

ATP 2504 - Aud for Vid

📅 Thu, Sep 26, 2024 1:12PM ⌚ 30:09

SUMMARY KEYWORDS

chemistry class, amino acids, biochemistry, bird watching, bioethics, FIRST organization, cucumber recipes, British slang, hit songs, cover artists, girl groups, Motown, Carol King, Alan Menken, Detroit Symphony

SPEAKERS

Matt Mio, Ph.D., Dan Maggio, Mara Livezey, Erin Bell, Dave Chow, Beth Oljar, James Tubbs, Danielle Maxwell

- M** Matt Mio, Ph.D. 00:00
The University tower chimes ring in another session of Ask the Professor, the show on which you match wits with University of Detroit Mercy professors in an unrehearsed session of questions and answers. I'm your host, Matt Mio, and let me introduce to you our panel for today. Let's see, who can I introduce who's already got something in there mouth? How about Professor Danielle Maxwell
- D** Danielle Maxwell 00:34
Thanks for having me.
- M** Matt Mio, Ph.D. 00:35
Thanks for coming over. How is everything going in the classroom?
- D** Danielle Maxwell 00:39
It is going pretty well. Today we covered electrons, protons and neutrons, and guess what? They've stayed the same over the last five years.
- M** Matt Mio, Ph.D. 00:46
That's good.

J James Tubbs 00:46
Wow!

M Mara Livezey 00:47
No advancements?

D Danielle Maxwell 00:48
No advancements. At least for Gen Chem knowledge, there has been no advancements.

M Matt Mio, Ph.D. 00:52
Oh my gosh, you're killing me. And are they all like, like, furtively writing these definitions down while you're explaining?

D Danielle Maxwell 00:58
They are furtively filling in those blanks. Yes, they are.

J James Tubbs 01:00
Those neutrons though, you've gotta watch out for them.

D Danielle Maxwell 01:02
Oh yeah, they're just so neutral you don't know where they're staying. Yep,

B Beth Oljar 01:06
You split them and terrible things happen.

D Danielle Maxwell 01:09
Terrible things. Movies are made.

M Matt Mio, Ph.D. 01:11
My middle son is in AP Chem this year as a junior in high school. And finally, because he's always practicing for cross country, we had him for dinner the other night. I'm like, "What are

you guys talking about?" "I don't know, isotopes."

D Danielle Maxwell 01:24
We covered isotopes today. There we go.

M Matt Mio, Ph.D. 01:27
Nice. Yeah, it's great. We're on par with AP chem, amazing. Doing well, doing well. Professor. Mara Livezey, is here. Mara, thanks for returning.

M Mara Livezey 01:36
Good to be here. I missed it.

M Matt Mio, Ph.D. 01:38
What are you drinking?

M Mara Livezey 01:39
It's water.

D Danielle Maxwell 01:41
H₂O. We covered that as well.

B Beth Oljar 01:44
Even I know that much chemistry.

M Mara Livezey 01:45
Hydrogen monoxide, you might say. (Matt laughs) But not me.

M Matt Mio, Ph.D. 01:49
What are we covering in Biochem right now?

M Mara Livezey 01:54
You know, mom brain just kicked in real hard.

M Matt Mio, Ph.D. 01:56
That's all right. I'm putting a lot of people on the spot today.

M Mara Livezey 01:58
Wednesday, we learned about amino acids,

M Matt Mio, Ph.D. 02:01
Perfect. That is where it should be right now.

M Mara Livezey 02:04
Yep.

M Matt Mio, Ph.D. 02:04
Yeah, absolutely. Amino acids like a mean, old acid. That's the dad joke.

B Beth Oljar 02:11
I was gonna say, is there a nice o' acid? (The professors laugh)

M Mara Livezey 02:16
My students would agree, because today's learning check was about amino acid structure. The one time where memorizing something is important in my class.

M Matt Mio, Ph.D. 02:23
Mm-hm, exactly. As I was telling the functional groups the other day, this will come back. I promise.

M Mara Livezey 02:30
It will

M Matt Mio, Ph.D. 02:31
Professor Erin Bell is here with us again today.

E Erin Bell 02:34
Hello, greetings.

M Matt Mio, Ph.D. 02:37
So how was the trip to Macon Georgia?

E Erin Bell 02:39
Macon Georgia? Well, I haven't really, ever been. It just - I always like the names that sounds like bacon,

D Danielle Maxwell 02:44
Bacon?

E Erin Bell 02:45
I don't know I am

J James Tubbs 02:46
Macon Georgia.

E Erin Bell 02:48
I'm traveling to the Detroit River tomorrow for Raptors On The River. So that's a real nerdy bird watching endeavor.

M Matt Mio, Ph.D. 02:55
Oh, yeah!

E Erin Bell 02:55
That should be fun.

M Matt Mio, Ph.D. 02:56
That's kind of cool.

J James Tubbs 02:56
Where on the river?

E Erin Bell 02:58
It starts at the Diamond Jack. You know, it's like the riverboat, and it's for the Detroit Bird Alliance, which changed its name from a different name because it had a problematic - that person had a problematic past. So, I'm pretty excited. We're gonna get our binoculars and our telescopes and look for river raptors.

M Matt Mio, Ph.D. 03:15
Nice, but actually looking for birds, and not like people in houses

E Erin Bell 03:18
Yes. Yeah,

D Dave Chow 03:20
Not stalking

M Matt Mio, Ph.D. 03:21
(Laughs) Not stalking

E Erin Bell 03:22
Right

M Matt Mio, Ph.D. 03:23

Professor Jim Tubbs is here with us today.

J James Tubbs 03:25
Hello, hello

M Matt Mio, Ph.D. 03:25
enjoying just a handful of Hershey's Kisses.

J James Tubbs 03:27
Yes. Having a few kisses,

M Matt Mio, Ph.D. 03:31
(Laughs) Well, it's Friday afternoon. It's Miller time or something.

J James Tubbs 03:37
That's right. (Laughs) Or something.

M Matt Mio, Ph.D. 03:39
That's exactly right, and everything is going well in your courses, too. Oh, Dave's taking a picture,

D Dave Chow 03:44
Of course

M Matt Mio, Ph.D. 03:45
See the giant pile of Hershey's Kisses, everything's going well in the -

J James Tubbs 03:50
in the ethics world? Yes, so far so good.

M Matt Mio, Ph.D. 03:52
in the world of bioethics?

J James Tubbs 03:53
Mm-hm

M Matt Mio, Ph.D. 03:53
Excellent. We've got to see if we can get Stephanie or Jacob to come back -

D Dave Chow 03:58
Yeah!

M Matt Mio, Ph.D. 03:59
and make some connections to our burgeoning Biology Department

J James Tubbs 04:03
I was just in Stephanie's class a little while ago.

M Matt Mio, Ph.D. 04:05
Oh, okay,

J James Tubbs 04:06
The 4990 senior seminar. Yeah,

M Matt Mio, Ph.D. 04:09
Very good.

D Dave Chow 04:09
Just kidnap her next time.

 James Tubbs 04:12
(Laughs)

 Matt Mio, Ph.D. 04:12
Professor Dan Maggio is here, and how's everything with the FIRST organization?

 Dan Maggio 04:16
Good. Actually,

 Matt Mio, Ph.D. 04:17
Nice.

 Erin Bell 04:18
Are you still first?

 Dan Maggio 04:21
Yes, we are

 James Tubbs 04:22
Good

 Danielle Maxwell 04:23
Nice.

 Dan Maggio 04:24
Things are going well. It's -

 Beth Oljar 04:26
And he's first in our hearts.

J James Tubbs 04:27
Oh, definitely.

D Dave Chow 04:29
And aren't you getting ready for curling soon?

D Dan Maggio 04:31
Uh yes,. IN about a month, the ice will start to go in. My body is not ready for this.

D Dave Chow 04:39
It never is, Dan, but you always get ready

M Matt Mio, Ph.D. 04:42
Dan, what's the next big, like, first gig that's going to happen, next big event?

D Dan Maggio 04:48
The events won't start - well, the little kids, the FIRST Lego League - Those will start in probably November, December -

B Beth Oljar 04:54
(Laughing) First Lego League. I love it.

D Dan Maggio 04:56
and then the other programs will run -

J James Tubbs 04:58
The little sliders

D Dan Maggio 05:00
December. January into March.

M Matt Mio, Ph.D. 05:02
Nice.

D Dan Maggio 05:03
Yeah

M Matt Mio, Ph.D. 05:03
Very nice.

J James Tubbs 05:04
Or the mini sweepers. (The professors laugh)

M Matt Mio, Ph.D. 05:05
The whole year is planned out. I love it. Professor Dave Chow is here. I'm trying to see - Oh, you're drawing binoculars.

D Dave Chow 05:14
I'm just drawing, Erin, that's all

M Matt Mio, Ph.D. 05:15
Okay, (Laughs)

E Erin Bell 05:15
Uh-oh.

D Dave Chow 05:17
Don't worry about it.

M Matt Mio, Ph.D. 05:18

 Matt Mio, Ph.D. 05:18
Erin using binoculars to find -

 Erin Bell 05:20
(Laughing) Dont worry about it

 James Tubbs 05:20
He's only done the glasses so far (Laughs)

 Beth Oljar 05:23
and he's not making you a zombie.

 Erin Bell 05:24
Oh, okay

 Dave Chow 05:25
Yet.

 Matt Mio, Ph.D. 05:26
That's good.

 James Tubbs 05:26
That's a plus.

 Dave Chow 05:27
It's a pleasure to be here as always.

 Matt Mio, Ph.D. 05:29
Excellent. Thanks for coming, Dave.

D Dave Chow 05:29
Mm-hm.

M Matt Mio, Ph.D. 05:31
Dean of the neighborhood, you and Marcy. Tell Marcy again, thanks for the cucumbers and everything the other day. She stopped by our house. She's like, "We have a lot".

D Dave Chow 05:40
Oh, yeah, we do. Mind you, that's one cucumber plant.

M Matt Mio, Ph.D. 05:43
One plant?

D Dave Chow 05:45
Mind you

M Matt Mio, Ph.D. 05:45
It was the size of Emmett.

D Danielle Maxwell 05:46
(Laughs)

D Dave Chow 05:46
We've given some to three of our other neighbors too.

M Matt Mio, Ph.D. 05:50
Oh my gosh. Well, we eat a lot of cukes at the Mio's House. It was very much appreciated.

D Danielle Maxwell 05:55
Have you seen the cucumber recipes on TikTok?

M Matt Mio, Ph.D. 05:57
I've seen some cucumber recipes on TikTok.

D Danielle Maxwell 06:00
It's trending.

D Dave Chow 06:00
Now, just fyi - My wife is on a rage, because the neighborhood squirrels have also lopped off one of the sunflowers.

M Matt Mio, Ph.D. 06:06
Well, that's too bad.

D Dave Chow 06:08
She wants to kill them all.

M Matt Mio, Ph.D. 06:09
Yeah, the seeds are maturing at this point, so

D Dave Chow 06:12
Not anymore.

M Matt Mio, Ph.D. 06:13
Not anymore yeah, exactly.

B Beth Oljar 06:14
She gonna become like Bill Murray's character in Caddyshack and go after the gophers,

D Dave Chow 06:19
Yeah

can

M Mara Livezey 06:19
Do it!

M Matt Mio, Ph.D. 06:19
Oh, wow, yeah. She looked angry when I saw her.

D Dave Chow 06:21
Oh yeah, she was -

M Matt Mio, Ph.D. 06:22
I'm kidding

D Dave Chow 06:23
Oh no, no, no. I had to calm her down.

B Beth Oljar 06:25
We'll play "I'm Alright", and all the squirrels will start dancing to it.

M Matt Mio, Ph.D. 06:29
(Laughs) Great reference, Professor Beth Oljar. 80s movies for the win?

B Beth Oljar 06:34
(Laughs) Just aging myself.

M Matt Mio, Ph.D. 06:36
Oh stop. It's good. It's good to be Gen X. That's what I say.

B Beth Oljar 06:41

Yes

M Matt Mio, Ph.D. 06:42

Folks, this is a program where you can send us questions regarding anything. If you stump the panel, you win one of our prizes. Yes,. If you don't stump the panel, you can win one of our prizes that way too. You can send us questions in a number of ways. Email us at atp@udmercy.edu, find us on Facebook and Instagram, or listen on your favorite smart speaker by asking it to play Ask The Professor at University of Detroit Mercy. "Dear panelists: I have been wanting to let you people know I've always loved the shows you do. A certain demographic and their lingo. The guesses are as spectacular as the answers that you provide. It's also great education into any culture's choice of slang. So I'm going to take a stab at providing 30 slightly obscure British terms.

E Erin Bell 07:23

Uh oh

M Matt Mio, Ph.D. 07:23

British terms.

M Mara Livezey 07:24

Nice!

E Erin Bell 07:24

Oh, jolly good

M Matt Mio, Ph.D. 07:25

I think the panelists will know a few, and maybe a few will be head scratchers but their guesses - You'll be gold. Yes. These are from our good friend Julie Elder from Poughkeepsie, New York. Julie says, "P.S.: Shag is a dance and not on the list".

B Beth Oljar 07:31

Being married to a Brit should help. I just watched that movie not too long ago,

E Erin Bell 07:47

I love that movie

B

Beth Oljar 07:49

And I'm like, "I want to go to Myrtle Beach with Jim Tubbs, so we can both go in a shag contest. It would be so fun".

E

Erin Bell 07:56

I love that movie. That's great.

M

Matt Mio, Ph.D. 07:59

All right, professors, what is the condition known as bagsy, B, A, G, S, Y?

D

Dave Chow 08:05

I thought that was a graffiti artist, but it isn't.

J

James Tubbs 08:08

That's Banksy

D

Dave Chow 08:09

Oh, close enough.

J

James Tubbs 08:11

Bagsy

M

Matt Mio, Ph.D. 08:13

You want to be bagsy -

D

Danielle Maxwell 08:15

Drunk? if you're like a kid. No.

D Dan Maggio 08:18
Popular?

M Matt Mio, Ph.D. 08:19
No

D Dan Maggio 08:20
Does have to do with clothes?

E Erin Bell 08:21
Candy?

M Matt Mio, Ph.D. 08:23
No. I'm gonna try to set it up for you.

E Erin Bell 08:25
Cool. So you're leaving the house with your kids, and one of your kids might scream. "Bagsy!"

D Dave Chow 08:32
Riding shotgun?

M Matt Mio, Ph.D. 08:32
Riding shotgun.

J James Tubbs 08:34
Oh,

M Matt Mio, Ph.D. 08:35
Yes. Who doesn't want to sit in the front - because that's fun.

E Erin Bell 08:38
"I've got my backpack. I'm Bagsy,"

D Dave Chow 08:39
I'm bagsy. Okay.

M Matt Mio, Ph.D. 08:43
This is one that's fairly common.

E Erin Bell 08:45
Okay

M Matt Mio, Ph.D. 08:45
What's the - \There's the all-British streaming service. I know a lot of people have it.

E Erin Bell 08:49
Oh, Acorn?

M Matt Mio, Ph.D. 08:50
Acorn - Is that what its called? BritBox?

E Erin Bell 08:51
What there's Acorn and BritBox

M Matt Mio, Ph.D. 08:53
BritBox. Is what I'm thinking of, yeah. But you're right. I just -I hear it all the time,

B Beth Oljar 08:57
Their're the two competing streaming services.

M Matt Mio, Ph.D. 08:59
Right. What's a bog roll?

E Erin Bell 09:04
Bog roll?

M Matt Mio, Ph.D. 09:05
Well, I thought this-

D Dan Maggio 09:06
Is it food related?

D Dave Chow 09:08
Yeah, I was gonna say, it sounds like something you might have at Thanksgiving.

M Matt Mio, Ph.D. 09:10
Not food related

D Dan Maggio 09:10
Not food related, okay.

E Erin Bell 09:12
Oh, is it toilet paper?

M Matt Mio, Ph.D. 09:13
Toilet paper is the correct answer.

M Mara Livezey 09:16
Makes sense

M Matt Mio, Ph.D. 09:19
Someone says, when someone says, "budge up", what are you supposed to do?

M Mara Livezey 09:26
Scoot up.

M Matt Mio, Ph.D. 09:26
It basically means "Move over".

D Dave Chow 09:29
Okay. It's like - What's the equivalent in Midwestern is like "scooch".

D Danielle Maxwell 09:34
Let me scooch past ya

M Matt Mio, Ph.D. 09:35
Yep. "Let me sneak right past you", exactly. Chinwag?

E Erin Bell 09:38
Someone who talks a lot

B Beth Oljar 09:41
Someone who's overly chatty,

M Matt Mio, Ph.D. 09:42
Yeah chatty, talking,

D Dave Chow 09:43
Loquacious.

E Erin Bell 09:44
Oh! Nice!

D Dave Chow 09:46
That's my big word for the day, Im done

M Mara Livezey 09:47
Big words

D Dave Chow 09:48
I'm done. Too many syllables

E Erin Bell 09:49
GRE test prep.

M Matt Mio, Ph.D. 09:51
Oh, nice, nice. How about Cod Swallow,

B Beth Oljar 09:54
Cod swallow?

M Mara Livezey 09:54
Oh, that's -

B Beth Oljar 09:55
Crap.

M Mara Livezey 09:56
Yeah. Crap garbage

Yeah. Crap, garbage,

- M** Matt Mio, Ph.D. 09:57
Garbage. Yep. Dosh, D, O, S, H, it's another slang term, which Britain has a lot of slang terms for. this thing.
- M** Mara Livezey 10:06
Is it money?
- M** Matt Mio, Ph.D. 10:06
Money
- D** Danielle Maxwell 10:08
Oh! Look at you! How do you know so much -
- M** Matt Mio, Ph.D. 10:09
British English has so many words for "Money"
- E** Erin Bell 10:11
I watch a lot of television (laughs_
- M** Matt Mio, Ph.D. 10:12
Oh my gosh
- M** Mara Livezey 10:13
I have BritBox.
- M** Matt Mio, Ph.D. 10:15
Oh, my I was thinking of Monty Python. (Laughs)
- R** Ruth Glass 10:18

B Beth Ujar 10:18

Oh, there you go.

M Matt Mio, Ph.D. 10:20

"How much did this cost you? About 60 quid and eight for the fruit bat. What fruit bat?" I know I could make Beth laugh. Okay, now we're crossing over. We're about to go into a whole different place.

E Erin Bell 10:20

Oh, boy. Uh-oh.

M Matt Mio, Ph.D. 10:35

What is and I quote, "Her Majesty's pleasure"?

E Erin Bell 10:39

Dear God

D Dave Chow 10:41

This is a family show. It's a family show,

M Matt Mio, Ph.D. 10:45

It's tongue in cheek, bbut it fits. It fits.

D Dan Maggio 10:48

Is it alcoholic?

M Matt Mio, Ph.D. 10:49

No.

D Dave Chow 10:50

Prince Philip?

M Matt Mio, Ph.D. 10:51
You're in the realm of vices, right?

M Mara Livezey 10:54
It's a vice. It's sort of a vice.

M Matt Mio, Ph.D. 10:58
She has a corgis dog, but that cant be a vice.

D Dan Maggio 11:02
Does she like racehorses?

M Matt Mio, Ph.D. 11:04
No

D Dave Chow 11:05
Swans or boats or airplanes

M Matt Mio, Ph.D. 11:06
Someone might remark that they recently finished her majesty's pleasure,

D Dave Chow 11:12
A book? a novel? a video game?

M Mara Livezey 11:15
A bottle of wine?

M Matt Mio, Ph.D. 11:20
(Laughs) No

B Beth Oljar 11:21
Just something the Queen enjoys? I mean, is it just an expression -

M Matt Mio, Ph.D. 11:26
I'm trying to think about, like, a modern American slang, and it's not particularly modern, but the best I could do is- The thing in American English that approximates this would be saying that you just did a nickel.

E Erin Bell 11:38
Oh, like time in the -

M Matt Mio, Ph.D. 11:39
Going to prison

E Erin Bell 11:40
Yeah

M Matt Mio, Ph.D. 11:44
Yes.

D Dan Maggio 11:46
Why is that her pleasure?

M Matt Mio, Ph.D. 11:49
I don't know,

B Beth Oljar 11:49
because they're all her majesty's prisons.

M Matt Mio, Ph.D. 11:52
(Laughs) That's true.

B Beth Oljar 11:52
Or now his

M Matt Mio, Ph.D. 11:54
That's true

D Dave Chow 11:55
That's still kind of a stretch

M Matt Mio, Ph.D. 11:57
Still a little bit of a stretch,

D Dan Maggio 11:58
They didn't cover that in THE CROWN.

M Matt Mio, Ph.D. 12:00
What does it mean if "you know your onions?" "Oh, you know your onions."

D Danielle Maxwell 12:04
Do you "know your stuff"?

M Matt Mio, Ph.D. 12:05
It's basically just being smart.

D Danielle Maxwell 12:07
Oh ok

B Beth Oljar 12:08
"Knows" is the term for that in soccer. If you have lots of football knowledge, you have good knows,

M Matt Mio, Ph.D. 12:14
Good knows Ooh, "you're legless". So what are you?

E Erin Bell 12:20
Wimpy?

M Matt Mio, Ph.D. 12:21
No,

D Dave Chow 12:22
You're short on cash.

M Matt Mio, Ph.D. 12:23
No

D Dave Chow 12:23
You're short - in general.

D Danielle Maxwell 12:24
Sober?

M Matt Mio, Ph.D. 12:26
How about the opposite

E Erin Bell 12:27
Drunk

M Matt Mio, Ph.D. 12:28
Drunk

E Erin Bell 12:29
Like you're wasted.

M Matt Mio, Ph.D. 12:30
Can't even walk.

B Beth Oljar 12:31
What happened to "pissed"? That was the standard British term for-

E Erin Bell 12:35
This is like high brow Brit stuff.

D Dave Chow 12:38
Are you sure this isn't from some weird shire that nobody's heard of or something like that?

M Matt Mio, Ph.D. 12:44
What about being skint, s, k, i n, t

D Dave Chow 12:48
Cheap

E Erin Bell 12:49
Broke

M Matt Mio, Ph.D. 12:51
Yeah, Mm-hm. I'm gonna look in an Erin direction when I say, can you tell us what "giving us a

bell" means?

E Erin Bell 12:58
Oh

D Dave Chow 12:59
Birthing a child?

E Erin Bell 13:00
Oh, dang.

B Beth Oljar 13:01
Well, when she's giving us a bell, then, yes. (The professors laugh)

E Erin Bell 13:08
My face is red. It was already red.

J James Tubbs 13:10
Calling someone on the phone? Is it like a - Yeah, a ring? No?

D Dan Maggio 13:14
Is it like a salute?

E Erin Bell 13:15
An accolade? No.

M Matt Mio, Ph.D. 13:17
It's like you're gonna say this when you're talking to somebody and it's time for you to go your separate ways is "Give us a bell"

D Dave Chow 13:23
High five?

M Matt Mio, Ph.D. 13:23
No

D Dan Maggio 13:24
Shake hands?

M Matt Mio, Ph.D. 13:25
Mm-mm. "Call me sometime."

D Dan Maggio 13:26
Ohh

E Erin Bell 13:26
Someone said that.

M Matt Mio, Ph.D. 13:28
Did they? I'm sorry the microphones get in the way. Mufti. This one is fairly well known, M, U, F, T, I, Mufti. I currently am in Mufti today,

D Dave Chow 13:42
What are you wearing?

D Dan Maggio 13:42
Casual?

J James Tubbs 13:43
Casual clothing

E Erin Bell 13:45
I like that

J James Tubbs 13:46
It's people in the Raj that began that expression

B Beth Oljar 13:52
Ah, colonialism does it again

M Matt Mio, Ph.D. 13:56
How about Porky's? Porky's is -

D Dave Chow 13:59
A wonderful 80s movie.

M Matt Mio, Ph.D. 14:00
Sure,

B Beth Oljar 14:01
Sausage?

M Matt Mio, Ph.D. 14:02
It's a movie. It is also sausage. But when someone says "You're Porky's", you're doing something that you probably shouldn't be doing,

B Beth Oljar 14:03
Eating too much?

M Matt Mio, Ph.D. 14:04
Matt Mio

Mm-mm.

- D** Dan Maggio 14:12
Is it breaking the law?
- M** Matt Mio, Ph.D. 14:15
I mean, no, not really breaking the law.
- D** Dave Chow 14:18
Eating cats and dogs,
- M** Matt Mio, Ph.D. 14:19
Something that we might say that politicians were doing a lot of during the debate.
- E** Erin Bell 14:19
Oh, telling porkies. Lying.
- M** Matt Mio, Ph.D. 14:23
Yeah, lying, lying. So- "Porkies!" I'm gonna - Well, this one is also fairly well known, "spending a penny". "I have to go spend a penny",
- D** Danielle Maxwell 14:35
Spending a lot of money?
- M** Matt Mio, Ph.D. 14:36
Mm-mm. Nothing to do with money,
- E** Erin Bell 14:38
Is it "going to the bathroom" again

M Matt Mio, Ph.D. 14:39
Going to the bathroom.

E Erin Bell 14:40
You had to pay?

M Matt Mio, Ph.D. 14:42
Back in the day, you used to -

J James Tubbs 14:43
Oh, it used to cost you a penny.

M Matt Mio, Ph.D. 14:44
It used to cost a penny, yeah. Yonks?

D Dan Maggio 14:47
That's not especially fair.

M Matt Mio, Ph.D. 14:50
I mean, that's old school.

D Dave Chow 14:51
Yonks?

E Erin Bell 14:51
Now it's all digital too , and if your card isn't working -

B Beth Oljar 14:55
Y-o-n-k-s

M Matt Mio, Ph.D. 14:55

Y o, n, k, s. Yonks!

D Dave Chow 14:57

Wait a minute,. This is something like Shaggy would say on SCOOBY-DOO

D Danielle Maxwell 14:59

I was thinking "Jinkies"

B Beth Oljar 15:00

I know.

D Danielle Maxwell 15:00

Something like that,

B Beth Oljar 15:01

I thought it meant like "far away", or I always -

M Matt Mio, Ph.D. 15:04

You're pretty close. It means something that hasn't happened for a long period of time. "Oh, that was yonks". That was like a long time ago,

B Beth Oljar 15:11

It's time rather than distance.

M Matt Mio, Ph.D. 15:12

Pretty good, pretty good. If someone has "a face from Kent" or "a Kent face", as in the city, k e n t, (The professors laugh)

J James Tubbs 15:13

They look like Queen Victoria.

B Beth Oljar 15:13
Its a whole region of England, actually.

M Matt Mio, Ph.D. 15:16
What is a Kent face? K - e - n - t,

B Beth Oljar 15:24
Really? Queen Victoria?

M Matt Mio, Ph.D. 15:30
Is it Northern face, Southern face?

J James Tubbs 15:36
No, it's southern. Kent is south of London. Um, let me see. A Kent face.

D Dave Chow 15:38
Ruddy?

M Matt Mio, Ph.D. 15:43
It certainly means a face directly. But what does the Kent part mean?

B Beth Oljar 15:46
Horse?

M Matt Mio, Ph.D. 15:49
Mm-mm

D Dave Chow 15:49
-

Round shape

 Mara Livezey 15:51
Angry

 James Tubbs 15:52
Stern?

 Matt Mio, Ph.D. 15:54
It means, if you see somebody you think you recognize, like is familiar, "Oh, they have a Kent face"

 James Tubbs 15:58
Yeah, like Queen Victoria, yeah.

 Dave Chow 16:00
Or Clark Kent

 Matt Mio, Ph.D. 16:01
Sure, sure "Bob's your uncle". I mean, that's a classic,

 James Tubbs 16:06
Yeah

 Matt Mio, Ph.D. 16:06
What does it mean?

 Dave Chow 16:08
I can't remember.

M Matt Mio, Ph.D. 16:09
"Bob's your uncle".

M Mara Livezey 16:11
I have no idea, but I've heard it a lot

M Matt Mio, Ph.D. 16:12
Oh, you've never heard that one.

E Erin Bell 16:13
I've heard of it, but I just don't know what it is.

M Matt Mio, Ph.D. 16:15
Basically it means "I could do that easy".

M Mara Livezey 16:17
Right

M Matt Mio, Ph.D. 16:18
Easy peasy would be the equivalent "Bob's your uncle".

B Beth Oljar 16:22
Well, now I know

M Matt Mio, Ph.D. 16:25
Oh, "you're all bums and parsley". I love it.

D Dave Chow 16:28
I beg your pardon

- M** Matt Mio, Ph.D. 16:30
We've moved away from that highfalutin part of this series.
- D** Dave Chow 16:33
It sounds like a salad
- M** Matt Mio, Ph.D. 16:35
"You're all bums and parsley". You've been doing a lot of something lately, and not drugs,
- D** Dave Chow 16:42
Nothing in organic chemistry.
- D** Dan Maggio 16:44
You're sleeping a lot?
- M** Matt Mio, Ph.D. 16:45
No, not sleeping .
- D** Dan Maggio 16:47
Cooking a lot,
- J** James Tubbs 16:49
Eating a lot.
- M** Matt Mio, Ph.D. 16:49
You've got a lot of good things going on in your life, and you're letting everybody know about it.
So you're all bums and parsley
- D** Dan Maggio 16:55
Celebrating?

D Dave Chow 16:56
Proud?

D Danielle Maxwell 16:57
Bragging?

M Matt Mio, Ph.D. 16:57
Bragging.

M Mara Livezey 16:58
Bragging. Wow

M Matt Mio, Ph.D. 17:00
Braggadocios.

B Beth Oljar 17:01
But, what a juxtaposition of bum! I mean, yeah, I'm still trying to get those two things together.

D Dave Chow 17:08
Bums and parsley should not be in the same sentence, right?

J James Tubbs 17:11
Yeah, they should not be in the same area either. (The professors laugh)

M Matt Mio, Ph.D. 17:14
Also true.

M Mara Livezey 17:15
Well, at least not at first

M Matt Mio, Ph.D. 17:17
Right. What happens when you're throwing a wobbly? Ooh, that's not good.

D Dan Maggio 17:23
Throwing a fit.

D Dave Chow 17:24
Tossing cookies?

M Matt Mio, Ph.D. 17:24
Getting angry,

D Dan Maggio 17:26
Like a little baby

D Dave Chow 17:27
Okay, I thought like throwing up or something.

M Matt Mio, Ph.D. 17:28
Yep. Blues and twos, B, L, U, E, S and T, W, O, S. Blues and twos.

D Dave Chow 17:34
Something Mara's child is stepping into

D Dan Maggio 17:36
Is it a bar related? Drinking, dancing?

M Matt Mio, Ph.D. 17:39
It's not drinking, dancing or bars. None

it's not drinking, dancing or cars. Nope,

D Dan Maggio 17:42
But you got excited for a minute.

D Danielle Maxwell 17:43
Music?

M Mara Livezey 17:44
Use it in a sentence.

D Dan Maggio 17:45
Oh,

B Beth Oljar 17:46
Pairs of soldiers.

M Matt Mio, Ph.D. 17:47
"I was stuck in traffic the other day, and we had to stop because of blues and twos".

D Dan Maggio 17:53
Oh, cops.

M Matt Mio, Ph.D. 17:54
I mean, close enough. It's actually any emergency vehicle,

M Mara Livezey 17:58
Okay,

M Matt Mio, Ph.D. 17:59

Trying to work its way through. A classic brekky, b, r, e, k, k, y,

D Danielle Maxwell 18:04
Breakfast

M Matt Mio, Ph.D. 18:05
It's breakfast. Yes, I think brekky is great.

M Mara Livezey 18:07
That's cute

B Beth Oljar 18:08
Presumably for a - Well, maybe they have a separate name for a full English breakfast.

J James Tubbs 18:11
They tend to add a Y as a diminutive on almost any word

D Dave Chow 18:13
Is it like us, adding like an S to every store we go to?

M Matt Mio, Ph.D. 18:15
Yeah. Ford's

M Mara Livezey 18:22
Meijer's

D Dave Chow 18:23
Kmart's, Kresge's

M Matt Mio. Ph.D. 18:24

What's a bum bag? Don't think too hard.

D Dave Chow 18:26
Backpack

J James Tubbs 18:26
Backpack,

M Matt Mio, Ph.D. 18:28
Uh -

J James Tubbs 18:28
A fanny pack,

M Matt Mio, Ph.D. 18:29
A fanny pack. Yes, although we're not allowed to call it that anymore.

D Danielle Maxwell 18:32
A belt bag

B Beth Oljar 18:33
Why can't we call it that?

M Matt Mio, Ph.D. 18:37
Because young people are wearing them, but they wear them -

D Danielle Maxwell 18:39
We wear them across our bodies, therefore they're a belt bag.

M Mara Livezey 18:41
I dont wear them like that

D Danielle Maxwell 18:42
Fanny packs are are not cool. Belt bags are.

B Beth Oljar 18:44
I call those crossbody bags

M Matt Mio, Ph.D. 18:45
Sure, exactly the same thing

E Erin Bell 18:47
I call it a fanny pack

J James Tubbs 18:48
I do too.

M Matt Mio, Ph.D. 18:48
They are big with young people.

B Beth Oljar 18:50
Okay.

M Mara Livezey 18:51
I still wear mine on my fanny.

E Erin Bell 18:52
I love them. I use them to work out all the time. I put my phone in.

M Mara Livezey 18:56
If go to a English Department meeting, I can use it for the recording.

M Matt Mio, Ph.D. 19:02
How about a pelican crossing? What's a pelican crossing?

D Dan Maggio 19:04
Crosswalk?

M Mara Livezey 19:04
Yeah,

D Dave Chow 19:04
Pelican cross walk?

M Matt Mio, Ph.D. 19:09
Wait, I'm sorry,

D Dan Maggio 19:10
Just a crosswalk?

M Matt Mio, Ph.D. 19:11
It's just a crosswalk. Yeah.

D Dave Chow 19:13
But why pelican?

M Matt Mio, Ph.D. 19:14
I don't know pedestrian misspelled maybe.

D Dave Chow 19:18
Egret, heron? What other birds?

J James Tubbs 19:20
Vulture,

M Matt Mio, Ph.D. 19:24
How about a plonk, P, L, O, N, K,

D Dave Chow 19:27
Drunk,

M Matt Mio, Ph.D. 19:27
Plonk. No, that's not what it says,

D Dave Chow 19:30
Almost drunk.

M Matt Mio, Ph.D. 19:30
It is an object, and it could fit into the drink category. That's what I would say.

D Dan Maggio 19:35
Ice Cube.

D Dave Chow 19:36
A beer?

M Matt Mio, Ph.D. 19:37
Nope. Nope.

B Beth Oljar 19:39
A shot glass

M Matt Mio, Ph.D. 19:40
No.

B Beth Oljar 19:40
A shot of something.

M Matt Mio, Ph.D. 19:41
Mm-mm. I'm not sure there's anything about the word that would put you in the right way.

D Dan Maggio 19:46
I'm plum out of good ideas

M Mara Livezey 19:47
Drink category,

B Beth Oljar 19:49
I thought that just meant to fall into water.

D Dan Maggio 19:52
So could it be like an olive?

M Matt Mio, Ph.D. 19:54
No, no.

D Dave Chow 19:55
Sounds like a wonderful set of drinks.

M Matt Mio, Ph.D. 19:57
Well, it used to be two Buck Chuck, but I think it. Up to about five now, what would you say that is?

D Dan Maggio 20:02
Wine?

M Mara Livezey 20:02
Cheap wine. Cheap wine.

D Dave Chow 20:04
Oh, like a Mogen David

M Matt Mio, Ph.D. 20:08
Is it up to about five bucks now? Might be 10

M Mara Livezey 20:10
Something like that. Yeah

D Danielle Maxwell 20:11
It depends on where you go. At Aldi's it's cheap. \$3

M Matt Mio, Ph.D. 20:13
Well, there you go, Three-buck Chuck. What is Shank's Pony?

D Dave Chow 20:17
The winner of the horse race today

D Dan Maggio 20:21

Who's Shank?

M Matt Mio, Ph.D. 20:22
(Laughs) and what's the deal with their pony?

D Dave Chow 20:26
This sounds like a Queen Victoria thing

D Dan Maggio 20:29
That was a line from Jerry Seinfeld. Very good.

M Mara Livezey 20:31
These are hard.

M Matt Mio, Ph.D. 20:32
They are hard. So you're leaving, I mean, a lot of these -

D Dan Maggio 20:35
Is it a taxi, like a taxi,

M Matt Mio, Ph.D. 20:37
Not a taxi, You're leaving a bar, and you've had a very large amount to drink, so you're not gonna drive, and so you're gonna Shanks pony,

D Dan Maggio 20:38
An Uber.

B Beth Oljar 20:48
Call an Uber

D Dave Chow 20:48
Call a cab

M Matt Mio, Ph.D. 20:48
Mm-mm

B Beth Oljar 20:50
Just walk home

M Matt Mio, Ph.D. 20:52
Exactly like "I'm taking Shank's pony", meaning I'm walking home.

M Mara Livezey 20:56
That makes more sense, because there's lots of local pubs.

M Matt Mio, Ph.D. 20:59
There you go. Things don't have that much of around here. Uh, fairly well known "sleeping policeman". They're getting installed a lot around here.

D Dave Chow 21:08
Cameras?

D Danielle Maxwell 21:08
Cameras

M Matt Mio, Ph.D. 21:10
I'm shocked you don't know this one.

D Dan Maggio 21:11
Sleeping policeman?

M Matt Mio, Ph.D. 21:12
What's a sleeping policeman?

J James Tubbs 21:13
Oh, CTV camera,

M Matt Mio, Ph.D. 21:15
No . I thought this was a classic

D Dan Maggio 21:19
An empty cop car?

M Matt Mio, Ph.D. 21:20
No, I want to say there's one of these near Beth's House.

D Dave Chow 21:21
Radar gun?

D Dan Maggio 21:22
Oh, a speedbump.

M Matt Mio, Ph.D. 21:22
Near Beth's house. A speedbump.

M Mara Livezey 21:24
Oh, that makes sense

M Matt Mio, Ph.D. 21:31
Sleeping policeman - as if he was lying in the middle - (or she) - in the middle of the road and getting run over

getting run over.

B Beth Oljar 21:36
I have never heard that.

M Matt Mio, Ph.D. 21:37
Oh, man. They are all over in Royal Oak now, just all over.

D Dave Chow 21:43
The Meijers-

M Matt Mio, Ph.D. 21:43
Yeah,

D Dave Chow 21:44
at 13 and Woodward

B Beth Oljar 21:44
There are a bunch in my neighborhood too

M Matt Mio, Ph.D. 21:45
Yep, yep, absolutely

M Mara Livezey 21:47
That's good.

D Dave Chow 21:47
Learn how to sneak past them.

M Matt Mio, Ph.D. 21:48

"Well, stone the crows". When are you gonna say that?

D Dave Chow 21:52
Erin, What's up with the birds here all of a sudden?

E Erin Bell 21:53
I dont know

D Dan Maggio 21:54
Is that "Stay up all night".

M Matt Mio, Ph.D. 21:57
Nope, nope.

B Beth Oljar 21:58
Is it like "by gosh or by God!"

M Matt Mio, Ph.D. 22:00
Yeah, exclamation of surprise, like, "Oh, stone the crows. Oh, we're all having dinner together".
Yeah, exactly. "Toad in the hole". Come on. It's not a bird.

B Beth Oljar 22:10
It's sausage in popover batter,

M Matt Mio, Ph.D. 22:13
Yeah, basically,

B Beth Oljar 22:13
And it's delicious

—

M Matt Mio, Ph.D. 22:14
Batter baked sausages.

D Dan Maggio 22:15
Very good. I was wondering when they were gonna get the food.

M Matt Mio, Ph.D. 22:19
(Laughs)

M Mara Livezey 22:19
Yeah, come on

D Dan Maggio 22:22
One of the British baking shows?

M Matt Mio, Ph.D. 22:22
Oh my gosh

D Dave Chow 22:28
I don't know if we can call this slang. I mean, it is what it is. Aubergine is? -

J James Tubbs 22:35
Eggplant

M Matt Mio, Ph.D. 22:36
Eggplant

B Beth Oljar 22:38
and a zucchini is a - ?

M Matt Mio, Ph.D. 22:41
I should know this. Is it "courgette",

B Beth Oljar 22:43
Yep

M Mara Livezey 22:44
Oh yeah. Courgette. We do see that in "Bake Off". And they say "filett" instead of "filet"

B Beth Oljar 22:48
I remember Drew used to say "Well, why the heck would they put a T on the end, if you're not gonna pronounce it?" And I'm like okay, this is a british french thing with you, isn't it?

M Matt Mio, Ph.D. 22:50
"filett" instead of "filet" Clearly, No, clearly. That was a fantastic set of questions. Thank you very much, Julie.

D Dave Chow 23:08
They were tough.

M Matt Mio, Ph.D. 23:09
She knew we were gonna have some fun with a few of them. And we can move on to another set with the time that we have left here.

B Beth Oljar 23:16
It's not like, you know, when the Brits talk about a jumper, what is that, right? Why do you not want to say you're stuffed.

M Matt Mio, Ph.D. 23:23
Right

D Dan Maggio 23:24
Jumper is a sweat shirt, right?

B Beth Oljar 23:26
A sweater?.

D Dan Maggio 23:27
Sweater.

M Matt Mio, Ph.D. 23:27
"Profs, we've had some fun a few times with these "What do these have in common" questions. So in a fit of laziness, I decided to steal the idea and send more. For each list, the fewer items you hear before guessing the link correctly, the more points you get. Professor Mio will decide how many points, because, as I mentioned, I'm having a fit of laziness. As always. Thanks for the fun. All the best, Nat Pike of Livonia, Michigan". Thank you for sending these in. The following 10 hit records have something in common. What connects them? I Will Always Love You, by Whitney Houston, 1992

D Dave Chow 24:05
Dolly Parton wrote them.

M Matt Mio, Ph.D. 24:07
Nope.

D Dave Chow 24:08
Okay,

M Matt Mio, Ph.D. 24:08
All Along The Watchtower. Jimi Hendrix, 1968

B Beth Oljar 24:12
Remakes.

M Matt Mio, Ph.D. 24:13
They're all covers. They're all covers

D Dave Chow 24:17
Sung by somebody else.

M Matt Mio, Ph.D. 24:18
The rest of the list is "Respect," by Aretha Franklin, "Tainted Love" by Soft Cell. "Nothing Compares To You. Sinead O'Connor, "Blinded By The Light" by Manfred Mann,. "Hallelujah, by Jeff Buckley. "I Love Rock and Roll," Joan Jett, "Red Red Wine. UB40, "The First Cut Is The Deepest" by Rod Stewart. They're all covers. Now, we already got the first one done. Level two, who were, I mean, we heard the cover artist. Who's the original artist. "I Will Always Love You" is Dolly Parton.

J James Tubbs 24:48
Okay

M Matt Mio, Ph.D. 24:48
"All Along The Watchtower".

B Beth Oljar 24:50
Bob Dylan

E Erin Bell 24:50
Uh, your boy.

M Matt Mio, Ph.D. 24:51
Bob Dylan

E Erin Bell 24:53
I was like, "Timothee Chalamet?" Sorry.

- M** Matt Mio, Ph.D. 24:53
That's awesome. I guess Jacob Kagey's brother is going to appear in that movie. We're gonna have to look for him.
- E** Erin Bell 25:02
That's cool
- M** Mara Livezey 25:04
What? That's cool. Yeah, the Bob Dylan movie. RESPECT by Aretha Franklin. Don't think too hard.
- J** James Tubbs 25:09
Otis Redding
- M** Matt Mio, Ph.D. 25:10
it was Otis Redding, yeah, that's right. Nice, Tainted Love.
- D** Dan Maggio 25:15
This is the one I wanted to know. I didn't realize this was-
- B** Beth Oljar 25:19
I'm a 60's fan.
- M** Matt Mio, Ph.D. 25:20
This was 65. And it's Motown-ish, even though it wasn't produced by Motown.
- E** Erin Bell 25:29
Wow
- D** Dave Chow 25:31

Dave Chow 25:31
it wasn't like Sam and Dave or anything like that. Was it?

M Matt Mio, Ph.D. 25:33
No, but you're like so close. It's Gloria Jones, it's not who you would expect. "Nothing Compares To You".

E Erin Bell 25:40
Didn't Prince write that?

M Matt Mio, Ph.D. 25:42
Prince. Yes. The family, yes, 1985. "Blinded By The Light"

B Beth Oljar 25:47
Bruce Springsteen

M Matt Mio, Ph.D. 25:48
Springsteen. "Hallelujah" Leonard Cohen, Leonard Cohen

D Dave Chow 25:56
Fellow Canadian. Thank you.

M Matt Mio, Ph.D. 25:57
"I Love Rock N Roll".

E Erin Bell 26:00
Also did not know this was a cover.

M Matt Mio, Ph.D. 26:01
This is,

B Beth Oljar 26:02
I was under the impression Joan had written that.

D Dave Chow 26:05
You're thinking Joan Jet?t

M Matt Mio, Ph.D. 26:07
So Joan Jett performed that first in '81. This was written in 1975 and performed by a band that I've never heard of before.

E Erin Bell 26:15
Oh, well, that helps

J James Tubbs 26:17
Well, then I don't think we have either

B Beth Oljar 26:19
Suzi Quatro? I mean, she was a huge Joan - I mean, Joan Jett was a huge Suzi Quatro fan.

D Dave Chow 26:25
A derivative.

M Matt Mio, Ph.D. 26:26
They are The Arrows is what they were called.

J James Tubbs 26:29
They were The Arrows.

D Dave Chow 26:30
They were named after Canadian chocolate bar

M Matt Mio, Ph.D. 26:33
Red Red wine was originally,

D Dave Chow 26:36
Oh -

M Matt Mio, Ph.D. 26:38
I'm sort of surprised.

D Dave Chow 26:40
I've heard it

E Erin Bell 26:41
Really?

M Matt Mio, Ph.D. 26:42
It was UB40 in the 80s, but in the 60s, it was written and performed by - You're never going to get it.

B Beth Oljar 26:42
Peter, Paul and Mary

M Matt Mio, Ph.D. 26:49
No, we already heard this performer mentioned at this sitting.

B Beth Oljar 26:54
Aretha Frankin?

D Dave Chow 26:55

Oh, Im going to kick myself

M Matt Mio, Ph.D. 26:56
Neil Diamond

D Dave Chow 26:57
Yes you're right.

E Erin Bell 26:58
Oh my gosh. I did hear that.

M Matt Mio, Ph.D. 27:00
"The First Cut Is The Deepest", that was original Rod Stewart, '77; but back in '67 - He was known by many names back in the 60s,

J James Tubbs 27:12
known by many nanes?

D Dave Chow 27:14
D.B Cooper? Mm-mm

E Erin Bell 27:15
Cat Stevens

M Matt Mio, Ph.D. 27:16
Cat Stevens.

M Mara Livezey 27:18
Oh, yeah

M Matt Mio, Ph.D. 27:19
Awesome job. Look at that.

M Mara Livezey 27:21
Very good

M Matt Mio, Ph.D. 27:21
That's great. On the topic of hit songs, what do all these hits have in common? Here we go.
We're getting them in chronological order. "Will You Love Me Tomorrow", The Shirelles;
"Locomotion" Little Eva; "One Fine Day", the Chiffons.

J James Tubbs 27:40
They're all Motown.

B Beth Oljar 27:41
They're all women

J James Tubbs 27:42
Motown Girl groups

M Matt Mio, Ph.D. 27:44
"Up On The Roof" The Drifters.

B Beth Oljar 27:46
Okay, stop the girl groups,

D Dave Chow 27:48
Duos, trios.

M Matt Mio, Ph.D. 27:49
"I'm Into Something Good", Herman's Hermits,

- E** Erin Bell 27:52
Movies, films?

- D** Danielle Maxwell 27:54
Songs Danielle does not know.

- M** Matt Mio, Ph.D. 27:55
Hey, you know all these songs

- D** Dan Maggio 27:57
They debuted at number 1?

- J** James Tubbs 27:58
(Sings) "Don't bring me down"

- M** Matt Mio, Ph.D. 27:58
"Don't Bring Me Down", The Animals. "Crying In The Rain", Everly Brothers.

- D** Dan Maggio 28:06
Were they with movies?

- M** Matt Mio, Ph.D. 28:09
"Just Once In My Life", The Righteous Brothers.

- B** Beth Oljar 28:12
Yeah, the duos, trios.

- D** Dave Chow 28:14
...

Were they produced by somebody in particular?

M Matt Mio, Ph.D. 28:17
"Pleasant Valley Sunday", The Monkees.

D Dave Chow 28:20
Neil Diamond?

E Erin Bell 28:21
Yeah.

D Dave Chow 28:21
Don Kirchner?

B Beth Oljar 28:22
They're all here by Mike Naismith.

M Matt Mio, Ph.D. 28:24
No "Natural Woman", Aretha Franklin,

D Dave Chow 28:30
Jerry Wexler?

E Erin Bell 28:31
They've been used in advertisements?

M Matt Mio, Ph.D. 28:33
That - I mean -

D Dave Chow 28:33

That's a given, almost.

M Matt Mio, Ph.D. 28:35

I try to convince the young people that every time they really like a song, it's gonna be used to sell hemorrhoid cream before they die. And that's just the way it's gonna be. If Iggy Pop's, "Heroin" is now selling Carnival cruises, then anything is possible. No, those were all written by the same person.

B Beth Oljar 28:54

Carol King?

M Matt Mio, Ph.D. 28:55

Carol King. There we go. Very nice.

B Beth Oljar 28:58

Well, as soon as you got to "Natural Woman". I'm like, "Well, okay."

M Matt Mio, Ph.D. 29:02

(Laughs) I believe that they were put in that order for a reason. Yeah, they're all written by the same person.

E Erin Bell 29:06

Wow

M Matt Mio, Ph.D. 29:07

it's kind of a big deal. Those are mega hits.

B Beth Oljar 29:09

If you want to see a movie that's kind of loosely based on her life, I highly recommend it called "Grace Of My Heart". It's absolutely amazing.

J James Tuhhs 29:15

 James Tubbs 29:15

And "Beautiful" is a great musical play, because it's unbelievable the stuff that you know that you didn't know she wrote

 Matt Mio, Ph.D. 29:17

Right

 James Tubbs 29:17

comes out in there

 Matt Mio, Ph.D. 29:17

Nice, It reminds me -

 James Tubbs 29:29

Working out of the Buell Building in New York.

 Matt Mio, Ph.D. 29:30

Nice. The Detroit Symphony Orchestra had tribute to Alan Menken this last spring. And every person I told that I went to go see it is like, "Huh?!" And then you're like, Well, "Beauty And The Beast", "Alladin"

 Beth Oljar 29:31

Have you watched any Disney movies ?

 Matt Mio, Ph.D. 29:40

Yeah, Little Shop of Horrors, you know. It's absolutely incredible music. But you know, professors were having such a good time. But the time has also come for us to say goodbye. Beth.

 Beth Oljar 29:58

Goodbye.

 Matt Mio, Ph.D. 29:59

 Matt Mio, Ph.D. 29:59
Dave.

 Dave Chow 29:59
See ya.

 Matt Mio, Ph.D. 30:00
Dan,

 Dan Maggio 30:01
Goodbye,

 Matt Mio, Ph.D. 30:01
Jim,

 James Tubbs 30:02
Goodbye.

 Matt Mio, Ph.D. 30:02
Erin

 Erin Bell 30:03
Bye, bye,

 Matt Mio, Ph.D. 30:03
Mara

 Mara Livezey 30:04
See you later.

M Matt Mio, Ph.D. 30:04
And Danielle

D Danielle Maxwell 30:05
Adios,

M Matt Mio, Ph.D. 30:06
And now these words from University of Detroit Mercy.
