The University of Detroit Mercy presents another encore presentation of a classic Ask the Professor radio program. Today's show takes us back to January 2004.

K Kathy Bush 00:13

The University tower chimes ring in another session of Ask the Professor the radio show where you match wits with University of Detroit Mercy professors in an unrehearsed session of questions and answers. I'm your host Kathy Bush. And today we've got some great panelists here all guys; but hey, that's okay too. So let me introduce the panel to you. To my right: from the College of Engineering and Science, the Department of Mathematics and Math Education it's Professor Jeffe Boats.

J Jeffe Boats 00:29

And I am all toasty despite the cold.

K Kathy Bush 00:46

I know. It has been positively Arctic here in Detroit. Bone chilling. Yeah, my idea is Hell is not hot. Hell will be cold just like this. I know it. I know it for a fact. And sitting next to Jeffe, from the Department of History, its chair and our keeper of the Black Abolitionists Archives, It's Professor Roy Finkenbine.

R Roy Finkenbine 01:06

Hey, Kathy. It'll be colder tomorrow when they turn off the heat and the water in the dorms

hey, Kathy. It'll be colder tomorrow when they turn on the heat and the water in the dorms.

K Kathy Bush 01:11

Yeah, I know. I've had many students already make that complaint, but I guess there's something that they have to fix before it goes kaboom. (Laughs)

R Roy Finkenbine 01:19

That's reasonable.

K Kathy Bush 01:21

And I think that's not a bad reason to fix something before it goes Kaboom!

J Jeffe Boats 01:24

Well, that's a good excuse to get them out of their dorms and in the library. That's the way I look at it.

K Kathy Bush 01:28

Ah, you are - I was gonna say (The professors are laughing)

J Jerry Curtsinger 01:31

It's actually pretty comfortable. I've been in the library all day. It's pretty warm.

K Kathy Bush 01:35

Yesterday we were using the library because of their new computer labs that have been placed in the library. And so many students have walked in the office asking what the abbreviation L B stands for. And I say "library" and then they will look at me and say "And where is that?" And I tell you it is very heart and bone chilling to have university students ask where the library is especially when they are in their junior year. I find that a little frightening.

J Jerry Curtsinger 01:58

I thought LB stood for something else.

K Kathy Bush 02:00

 Kathy Bush 02:00
Same here, Babe.

 Erick Barnes 02:01
Linebacker.

 Kathy Bush 02:09
That's it. It's a Lion's term. Sitting next to Roy, from the College of Engineering and Science and the manager of Pre College Engineering Programs. It's Dan Dan, the DAPCEP man, Maggio .

 Dan Maggio 02:20
Hi Kathy.

 Kathy Bush 02:21
Hey, so what are you doing in this winter term with the youngins?

 Dan Maggio 02:25
Getting ready for DAPCEP for spring.

 Kathy Bush 02:27
Okay, so they're gonna -

 Dan Maggio 02:28
We just had a wonderful meeting today.

 Kathy Bush 02:30
Oh, you look like you just had a -

 Dan Maggio 02:31
Just a wonderful meeting.

R Roy Finkenbine 02:32
We could feel the aura.

K Kathy Bush 02:33
I mean.

D Dan Maggio 02:33
You could feel the aura?

K Kathy Bush 02:34
Yeah

D Dan Maggio 02:34
Positive aura?

K Kathy Bush 02:35
Yeah, right Dan. You have the look on your face right now as somebody who wants to become a serial killer

J Jeffe Boats 02:39
He's got the 1000-yard stare

R Roy Finkenbine 02:41
We've long thought that about Dan.

K Kathy Bush 02:43
Oh, no. Well, we're glad you're with us Dan. You know you can feel the love here in the studio.

D Dan Maggio 02:47
I can. It's amazing.

J Jerry Curtsinger 02:48
Heal!

K Kathy Bush 02:48
Okay. And sitting next to Dan, from the Department of Communication Studies, it's Professor Jerry Curtsinger Alright.

J Jerry Curtsinger 02:55
Did you ever see Ernest Angley doing that on TV?

K Kathy Bush 02:55
Heal!

J Jerry Curtsinger 03:00
I forgot it was it was radio and not television.

K Kathy Bush 03:00
There you go.

J Jerry Curtsinger 03:03
That's what he to do. He used to take his hand and move it toward the camera. And if you're watching this at home, it would freak you out.

K Kathy Bush 03:03
That's right. Oh, absolutely.

R Roy Finkenbine 03:10
Someone once called him a cross between an evangelist and a dog obedience instructor.

J Jerry Curtsinger 03:17
He's been around for a long time

J Jeffe Boats 03:17
(Laughs)

K Kathy Bush 03:17
Oh, that's an interesting combination. In deed

J Jeffe Boats 03:21
You only read the articles, right?

K Kathy Bush 03:24
That's it. And that's the voice from the Sociology and Criminal Justice Department. Somebody who definitely has dealt with some healers of many types.

E Erick Barnes 03:33
Oh yeah.

K Kathy Bush 03:33
Professor Erick Barnes.

E Erick Barnes 03:34
Cheers.

K Kathy Bush 03:35
Cheers back at you. Finally, sitting here playing cards; from the Department of Chemistry - Yes, and he's shuffling that deck. It's Professor Matt Mio.

M Matt Mio 03:44
A pleasure

K Kathy Bush 03:45
A pleasure. Now that's something that I hope you don't let the little guy play with.

E Erick Barnes 03:49
Is he gonna be a hustler?

M Matt Mio 03:49
Why not?

J Jerry Curtsinger 03:52
Put it next to the roulette table.

E Erick Barnes 03:53
In preschool? hustling?

M Matt Mio 03:55
I'm teaching the baby how to play blackjack

J Jeffe Boats 03:58
You've gotta know when to hold 'em

E Erick Barnes 04:00
Know when to fold 'em. Know when to crawl away -

K Kathy Bush 04:02
Oh, I bet they loved that at the Lutheran School.

J Jerry Curtsinger 04:02
Dvlan wanted to brina lotto tickets to show 'n tell one time. Well. needless to sav. we were able

to get the tickets before he got to them.

K Kathy Bush 04:12

That's sort of like the story that Jim Tubbs, the brother and the son of a Presbyterian minister. His sister Nora is a Presbyterian minister and Jim is on the board of Presbyterian Village here in Michigan. And they had a great crisis because their seniors really enjoyed going to the casino. But they always wanted to take the Presbyterian Village van. Which, a minister saw it and objected to the fact that the Presbyterian Village van was in front of the MGM Grand Casino. So - it was an interesting. They called -

J Jerry Curtsinger 04:38

They were just there for the buffet.

K Kathy Bush 04:39

Thank you

E Erick Barnes 04:40

That reminds me of the man they caught selling drugs with a D.A.R.E. shirt on

K Kathy Bush 04:42

No way

E Erick Barnes 04:44

Yeah.

K Kathy Bush 04:44

Oh, get out!

J Jerry Curtsinger 04:45

Dare to sell drugs with that shirt?

R Roy Finkenhine 04:48

Roy Finkenbine 04:49

That explains a lot. because you know that they've done that research that shows children who go through D.A.R.E programs and those who don't. There's no difference in terms of later drug usage.

Kathy Bush 04:56

Really?

Roy Finkenbine 04:57

And so, there's a lot of -

Kathy Bush 05:00

Okay. Well, this is a show where you can send in questions about DARE, about cards, about anything. And if you stump the panel, you win a fabulous Tech Day t shirt. We left off last time with a set of questions about World War Two and codes from Larry MacKinnon. So far you were doing pretty well. You did miss the question about Alfred Horne, Rudolph Hesse's hidden identity, but that's okay. Dan got Jumpin' Jim Gavin. Way to go, Dan

Dan Maggio 05:01

Because you gave a great clue. You know - acting it out.

Kathy Bush 05:18

(Laughs)

Jeffe Boats 05:22

We're gonna need a lot of clues on these., I think.

Kathy Bush 05:33

Okay. Who were the Devil Brigade? They were in the European Theater of operation in Italy.

Jeffe Boats 05:40

Do they eat bread?

K Kathy Bush 05:41
Devil Bread. Yeah.

E Erick Barnes 05:43
It wasn't the First Infantry, was it?

K Kathy Bush 05:44
No, it wasn't the First Infantry.

J Jeffe Boats 05:47
Thy were were the 666 division.

K Kathy Bush 05:49
No, they weren't the six six. six. Okay. Their leader was General Robert Frederick.

M Matt Mio 05:57
Is it what they were supposed to do? Something about them?

K Kathy Bush 06:00
Well, it's interesting the composition of the -

R Roy Finkenbine 06:05
They were all Satanists.

K Kathy Bush 06:06
No. (The professors laugh) Maybe some of them were. It was a joint command that he had. They were US and Canadian troops.

M Matt Mio 06:12
Oh

K Kathy Bush 06:13
So, they were not a single -

M Matt Mio 06:14
America Junior

K Kathy Bush 06:15
That's it. Oh! Woe!

J Jerry Curtsinger 06:20
We're not making fun of the 51st Combine organized. Organization boys.

K Kathy Bush 06:25
Okay

J Jerry Curtsinger 06:26
Drop the puck

K Kathy Bush 06:27
Drop the puck. You got it. Who were the original Hells Angels?

E Erick Barnes 06:32
Oh, they were fighter pilots.

K Kathy Bush 06:33
That's exactly right.

E Erick Barnes 06:36
Yeah, the original motorcycle gang- they were known as Bastards Of Bloomington. And then he

changed their name to Hells Angels. That's true.

K Kathy Bush 06:44

Well, it's probably easier to fit on the jacket. You know?

J Jeffe Boats 06:45

That sounds like a Wu Tang Clan slang.

E Erick Barnes 06:48

Yeah, it does.

K Kathy Bush 06:48

I was gonna say - that's an incredible title. Eric, from a criminal justice point of view, re they really as involved in crime as people claim Okay.

E Erick Barnes 06:55

Well, they are now what we would call legalized gangsters. They've gotten old enough and sophisticated enough that they're making enough money. Half of them wear suits during the day and then they put that on at night.

K Kathy Bush 06:55

Yeah, they were heavily involved in, um -

J Jeffe Boats 07:03

Don't hire them for security.

K Kathy Bush 07:09

I was gonna say. Really. Okay. What was known as Hell's Highway? This was in the 2nd World War.

J Jerry Curtsinger 07:09

It was an AC/DC song with -

it was an AC/DC song with

K Kathy Bush 07:09

I was gonna say. They were not good for concert security. This we know. Okay. What was known as Hell's Highway? This was in the 2nd World War again. This is where Operation Market Garden took place in the 2nd World War. I know, but I love the HG Estate. Hell's Highway was the area in Holland where the 101st Airborne flew and dropped soldiers off for Operation Market Gardens - - which immediately preceeded - very sadly - The Battle of The Bulge. What did U.S. bomber pilots call The Happy Valley? And this is - of course - a very sarcastic name. Happy Valley.

J Jerry Curtsinger 07:28

Herman Gardens?

K Kathy Bush 07:28

No not Herman Gardens. This is Market Gardens. No, Herman Gardens are torn down now. It's all leveled. It's so wierd looking.

E Erick Barnes 07:46

Herman Gardens was rough.

K Kathy Bush 08:02

I think there's a ski resort called Happy Valley near where I grew up. Really?

J Jeffe Boats 08:14

Yeah.

M Matt Mio 08:15

Near Penn State, right?

K Kathy Bush 08:18

This actually is the Ruhr Valley. There was such heavy anti aircraft guns there because it was such an industrial region that very sadly didn't work. And finally, what US General named his Piper Cub, the Missouri Mule

 Dan Maggio 08:32
MacArthur

 Kathy Bush 08:33
No, this is actually a well respected general.

 Erick Barnes 08:39
Bradley?

 Kathy Bush 08:40
Yes, Omar Bradley.

 Erick Barnes 08:42
Bradley

 Kathy Bush 08:42
Yeah, who people really seem to have a great deal of respect for. Okay,

 Jeffe Boats 08:46
Yeah, we got our butts kicked.

 Kathy Bush 08:48
No, well -okay, but Larry, that's okay. We've got an address for you. So we will send you -

 Roy Finkenbine 08:53
Two shirts

 Kathy Bush 08:53
Two shirts. Yeah, really. One for you and one for Mr. Wolf. Okay, for Heir Wolf that way. Okay.

All right. And here we go. We have a set of questions from the one ,the only, the man , Bert Tilley -

J Jeffe Boats 09:06
What percentage is tha, Dan?

E Erick Barnes 09:06
Yeah, what percentage is that, Dan?

D Dan Maggio 09:06
I don't know.

K Kathy Bush 09:07
who provided us with wonderful playing cards from Las Vegas and we thank you for those. And he said "Dear profs: The topic today is names. These names could be real, they could be fictional or non do whatever. They come from any field or walk of life. 75 out of 100 is passing. Now, he did not send us 75 -

E Erick Barnes 09:07
Bert 75 out of 100.

K Kathy Bush 09:29
Wait a minute.

E Erick Barnes 09:37
You're slippin', man. You're slippin'. ven though- you had to grow a beard Dan

K Kathy Bush 09:43
There are actually 100 of them here. So we'll start off with 25. How's that? There are 100 questions, and he did them in alphabetical order too.

R Rov Finkenbine 09:55

 You frightened me, Bert.

 Jerry Curtsinger 09:55
Take some of these cards

 Kathy Bush 09:57
I was gonna say - you rock. Okay. What was the name of the person who pulled the thorn out of the lion's foot in Aesop's fable?

 Dan Maggio 10:05
Daniel.

 Jeffe Boats 10:06
Wait - these are in alphabetical order?

 Erick Barnes 10:07
Was it a mouse?

 Kathy Bush 10:08
Yeah, it's-

 Jeffe Boats 10:09
So the answers are alphabetical?

 Kathy Bush 10:10
Alphabetical as well,

 Erick Barnes 10:11
It was a mouse, wasn't it?

J Jeffe Boats 10:12
A something?

K Kathy Bush 10:12
Yeah, it is.

M Matt Mio 10:13
So, he had a name, apparently. Was it like Adrian or something?

M Michael Jayson 10:16
(Over the studio intercom) Aaron

E Erick Barnes 10:18
Aaron?

K Kathy Bush 10:18
No. A voice from above Androcles is the name

M Matt Mio 10:23
Androcles and the Lion.

K Kathy Bush 10:25
Yeah.

D Dan Maggio 10:25
Isn't there a story with Daniel and the lion?

K Kathy Bush 10:27
Well, yeah; but thats the Bible, Dan

D Dan Maggio 10:29
I don't know the Bible.

K Kathy Bush 10:30
Well, you know the story.

M Matt Mio 10:31
But your name is Dan. (The professors laugh)

E Erick Barnes 10:36
That's who you're named after.

J Jeffe Boats 10:37
He's named after the Elton John song.

E Erick Barnes 10:39
Oh, okay. Yeah. "Daniel, my brother"

K Kathy Bush 10:41
Were you named after somebody in your family - like?

D Dan Maggio 10:42
No.

K Kathy Bush 10:42
Oh, okay. You know, that happens. Okay. Who was David Rice Atchinson?

R Roy Finkenbine 10:50
He was Senator from - was it Kansas.

K Kathy Bush 10:52
Yes.

R Roy Finkenbine 10:52
And he was - for a matter of hours - was actually the president of the United States.

K Kathy Bush 10:57
Way to go, Roy, Excellent.

D Dan Maggio 11:00
Like Al Gore?

K Kathy Bush 11:01
No.

R Roy Finkenbine 11:02
Well, Al is still president of the United States.

M Matt Mio 11:05
In his mind.

K Kathy Bush 11:06
Well, it was President Elect Zachary Taylor who refused to be sworn in on the Sabbath day. And so the senator here Yes. He became - he was like President for a couple hours or whatever.

J Jerry Curtsinger 11:15
Is that anything like queen for a day?

K Kathy Bush 11:16
Something like that, Roy, that's that's what I want

Something like that. But that's kind of cool

R Roy Finkenbine 11:18
That hasn't been demonstrated.

K Kathy Bush 11:19
Yeah, not yet. At least No, no, no. Can you name soccer's Pele - his real name?

J Jerry Curtsinger 11:19
Daniel

K Kathy Bush 11:24
(Laughing) No.

M Matt Mio 11:31
Androcles

K Kathy Bush 11:32
No it ends in an A. I mean, the last name is an A but he's got like four names here.,

D Dan Maggio 11:38
Oh, then no way.

K Kathy Bush 11:39
Its Edson Arantes do Nascimento

D Dan Maggio 11:39
Pele?

J Jeffe Boats 11:39

— Ooh. Uh, Carlos ?

K Kathy Bush 11:39
Pele! Dude.

J Jeffe Boats 11:41
I thought that was his name.

K Kathy Bush 11:46
Go with Pele. Okay.

J Jeffe Boats 11:51
Wasn't Pele like some volcano god or something like that in some South Pacific religion or something?

K Kathy Bush 11:57
Could be, but it's a killer name.

J Jeffe Boats 11:59
Maybe that's why he took the nickname.

K Kathy Bush 12:01
You know, gotta give him that. George Bailey is a mythical character.

R Roy Finkenbine 12:07
It's a Wonderful Life.

K Kathy Bush 12:08
It's a Wonderful Life.

R Roy Finkbine 12:09
Jimmy Stewart.

K Kathy Bush 12:09
He's the lead character, yes.

R Roy Finkbine 12:11
He too had problems with his S & L.

K Kathy Bush 12:13
Yes, he did. Poor guy, he really did. ROY-G-BIV. That's ROYGBIV is used to recall the colors of -

D Dan Maggio 12:23
of the rainbow.

K Kathy Bush 12:24
Oh, okay.

M Matt Mio 12:25
Or the electromagnetic spectrum.

K Kathy Bush 12:27
Okay, so what does it mean?

M Matt Mio 12:29
Red

K Kathy Bush 12:29
Red

D Dan Maggio 12:30
Orange, Yellow,

M Matt Mio 12:31
Green. Blue. Indigo. Violet.

K Kathy Bush 12:35
Excellent. See? Look at what better means for Cyan not to

R Roy Finkenbine 12:38
be confused with every good boy does fine.

K Kathy Bush 12:40
Yes, there we go.

J Jerry Curtsinger 12:41
Yeah - bad boys - Oh, wait that's in electronics. We can't say that on the radio.

K Kathy Bush 12:45
Oh, that's right. I was gonna say You better not do that. And so while we think and nicknames, let's take a break.

P Production Element 12:57
(Ask The Professor flashback)

K Kathy Bush 14:24
And we're back with less gruesome questions from Bert Tilley. Oh, what a flashback that was. And these are questions on names. And as Bert indicated, they could be real, fictional or non do whatevers. And so far, you guys are doing really well. What was Rick's name in Casablanca? His full name?

E Erick Barnes 14:45
Rick?

M Matt Mio 14:46
Richard.

E Erick Barnes 14:47
Senor Rick

K Kathy Bush 14:53
Well, I mean, Rick is short for ___?

E Erick Barnes 14:55
Richard

K Kathy Bush 14:56
Okay. Now, don't you remember Monsieur. "Oh, please. I'm a refugee from Romania. They have the people by the throat", that kind of thing. Don't make me do the whole scene

E Erick Barnes 15:08
"All the gin joints".

K Kathy Bush 15:09
In all the world, that's right? It's Richard Blaine. Don't you remember that awful Nazi - that horrible man. He's such a Nazi

R Roy Finkenbine 15:19
No relation to James G., I take it.

K Kathy Bush 15:21
I would hope not. What was Billy the kid's real name?

E Erick Barnes 15:25
William Bonney

K Kathy Bush 15:26
Yes. Hey.

J Jeffe Boats 15:28
Oh, now I have a good answer to that cheer, "What the heck's a Bonney?"

K Kathy Bush 15:32
Oh, St. Bonaventure. Do you have any other bonney cheers?

E Erick Barnes 15:39
No.

K Kathy Bush 15:40
There was only one Bonney cheer? Okay.

M Matt Mio 15:42
It's a Bonney one though.

K Kathy Bush 15:44
This is a skier who crashes in the opening scene of ABC Wideworld of Sports,

J Jerry Curtsinger 15:50
The Agony of Defeat

E Erick Barnes 15:51
.. . . .

Yeah, the agony of defeat.

K Kathy Bush 15:52
The thrill of victory and the agony of defeat. Bert wants to know who that skier is.

E Erick Barnes 15:56
Sonny Bono

J Jerry Curtsinger 15:59
Is it an American?

K Kathy Bush 16:00
I Don't think it is his .

E Erick Barnes 16:02
He's not American.

K Kathy Bush 16:02
The first name is Vinko V. I N K O so I mean

J Jerry Curtsinger 16:09
I used to like Tomba. He was funny, you know?

K Kathy Bush 16:11
Yeah. It's Vinko Bogataj .

E Erick Barnes 16:18
Poor guy. What a name.

J Jerry Curtsinger 16:19

Slow down buddy.

Kathy Bush 16:20

I mean that is really bad.

Roy Finkenbine 16:22

He was actually committing suicide.

Kathy Bush 16:23

I swear - that had to really sting. Who was the oldest of the Cartwright boys on Bonanza?

Jerry Curtsinger 16:31

Ben?

Kathy Bush 16:33

No. Ben's the dad, so he is the oldest

Erick Barnes 16:36

Pernell Roberts

Jerry Curtsinger 16:36

Pernell Roberts' character.

Kathy Bush 16:37

Yeah, but what was the name?

Roy Finkenbine 16:41

Adam

Kathy Bush 16:41

- K** Kathy Bush 16:41
Yes, it was Adam. He was sort of the bad boy
- R** Roy Finkenbine 16:44
Later became the older Trapper John.
- K** Kathy Bush 16:46
Oh, that's right. Yeah. Yeah, cuz you know that Hoss couldn't have been the oldest.
- E** Erick Barnes 16:51
Hoss Cartright. Yeah.
- J** Jerry Curtsinger 16:53
It was all baby fat.
- K** Kathy Bush 16:54
It was all baby fat .
- R** Roy Finkenbine 16:56
What are the odds that they had the same mother? Come on
- K** Kathy Bush 16:59
You know. Well, when you think about Lorne Green. Yeah, he was a great broadcaster for the CBC. He did the news during the war. So my mom said that she could not watch the program, because she always related his voice to like reading bad war news. She couldn't handle that show.
- D** Dan Maggio 17:06
Watching bad TV
- M** Matt Mio 17:07
When I was a student at UDM. someone would carve the word Hoss into the trays in the lunch

room until all of the trays said Hoss. (The professors laugh) And I met the Hoss person before I graduated.

K Kathy Bush 17:24
You did?

E Erick Barnes 17:25
Did you turn them in ?

R Roy Finkenbine 17:26
Legendary.

K Kathy Bush 17:27
Okay, so

M Matt Mio 17:28
People thought it was a great thing to do.

K Kathy Bush 17:32
Okay. This was the full name of the spider in Charlotte's Web. Can you name that name?

J Jeffe Boats 17:39
Well, Charlotte.

K Kathy Bush 17:41
Charlotte. Yeah.

M Matt Mio 17:42
Charlotte. W. -

E Erick Barnes 17:44
Spider.

K Kathy Bush 17:45
No. The last name begins with a C

D Dan Maggio 17:50
Cartwright?

K Kathy Bush 17:51
No. She was not married to Ben. No.

M Matt Mio 17:56
Full Name?

R Roy Finkenbine 17:57
You said they had different mothers.

K Kathy Bush 17:59
Yes. Charlotte A. Cavatica

M Matt Mio 18:03
Wow,

K Kathy Bush 18:04
C A V A T I C A. I would think that's how one might pronounce it. Okay. This was the killer of
Bruce "Batman" Wayne's parents.

M Matt Mio 18:16
Jack Napier

D Dan Maggio 18:17
Yeah. Jack Napier

E Erick Barnes 18:19
No. That's the movie. Yeah, it wasn't.

D Dan Maggio 18:22
Well, he doesn't say

E Erick Barnes 18:23
Yes, he does. Yes, he does

M Matt Mio 18:25
Nom do whatever.

D Dan Maggio 18:26
What did you say was the question?

K Kathy Bush 18:27
The question is name the killer of Bruce "Batman" Wayne.

D Dan Maggio 18:30
I think we just did

K Kathy Bush 18:31
Wayne's parents. He says the name here is Joseph Chill.

J Jeffe Boats 18:35
Yeah, it's in the comics.

K Kathy Bush 18:41
Alright. So we will give you credit on this one, Dan. Good for you. Okay,

D Dan Maggio 18:45
Hey, I'm fighting for every point here

K Kathy Bush 18:46
Which is very, very good. Name Norman Bates' shower victim in Psycho.

R Roy Finkenbine 18:46
Like our students.

J Jerry Curtsinger 18:52
Janet Lee

K Kathy Bush 18:53
Well, Janet Lee, but remember we are on the "C".

M Matt Mio 18:55
Something "C" Think of a town in Ohio, home of Warren G Harding.

D Dan Maggio 19:02
Canton.

K Kathy Bush 19:03
No

D Dan Maggio 19:03
Cleveland

Cleveland.

R Roy Finkenbine 19:04
Actually, he was on Marion

K Kathy Bush 19:05
Marion is the first name

R Roy Finkenbine 19:07
I was thinking Chillicothe

K Kathy Bush 19:08
Oh, okay. Really, I always thought it was from Marion because that's where those that-

R Roy Finkenbine 19:12
No, he's from Marion.

K Kathy Bush 19:14
Oh, okay. Good. And the last name is the same name as the actor who played hocus pocus in a tear house.

E Erick Barnes 19:23
Crane?

K Kathy Bush 19:24
Yes. So Marion Crane. That was Janet Lee's character in Psycho

J Jerry Curtsinger 19:29
There were great continuity errors in that too, like the car's in park and it's going down.

K Kathy Bush 19:30

 Kathy Bush 19:36
Yeah. It's very strange that way. He was the first 1970s plane jacker who actually parachuted away -

 Dan Maggio 19:44
D,B. Cooper.

 Kathy Bush 19:45
Yeah, D.B. Cooper.

 Erick Barnes 19:46
That's right

 Kathy Bush 19:47
\$200,000 Ransom and was never seen again.

 Erick Barnes 19:49
Never seen again!

 Roy Finkenbine 19:49
He actually became Sasquatch.

 Erick Barnes 19:51
D.B. Cooper. They found some of the money though.

 Kathy Bush 19:53
Did they? Where?

 Erick Barnes 19:54
It was buried in the mountains there. They found some.

K Kathy Bush 19:56
Get out

E Erick Barnes 19:57
Not all of it, just a small amount of it. Buried.

K Kathy Bush 19:59
That is incredible . You know, I mean it really is. And they say-

R Roy Finkenbine 20:04
Actually, it was covered under ash from Mount St. Helen's

K Kathy Bush 20:06
But we want you to know - listening audience - that crime does not pay. Okay. He was the inventor of AM radio.

M Matt Mio 20:14
Marconi ?

K Kathy Bush 20:15
I would have said Marconi too but it begins with a D.

J Jerry Curtsinger 20:20
Lee De Forest.

K Kathy Bush 20:21
That's it. Lee De Forest

J Jerry Curtsinger 20:22
Actually his name is signed in the WWJ transmitting building logs.

K Kathy Bush 20:26
You've got to be kidding

J Jerry Curtsinger 20:27
In the art deco building that is on 8 mile. Yeah.

K Kathy Bush 20:30
He signed his name on that?

J Jerry Curtsinger 20:32
You'll see his name in the logbook.

K Kathy Bush 20:34
That is so excellent. Well I know it's KDKA in Pittsburgh. Isn't that's the first -

J Jerry Curtsinger 20:36
Yeah, Well, they always argue about it.

K Kathy Bush 20:41
Yeah. But people will always said that WWJ was the second

J Jerry Curtsinger 20:44
WWJ - they go back and forth. And WWJ, they could have been like some huge powerhouse. But no, the Detroit News 5000 watts was enough.

K Kathy Bush 20:51
I mean

J Jerry Curtsinger 20:52

and of course, you know -

K Kathy Bush 20:53
Why? That was so stupid.

J Jerry Curtsinger 20:55
Yeah. She was James Bond's wife briefly.

E Erick Barnes 20:58
Yeah, she died in, uh, Her Majesty's Secret Service.

K Kathy Bush 21:01
Yeah.

J Jeffe Boats 21:02
Tessa de la - Oh, man.

E Erick Barnes 21:05
Yeah.

J Jerry Curtsinger 21:06
Was that Diana Rigg?

K Kathy Bush 21:06
No. It wasn't Diana Rigg.

J Jeffe Boats 21:09
della something

.....

K Kathy Bush 21:10
De dreco. Yeah, it was a very, very brief marriage.

J Jeffe Boats 21:15
That's my favorite James Bond movie.

E Erick Barnes 21:16
She had died when they were leaving the wedding,

K Kathy Bush 21:18
But I know.

R Roy Finkenbine 21:19
It could have been Britney Spears

K Kathy Bush 21:20
Yeah, really.

J Jerry Curtsinger 21:22
Wasn't Hugh Hefner after Britney Spears? I heard something.

R Roy Finkenbine 21:24
I have no idea.

K Kathy Bush 21:25
Oh, no.

J Jerry Curtsinger 21:28
What was his pitch there?

E Erick Barnes 21:29
He told her she'd fit right in with the rest of his girlfriends.

K Kathy Bush 21:32
Oh, you got that right.

E Erick Barnes 21:33
That's what he said. Yeah.

K Kathy Bush 21:35
He was Superman's dad on Krypton.

E Erick Barnes 21:38
Oh, that's easy. Marlon Brando played that. But it was Jor-El

K Kathy Bush 21:42
Jor-El. Yeah

E Erick Barnes 21:43
Yeah. Son of Jor-El.

K Kathy Bush 21:44
(Laughing) Son of Jor-El. This was a famous longtime cocaine drug lord of South America.

E Erick Barnes 21:51
Escobar

K Kathy Bush 21:52
Yeah. Pablo Escobar. Is he still alive?

E Erick Barnes 21:57
Uh, I believe he's dead now. Escobar was -

K Kathy Bush 21:59
Yeah, I thought he was. Give you plomo or plata. Silver or lead. Take your choice. Take the bribe or take the bullet. Oh, man. Not good. This is the famous voice of NFL films.

E Erick Barnes 22:12
Of the frozen tundra

K Kathy Bush 22:14
That's it. That voice is just - when you hear it -

J Jerry Curtsinger 22:20
Is it Steve - uh -

J Jeffe Boats 22:21
Listen to the bones crack.

J Jerry Curtsinger 22:23
I'm blanking guys.

K Kathy Bush 22:25
John Facenda. Which - I don't know, but I've been anything about the ice bowl, I just think it's hysterical. That voice is just -

J Jeffe Boats 22:34
Oh the music too.

E Erick Barnes 22:34
Yeah, that's what

yeah. It's great.

J Jeffe Boats 22:35
Trumpet music.

E Erick Barnes 22:36
Yeah.

J Jerry Curtsinger 22:39
Rivailing the melodrama for being over the top.

K Kathy Bush 22:41
I know. You know, you're thinking at any moment the legions of robots -

J Jeffe Boats 22:44
When Im jogging, and I need to go another quarter mile and I don't want to stop, I hear that trumpet music in my head.. I'm Eric Liddell, man. I'm running for the goal line.

K Kathy Bush 22:52
I'm going for it. This is the name of the puppet who lives in the spinning museum on Mr. Rogers Neighborhood.

E Erick Barnes 23:00
Allegra?

M Matt Mio 23:01
The spitting room?

K Kathy Bush 23:02
The spinning room

J Jerry Curtsinger 23:06
About six years ago, I would have known the answer.

K Kathy Bush 23:06
Yeah, you would have.

E Erick Barnes 23:08
It's not Allegra - is it?

M Matt Mio 23:10
Lady Elaine?

K Kathy Bush 23:10
Lady Elaine. Yes, her name is Lady Elaine Fairchild.

M Matt Mio 23:14
Fairchild.

K Kathy Bush 23:14
That's so great. Good for you

M Matt Mio 23:16
Love Mr. Rogers.

E Erick Barnes 23:17
You do?

M Matt Mio 23:18
He's gone.

 Kathy Bush 23:18
He is, but what a wonderful man he was

 Roy Finkenbine 23:20
The neighborhood hasn't been the same.

 Kathy Bush 23:21
No.

 Jeffe Boats 23:22
They filmed it down the street from where I went to grad school.

 Kathy Bush 23:24
Really?

 Jeffe Boats 23:25
And there's a big plack on the sidewalk.

 Kathy Bush 23:27
Aww!

 Jerry Curtsinger 23:28
Did you ever hear the National Lampoon thing with him and the rock star? I've got a recording of it. It is funnier than, you know - "The Magic Kingdom".

 Kathy Bush 23:38
I bet. But he was so good with children. He had such a peaceful, wonderful non aggressive kind of thing going on, which is good for kids. He was a famous pitcher for the Detroit Tigers, and he was nicknamed -

E Erick Barnes 23:48
Mark, the bird, Fidrych

K Kathy Bush 23:50
That's it.

E Erick Barnes 23:54
Used to love the bird. He was a dying breed.

K Kathy Bush 23:59
Maybe this year we'll hear the roar.

E Erick Barnes 24:01
He's a farmer now.

K Kathy Bush 24:02
He was one of the Three Stooges. First name Larry.

M Matt Mio 24:05
Fine

K Kathy Bush 24:06
Larry fine, Yes.

M Matt Mio 24:07
Dr. Fine, Dr. Howard, Dr. Howard.

K Kathy Bush 24:09
That's right. Yes. This was a leader of Fredonia as played by Groucho Marx in the film, Duck Soup. This is such a funny part too.

J Jeffe Boats 24:20
Fortonia

K Kathy Bush 24:20
Fortonia.

J Jeffe Boats 24:20
Only in New York

K Kathy Bush 24:23
Yes. Uh, first name is the same name of a musician who played with Chaka Khan.

J Jeffe Boats 24:29
Rufus

K Kathy Bush 24:29
Yes, Rufus. And the last name is the same name as little bugs that you can see in the night.

D Dan Maggio 24:36
Firefly.

K Kathy Bush 24:36
Yeah, Rufus T. Firefly. That was it. Is anybody here a fan of the Marx Brothers like I am? Oh, I just really think they're so funny. The CIA maniac agent on M.A.S.H.

E Erick Barnes 24:54
Oh that was great. That was a Flagg

M Matt Mio 24:56
Flagg
