what the purpose was.
- A** Arthur Beer 25:13
Well, some people we would rather see them on fire engines.
- K** Kathy Bush 25:16
(Making dog sound effects with her voice)
- A** Arthur Beer 25:22
This is why I don't go to dog shows anymore. I can't hear the conversation because of that kind of noise.
- G** George Pickering 25:26
This is the best of the show (Laughs)

- K** Kathy Bush 25:29
Come on, Claire. Let's growl. Let's see who's best at bitching.
- C** Claire Crabtree 25:34
I was famous in high school for being able to go "baa" like a lamb. I won.
- G** Gregory Sumner 25:40
Would you favor us with some -
- K** Kathy Bush 25:42
You won "best of sheep"
- G** Gregory Sumner 25:44
Our glee club sang "Mary Had a Little Lamb" and we all vied for the job of being the one that -when it got to the end and went "Baa". I could do better but -
- K** Kathy Bush 25:53
Oh, yeah,
- C** Claire Crabtree 25:54
I haven't had much practice. A year in Romania wasn't quite enough. But, you know -
- G** Gregory Sumner 26:02
Did that help you in Romania?
- G** George Pickering 26:03
Isn't it amazing what kids will do?
- E** Edwin DeWindt 26:05
It is. What spaniel is found in the non sporting group?

Hugh Culik 26:12
Cocker.

Gregory Sumner 26:12
Cocker Spaniel

Edwin DeWindt 26:14
Think Richard Gere.

Hugh Culik 26:15
Uh, gear spaniel? I don't know.

Edwin DeWindt 26:18
That's a remote hint. Think Dalai Lama,

Kathy Bush 26:21
um, Tibet.

Edwin DeWindt 26:21
Tibetan Spaniel. That's right.

Hugh Culik 26:23
(Laughing) That's so remote.

Kathy Bush 26:25
They're very mellow.

Hugh Culik 26:27
The Cindy Spaniel.

- E** Edwin DeWindt 26:28
Well, he's a disciple of the Dalai Lama, supposedly, you know.
- G** George Pickering 26:33
No, really?
- E** Edwin DeWindt 26:34
Really. Yeah. Well, whatever. How many types of Setters are recognized by the American Kennel Club?
- H** Hugh Culik 26:40
Centers?
- E** Edwin DeWindt 26:41
Setter.
- A** Arthur Beer 26:42
Five?
- E** Edwin DeWindt 26:43
No, that's too many.
- K** Kathy Bush 26:44
3
- G** Gregory Sumner 26:45
2
- E** Edwin DeWindt 26:46
3. That's right, the English, the Gordon and the Irish

Hugh Culik 26:48
Gordon.

Arthur Beer 26:51
Yeah.

Edwin DeWindt 26:52
Well, we're gonna have to save these till our next program.

George Pickering 26:55
Great!

Edwin DeWindt 26:56
How about that? an entire show on -

Claire Crabtree 26:58
I take it back. I'd like them except for the ones with number answers.

Edwin DeWindt 27:02
Dogs. So we'll be back with our next program with Pamela Johnson wrapping up the dog questions and moving right on to other questions. In the meantime, I'd like to thank the panel Professor Pickering, Professor Bush, Professor Sumner, Professor Beer, Professor Crabtree and Professor Culik.
