## SUMMARY KEYWORDS

University of Detroit Mercy, Ask the Professor, wedding anniversary, leather passport cover, Clawson Steakhouse, birthday dinner, Phineas and Ferb, Simon Pegg, C-3PO, Forever stamp, Albert Einstein, Levi's leather jacket, Ricky Henderson, Toy Story 4, Aventura restaurant.

## SPEAKERS

Matt Mio, Ph.D., Professors, Michael Jayson, Danielle Maxwell, Molly Barlow, Heather Hill, Dave Chow, Stephen Manning, Dan Maggio, James Tubbs

---

**M** Matt Mio, Ph.D. 00:02  
The University tower chimes ring in another session of Ask the Professor, the show on which you match wits with University of Detroit Mercy professors in an unrehearsed session of questions and answers. I'm your host, Matt Mio, and let me introduce to you our panel for today. To my left is Professor Danielle Maxwell

**D** Danielle Maxwell 00:17  
Good to be here.

**M** Matt Mio, Ph.D. 00:19  
Good to have you here. Now you have two pieces of cake in front of you.

**D** Danielle Maxwell 00:22  
I do

**M** Matt Mio, Ph.D. 00:22  
So, I am assuming that one is for Dr Brian

**D** Danielle Maxwell 00:24

One is for Dr Brian, yes, if it makes it home.

 Matt Mio, Ph.D. 00:27  
Oh. There you go.

 Dave Chow 00:27  
If. If.

 Matt Mio, Ph.D. 00:28  
It is a long drive back to Ann Arbor,

 Danielle Maxwell 00:31  
and we are celebrating our wedding anniversary tonight.

 Professors 00:33  
Aww.

 Dave Chow 00:35  
Which one is it?

 Danielle Maxwell 00:36  
Three.

 Matt Mio, Ph.D. 00:37  
Three.

 Matt Mio, Ph.D. 00:38  
We all know what the third anniversary is.

 Danielle Maxwell 00:39

I don't know what the third anniversary is.

Matt Mio, Ph.D. 00:40

Bumpy cake.

Dave Chow 00:40

No

Matt Mio, Ph.D. 00:41

Oh

Dave Chow 00:42

You guys don't remember? We had that question years ago.

Dan Maggio 00:44

Paper?

Dave Chow 00:44

Leather.

Matt Mio, Ph.D. 00:45

Oh, my gosh!

James Tubbs 00:46

Leather.

Dave Chow 00:46

It's the leather anniversary.

Danielle Marshall 00:48

 Danielle Maxwell 00:48  
Aww!. I actually got him leather. (Laughs) I got him a passport cover.

 Matt Mio, Ph.D. 00:53  
Wow, that's awesome.

 Danielle Maxwell 00:55  
I didn't even plan that. Yeah, that was a gift. Leather passport cover. (The professors laugh)

 Stephen Manning 01:02  
Let's all just relax.

 Matt Mio, Ph.D. 01:03  
Well, it's better than all the other materials that it could be.

 Stephen Manning 01:06  
We don't have time for a second show, do we?

 James Tubbs 01:09  
No chains. Just whips

 Heather Hill 01:11  
You're funny.

 Matt Mio, Ph.D. 01:12  
Okay, continuing on. You know she's got a cough.

 Stephen Manning 01:17  
This is a family show,

—

-  Matt Mio, Ph.D. 01:19  
A family show. Poor Michael's gonna have to edit this down to the only usable 10 seconds. We just got started.
-  Stephen Manning 01:25  
He's in there laughing.
-  Matt Mio, Ph.D. 01:26  
Dan, do you think we could get this show back on the rails.
-  Dan Maggio 01:30  
I'm sorry. I can't hear you over the cackling
-  Dave Chow 01:32  
(laughs)
-  Matt Mio, Ph.D. 01:35  
Dan, you said you had a special dinner for your birthday. But you didn't go out. You actually cooked.
-  Dan Maggio 01:42  
Right. I actually went out on Saturday.
-  Matt Mio, Ph.D. 01:44  
Oh!
-  Dan Maggio 01:45  
Went to the Clawson Steakhouse.
-  Matt Mio, Ph.D. 01:45  
Clawson Steakhouse. How nice.

 Dave Chow 01:49  
and you had leather.

 Matt Mio, Ph.D. 01:49  
just because, yeah,

 Dan Maggio 01:51  
but then Tuesday was low key

 Matt Mio, Ph.D. 01:53  
Okay. There's nothing wrong with that. That's good.

 Stephen Manning 01:56  
How is the Clawson Steakhouse? It's

 Dan Maggio 01:58  
It's still as kitschy as anything.

 Stephen Manning 02:00  
But is it good?

 Dave Chow 02:01  
Yes

 Dan Maggio 02:02  
Oh yeah,

 Stephen Manning 02:03  
I've driven by a million times, including once today, we drove by

I've driven by a million times, including once today, we drove by.

 **Dan Maggio 02:06**  
You'll definitely get a good steak there. And if you go on Saturday night, you'll have the the entertainment

 **Dave Chow 02:12**  
Was it the Ron James Trio.

 **Dan Maggio 02:14**  
It is still

 **Dave Chow 02:15**  
Mind you, he plays there and he also plays Boodles around 11 and I 75

 **Dan Maggio 02:18**  
I have been to Boodles too.

 **Dave Chow 02:20**  
Yes, both wonderful places.

 **Matt Mio, Ph.D. 02:22**  
We are once again graced with the presence of Professor Molly Barlow from the Department of English. Thanks for joining us.

 **Molly Barlow 02:27**  
Thanks for having me.

 **Matt Mio, Ph.D. 02:27**  
Absolutely. So your birthday wasn't recently, was it?

 Molly Barlow 02:31  
No

 Matt Mio, Ph.D. 02:32  
Okay, so where's your favorite place to go out to eat when it's your birthday around here.

 Molly Barlow 02:37  
On my last birthday, I went and took myself for ribs.

 Matt Mio, Ph.D. 02:39  
Okay. Nice.

 James Tubbs 02:40  
I like barbecue, absolutely. Lockhart,

 Dave Chow 02:42  
Lockhart's? Slows?

 Molly Barlow 02:44  
No. I was at Smokey Bones on the east side. So,

 Matt Mio, Ph.D. 02:49  
Yeah, very, very nice. It's about time to see all the billows of smoke from the parking lots in the city. That's what spring is all about in Detroit. Let's be serious. The Anthony Bourdain principle - cooking your meal in a parking lot. I love that. I love that.

 Stephen Manning 03:03  
That sounds like it could be a Burroughs - the extra questions we do at the other thing. What's your -

 Dave Chow 03:09

favorite barbecue?

Matt Mio, Ph.D. 03:10

Where's your favorite barbecue?

Stephen Manning 03:11

Well, not barbecue, but birthday dinner.

Matt Mio, Ph.D. 03:15

We'll stick on that. Hold on. We'll put a pin in that for right now. Professor Jim Tubbs is here with us today.

James Tubbs 03:21

Hello, hello.

Matt Mio, Ph.D. 03:21

How are you doing?

James Tubbs 03:22

Good, good.

Matt Mio, Ph.D. 03:23

Well, gosh, what's the fare on the cruise while you're in Central America?

James Tubbs 03:27

What's the - the eating fare?

Matt Mio, Ph.D. 03:30

The eating fare. F, A, R, E, yes.

J James Tubbs 03:33  
Well, it was good.

J James Tubbs 03:35  
He ate so much of it,, he couldn't remember

M Matt Mio, Ph.D. 03:35  
atOkay

J James Tubbs 03:37  
Had a lot of beef, a lot of fish, which I appreciated.

M Matt Mio, Ph.D. 03:41  
Yep

J James Tubbs 03:42  
and a lot of shellfish.

M Matt Mio, Ph.D. 03:45  
Okay

J James Tubbs 03:46  
It was wonderful, really good. I was on a PRINCESS cruise ship.

M Matt Mio, Ph.D. 03:50  
Yep,

J James Tubbs 03:51  
Actually, I think it's like one of their smallest ones, the Coral Princess. But I liked the size of it because it wasn't huge.

 Matt Mio, Ph.D. 04:00  
Sure

 James Tubbs 04:01  
It had about 2000 passengers.

 Matt Mio, Ph.D. 04:02  
Oh, nice.

 Dave Chow 04:02  
So Gopher and Isaac and all those people fed you well?

 James Tubbs 04:06  
They did. They fed me very well

 Molly Barlow 04:08  
I'm old enough to get that.

 James Tubbs 04:09  
Well, one of my, you know, desiderata for a cruise ship is that it have an open Promenade deck that goes all the way around - so you can just walk around after you eat.

 Dave Chow 04:19  
Okay, I thought you were gonna say so you throw your food overboard.

 Molly Barlow 04:22  
(Laughs) That's what I'm thinking.

 Matt Mio, Ph.D. 04:30

Love it. Our staff, uh, Love Boat incarnate is Professor Dave Chow.

**D** Dave Chow 04:36

Pleasure to be here as always,

**M** Matt Mio, Ph.D. 04:37

Excellent. I've always saw you as sort of an Isaac, you know, making drinks for everybody, giving advice. You know.

**D** Dave Chow 04:43

Yeah, I can see that.

**J** James Tubbs 04:44

By the way. Do you know that one of your TV selections on a on a PRINCESS Cruise is old episodes of The Love Boat?

**M** Matt Mio, Ph.D. 04:51

And why not?

**J** James Tubbs 04:52

They've got them all.

**M** Matt Mio, Ph.D. 04:54

Laughs)

**D** Dan Maggio 04:54

Do they show the TITANIC too? (The professors laugh)

**D** Dave Chow 04:54

Really?

Dan Maggio 05:00  
The Poseidon Adventure.

Danielle Maxwell 05:01  
No, they have a live reenactment of every cruise.

Dave Chow 05:05  
Is it like showing AIRPLANE on a flight out?

Matt Mio, Ph.D. 05:08  
Wow.

Heather Hill 05:08  
Or Poseidon Adventure?

Matt Mio, Ph.D. 05:10  
Oh, my gosh! That's incredible.

James Tubbs 05:15  
with the great Shelly Winters.

Heather Hill 05:17  
The great Shelly Winters swimming

Dave Chow 05:18  
The swimming is wonderful.

Matt Mio, Ph.D. 05:20  
Professor Stephen Manning, we need to reel it back in again. I need your help. Like, we're totally en fuego today.

**S** Stephen Manning 05:27  
You can count on me.

**M** Matt Mio, Ph.D. 05:28  
Okay, (The professors laugh)

**H** Heather Hill 05:30  
Yeah, right.

**J** James Tubbs 05:31  
We will, Stephen.

**M** Matt Mio, Ph.D. 05:32  
So let me throw this out there. No pun intended. You know, it was quite the thumb snubbing of the Detroit Tigers last night to have Kirk Gibson throw out the first pitch in a Dodgers jersey on opening day. That hurt a lot. That's all I'm saying. It's nice to see Gibby as it always is, but -

**D** Dave Chow 05:53  
He's their hero too.

**J** James Tubbs 05:54  
Well, that was his most recent team

**D** Dave Chow 05:55  
Okay, would it have been better if he showed up in a Michigan State outfit?

**M** Matt Mio, Ph.D. 05:55  
Yeah. but, you know, we like to think that he's ours. New jerseys,, by the way, the blue trim was replaced with gold, and it felt a little over the top last night for the Dodgers.

 Matt Mio, Ph.D. 06:02  
Absolutely. they're playing tonight.

 Dave Chow 06:12  
I know.

 Matt Mio, Ph.D. 06:13  
Go State, Go Michigan. Sort of, I don't know. Go blue.

 Danielle Maxwell 06:16  
That's right. Oh, you finally said it.

 Matt Mio, Ph.D. 06:18  
Yep. Tonight. And if they win, they're playing each other on Sunday.

 Dave Chow 06:21  
I saw that.

 Danielle Maxwell 06:22  
Very exciting.

 Stephen Manning 06:23  
Cool.

 Danielle Maxwell 06:25  
Professor Heather Hill is also here with us today, and you're working on some sort of an app

 Heather Hill 06:29  
I did. I finally -

 Matt Mio, Ph.D. 06:30  
Is this the countdown?

 Heather Hill 06:31  
Yeah, I found the countdown app.

 Matt Mio, Ph.D. 06:33  
Oh, there you go. How many days?

 Heather Hill 06:34  
One month, three -

 Stephen Manning 06:36  
But it's not moving

 Dave Chow 06:37  
Not fast enough

 James Tubbs 06:38  
Oh, until you step down from your exalted position?

 Heather Hill 06:41  
Yeah, it doesn't have seconds on it.

 Matt Mio, Ph.D. 06:42  
Oh, we've got to work on that.

 Dave Chow 06:43  
Exalted? I thought it was exhausted.

 James Tubbs 06:45  
That too.

 Heather Hill 06:46  
One month, three days, seven hours and 40 minutes.

 Matt Mio, Ph.D. 06:49  
But who's counting? Yeah, that happens.

 Danielle Maxwell 06:52  
Maybe when you lose the month part, it'll have the seconds that pop up.

 Matt Mio, Ph.D. 06:54  
Yeah

 Dave Chow 06:54  
Hey. Is it any worse than like, Kendra counting down, you know, her weeks?

 Matt Mio, Ph.D. 06:58  
Oh yes, absolutely. Folks, this is a program where you can send us questions regarding anything. It's been a while since we've had a question about how long it takes to do things, maybe measuring time, I don't know. If you stump the panel, you win a prize. If you don't stump the panel, you win a prize. Send us the questions in a number of ways. You can email us at ATP@UDMercy.edu, find us on Facebook and Instagram, or listen on your favorite smart speaker by asking it to play Ask The Professor at University of Detroit Mercy. We were right in the middle of an awesome set of questions from Frank and the family Burroughs. We've got to finish these. So let's dive right in.

 Heather Hill 06:58  
Let's do it.

 Matt Mio, Ph.D. 07:00

**M** Matt Mio, Ph.D. 07:09  
We had just heard that Anthony Daniels ended up essentially being second or third choice for C-3PO. And then he brought the idea that his proper British accent would make the character more like a butler versus George Lucas's original plan, a sleazy New York used car dealer persona. What Star Trek actor has also voiced C-3PO in a cartoon version? This is pretty nice, very recent kids show. So I'm looking at the Gen Z right now.

**D** Danielle Maxwell 07:15  
You think I know Star Trek?

**M** Matt Mio, Ph.D. 08:03  
No, what I think you know is the cartoon that it appeared on.

**D** Danielle Maxwell 08:06  
Okay

**M** Matt Mio, Ph.D. 08:07  
So, it's a classic Disney TV cartoon where it's two friends, one talks, one doesn't. Both of their heads are shaped like triangles.

**D** Danielle Maxwell 08:17  
Oh, Phineas and Ferb.

**M** Matt Mio, Ph.D. 08:17  
Phineas and Ferb was the show, but who was a modern Star Trek actor who voiced C-3PO, with a British accent on that show?

**D** Dave Chow 08:18  
Simon Pegg.

**M** Matt Mio, Ph.D. 08:18  
Simon Pegg is the correct answer. Yeah

 Dave Chow 08:18  
That's the only one I'm thinking of that could do British or Scottish.

 Danielle Maxwell 08:21  
I don't know my Star Trek.

 Matt Mio, Ph.D. 08:34  
It's alright. He played Scotty on the more recent movies.

 Dave Chow 08:37  
Yep, yep.

 Matt Mio, Ph.D. 08:38  
You know, I'm guessing if you saw Simon Pegg, you'd know who Simon Pegg is.

 Danielle Maxwell 08:41  
Okay.

 Dave Chow 08:43  
What were his other movies?

 Molly Barlow 08:44  
Shaun Of The Dead,

 Dave Chow 08:45  
Shaun of the Dead. Yes.

 Matt Mio, Ph.D. 08:46  
Hot Fuzz.

**D** Dave Chow 08:47  
Yes. Much better.

**M** Matt Mio, Ph.D. 08:50  
Have you ever seen a cassette tape before, Professor Maxwell?

**D** Danielle Maxwell 08:52  
I have seen a cassette tape before.

**D** Dave Chow 08:54  
So for a very short while before CDs, we also had cassette singles. So I was joking a little bit like, what was the top selling cassette single? Oh, no. It was only one that sold.

**M** Matt Mio, Ph.D. 09:04  
Do you?

**J** James Tubbs 09:04  
I think I still have a cassette player somewhere at home.

**S** Stephen Manning 09:04  
I have a cassette player. I have hundreds of cassettes, and I still play them.

**M** Matt Mio, Ph.D. 09:10  
That's fine, but cassette singles always crack me up because they were only, like, three minutes long.

**S** Stephen Manning 09:10  
And I'll tell you this too, most of the cassettes I have I recorded myself, (Heather begins playing a song from her phone)

 Danielle Maxwell 09:18  
I've never heard this song.

 Matt Mio, Ph.D. 09:22  
Oh, from the radio,

 Stephen Manning 09:23  
No, from an LP.

 Matt Mio, Ph.D. 09:24  
Oh, sure,

 Stephen Manning 09:25  
From an LP. And the ones I recorded myself -

 Matt Mio, Ph.D. 09:28  
Yep

 Stephen Manning 09:29  
are better than the ones that were pre recorded that I bought.

 James Tubbs 09:32  
Oh, yeah, sometimes

 Molly Barlow 09:32  
Mixtapes are always better than albums

 Matt Mio, Ph.D. 09:35  
Heather's starting a dance party. This is like -

**J** James Tubbs 09:38  
I would had a car with both a cassette deck and a CD player in it.

**M** Matt Mio, Ph.D. 09:42  
Oh, good. I thought you were gonna say eight track. Did you know that Senator Bernie Sanders was once the mayor of what U.S . city?

**S** Stephen Manning 09:49  
Burlington

**J** James Tubbs 09:50  
Burlington, Vermont.

**M** Matt Mio, Ph.D. 09:51  
Burlington

**J** James Tubbs 09:52  
How he can't get rid of his Brooklyn accent, I don't know, but -

**M** Matt Mio, Ph.D. 09:57  
Hey, he's a key player in the history of Detroit Mercy at this point. We owe him for our dental school moving to Vermont. So that's kind of a big deal. In the King Kong movies, (I mean, if my 12 year old were here, he'd say "in the lore"), In what ocean is Skull Island found?

**M** Molly Barlow 09:58  
The Indian Ocean.

**M** Matt Mio, Ph.D. 10:14  
It is the Indian Ocean. Once again, I looked up at the American map, and

**J** James Tubbs 10:20

there it is.

M

Matt Mio, Ph.D. 10:23

It's in the middle of Thunder Bay. Yeah, exactly. I bet the Gen Xers know this one off the top of their head. What was the image on the first ever forever stamp that was sold back in the 90s?

D

Dan Maggio 10:34

Oh, wow. American flag

M

Matt Mio, Ph.D. 10:35

. It wasn't the American flag. That's a really good choice. That's what came after this.

M

Matt Mio, Ph.D. 10:38

It was the Liberty Bell. It was the Liberty Bell.

H

Heather Hill 10:38

The Liberty Bell.

S

Stephen Manning 10:42

Yeah

D

Dave Chow 10:43

Now, that being said, how much were the first ones?

D

Dan Maggio 10:46

43?

M

Molly Barlow 10:49

In thee 40s?

 Dave Chow 10:50  
Almost 60 cents.

 Heather Hill 10:51  
Really?

 Molly Barlow 10:52  
No, the first Forever stamps were in the mid 40's

 James Tubbs 10:54  
I think it was 65 cents or something like that.

 Molly Barlow 10:56  
It went up again.

 Danielle Maxwell 10:57  
It was probably, like, 12 cents back then.

 Heather Hill 11:00  
23 cents.

 James Tubbs 11:00  
I'm still using up Forever stamps.

 Dave Chow 11:03  
All I know is my Christmas cards to my cousins cost me a fortune in Canada as always,

 Matt Mio, Ph.D. 11:06  
As always. What do Jim Dodson, Doug Geating Jim Hankins and Mount McKinley all have in common as names?

 Danielle Maxwell 11:15  
not Jim.

 Matt Mio, Ph.D. 11:16  
Mm-mm.

 Danielle Maxwell 11:16  
Say the names again.

 Matt Mio, Ph.D. 11:17  
Jim Dodson, Doug Geating Jim Hankins and Mount McKinley.

 Dave Chow 11:22  
I was gonna say waist size, but that won't be right. Yeah,

 Dan Maggio 11:25  
They have the same letters?

 Heather Hill 11:26  
Are they at the same elevation?

 Matt Mio, Ph.D. 11:29  
No, it has nothing to do with the mountain.

 Heather Hill 11:31  
Oh, okay,

 Molly Barlow 11:32  
Jim - what now?

M Matt Mio, Ph.D. 11:34  
Jim Dodson, Doug Geating, Jim Hankins and Mount McKinley. Oh, my gosh.

H Heather Hill 11:39  
Wait a minute, these people and the mount -

M Matt Mio, Ph.D. 11:42  
They're actually not people

M Matt Mio, Ph.D. 11:43  
Mount McKinley?

M Matt Mio, Ph.D. 11:44  
Mount McKinley was the name of something shared by Jim Dodson, Doug Keating and Jim Hankins.

H Heather Hill 11:50  
They're wrestlers?

M Matt Mio, Ph.D. 11:51  
You'll have to look this up. They're not wrestlers.

D Dan Maggio 11:54  
Are they pet names?

M Matt Mio, Ph.D. 11:55  
They're not names of pets.

S Stephen Manning 11:57

They're all in Alaska?

Matt Mio, Ph.D. 11:59

No. I mean, that's a reasonable guess because of Mount McKinley and all that.

Dan Maggio 12:03

Are they road names - or streets?

Matt Mio, Ph.D. 12:05

They're not names of streets. They're names of businesses that all did the same thing. This is interesting to me. I think this is just before us as a generation.

Dave Chow 12:16

They're cruise liners that Jim's never sailed on.

Matt Mio, Ph.D. 12:18

You're a lot closer than you think you are.

Dave Chow 12:21

What? What'd I do?

Heather Hill 12:22

Planes?

Matt Mio, Ph.D. 12:24

They are airlines. They're defunct airlines.

James Tubbs 12:29

Good grief!

 Heather Hill 12:30  
Oh, I said planes. I said planes.

 Matt Mio, Ph.D. 12:32  
Yeah, you got it. You got it. Jim Dodson, Doug Geating, Jim Hankins and Mount McKinley were all separate defunct airlines in the United States,

 Dan Maggio 12:40  
In this country?

 Matt Mio, Ph.D. 12:40  
Yeah

 Danielle Maxwell 12:40  
Can you imagine flying on Jim Hankins?

 James Tubbs 12:42  
I can remember People's Express,

 Heather Hill 12:45  
(Sings) If you know what I mean"

 Danielle Maxwell 12:46  
Like - Jim Hankins is having a sale on their ticketsw.

 Heather Hill 12:50  
Just keep going there. Danielle, just keep going.

 Matt Mio, Ph.D. 12:54  
There was a time in the, you know, for every business where there's a lot of a little bit of competition. and then it kind of. you know. gets bought out and narrows down.

competency, and then kind of, you know, get caught up and have the same

**J** James Tubbs 13:02

Well, what happened was they just got deregulated all at one time in 1979 so all kinds of smaller airlines sprouted up and then didn't last.

**D** Danielle Maxwell 13:10

They would have an awesome slogan. I'm like, "We're gonna have some Hankin' fun" (laughs) or something like that.

**M** Matt Mio, Ph.D. 13:14

"We love to fly. And it shows. Doug Geating Airlines". (Laughs) Can't even wrap my head around it.

**H** Heather Hill 13:20

"Fly Doug".

**M** Matt Mio, Ph.D. 13:21

Fly Doug. Professors, what is the largest county in the Commonwealth of Massachusetts? Now you can look up there,

**S** Stephen Manning 13:29

Suffolk.

**M** Matt Mio, Ph.D. 13:29

It doesn't say Suffolk,

**D** Danielle Maxwell 13:33

Norfolk. No,

**D** Danielle Maxwell 13:34

Is it where Boston is?

M Matt Mio, Ph.D. 13:35  
I'm sure I don't know.

M Matt Mio, Ph.D. 13:37  
Okay. So not that one.

S Stephen Manning 13:37  
That's Suffolk

M Matt Mio, Ph.D. 13:37  
It starts with the letter "M"

D Danielle Maxwell 13:40  
Manchester? I don't know

S Stephen Manning 13:42  
Merrimack. It's in Western Mass.

M Matt Mio, Ph.D. 13:45  
Shared by a famous County in Britain. In England,

M Matt Mio, Ph.D. 13:47  
Manchester?

M Matt Mio, Ph.D. 13:49  
No

S Stephen Manning 13:50  
Essex.

D Dave Chow 13:54  
Man alive.

S Stephen Manning 13:55  
County Cork

J James Tubbs 13:57  
Middlesex

M Matt Mio, Ph.D. 13:58  
Middlesex.

D Dan Maggio 13:59  
Oh, there you go.

S Stephen Manning 14:01  
Yes

M Matt Mio, Ph.D. 14:03  
(Laughs) Heather's "Meh"

D Dave Chow 14:05  
I'm like, watching Matt, like, perform an exorcism,

H Heather Hill 14:07  
I was just doing that for comic effect.

S Stephen Manning 14:09

You were doing your Vermont accent.

**H** Heather Hill 14:11

Yeah, maybe I was

**D** Dave Chow 14:12

It was like watching an exorcism here,

**H** Heather Hill 14:16

My Vermont accent,

**M** Matt Mio, Ph.D. 14:17

At least from my lifetime, one of these two people is essentially one of the most prolific performers in the history of performing. Which two singers performed on the Cheek to Cheek tour. 2014 2015 A very recent young performer mixed with a very -

**D** Dan Maggio 14:32

Lady Gaga and Tony Bennett..

**M** Matt Mio, Ph.D. 14:36

Yes. He literally was mid 90s and still out there performing.

**H** Heather Hill 14:36

Yes

**D** Dave Chow 14:41

And didn't they say that -

**D** Dan Maggio 14:42

and battling Alzheimer's disease.

**D** Dave Chow 14:43  
Yeah, didn't they say that, because he was singing, he was still in the zone. But once he stopped singing, he was -

**J** James Tubbs 14:48  
Yeah, didn't know where he was.

**D** Dave Chow 14:50  
Off in La-la Land.

**M** Matt Mio, Ph.D. 14:51  
after the whatever it was, the Oscars, when I saw Mick Jagger on the stage, I'm like they are going on tour again this summer, so they're gonna give them a run for their money.

**D** Dave Chow 14:59  
They've got a new album coming out.

**M** Matt Mio, Ph.D. 14:59  
Oh, my gosh.

**J** James Tubbs 15:00  
It's amazing what sex and drugs can do for you - in terms of longevity.

**H** Heather Hill 15:06  
41 cents.

**M** Matt Mio, Ph.D. 15:07  
Oh, that was the original Forever stamp. 41 cents. Yeah.

**D** Dan Maggio 15:11  
- - - - -

41. Okay. Thank you.

- M** Matt Mio, Ph.D. 15:13  
In July 2016 ,Christie's Auction House sold this person's Levi's leather jacket for a record 110,000 pounds. Who owned that jacket?
- D** Dan Maggio 15:23  
Tina Turner.
- D** Dave Chow 15:23  
James Dean.
- M** Matt Mio, Ph.D. 15:24  
Neither of the names I've heard. This person was not an entertainer
- D** Danielle Maxwell 15:27  
Oh, not Beyonce then
- S** Stephen Manning 15:31  
Not an entertainer. What was he?
- M** Matt Mio, Ph.D. 15:33  
Levi's leather jacket. If I say who he was, the next thing out of your mouth will be the absolute answer
- S** Stephen Manning 15:39  
Did he ride a motorcycle?
- M** Matt Mio, Ph.D. 15:40  
He is arguably the most famous scientist of all time/smartest person that ever lived.

 Heather Hill 15:47  
Bill Nye.

 James Tubbs 15:48  
Stephen Hawking.

 Molly Barlow 15:48  
Albert Einstein,

 Matt Mio, Ph.D. 15:49  
Albert Einstein is who owned that jacket.

 Heather Hill 15:52  
Albert Einstein had a Levi's leather jacket?

 Matt Mio, Ph.D. 15:55  
Absolutely,

 Danielle Maxwell 15:56  
I can't imagine that

 Dave Chow 15:57  
He barely wore socks.

 Matt Mio, Ph.D. 15:57  
Absolutely.

 Dan Maggio 15:58  
Did it have little button pins on the collar?

 Molly Barlow 15:58  
I'm not seeing denim or leather

 Danielle Maxwell 16:02  
a little Benzene pen

 Matt Mio, Ph.D. 16:04  
Don't you mean flare. Dan?

 Heather Hill 16:09  
Yes. flare,

 Stephen Manning 16:09  
Wow.

 Matt Mio, Ph.D. 16:09  
No. It wasn't Dragnet.

 Matt Mio, Ph.D. 16:09  
I will tell you this much. I think you literally only hear the surname once in the whole movie, and you hear the word "Jack" a lot in this movie.

 Heather Hill 16:09  
Oh, it's a movie.

 Matt Mio, Ph.D. 16:09  
(Laughs) You're right.

 Matt Mio, Ph.D. 16:09  
Albert Einstein himself.

ALBERT EINSTEIN HILBORN

 Danielle Maxwell 16:09  
Wow.

 Matt Mio, Ph.D. 16:09  
In what action movie would you find the police office character named Jack Traven? Who is Jack Traven?

 Molly Barlow 16:09  
Dragnet?

 Heather Hill 16:09  
Adam 12

 Matt Mio, Ph.D. 16:09  
Yep. In what action movie would you find a police office by the name of Jack Traven?

 Dan Maggio 16:12  
It's not TERMINATOR, is it?

 Matt Mio, Ph.D. 16:39  
No.

 Heather Hill 16:40  
POLICE ACADEMY.

 Matt Mio, Ph.D. 16:41  
No. That's a good guess.

 Heather Hill 16:42

 Heather Hill 16:43  
Thank you.

 Heather Hill 16:43  
Beverly Hills Cop.

 Heather Hill 16:44  
Not Beverly Hills Cop

 Heather Hill 16:46  
but did you give us the era?

 Matt Mio, Ph.D. 16:50  
Oh, uh -

 Heather Hill 16:51  
No, it's okay. If you didn't, I just -

 Matt Mio, Ph.D. 16:52  
I did not, I would say I'm doing my best. I'm pretty sure it's 90s. Yeah.

 Dan Maggio 16:59  
Is it a comedy or a thriller?

 Matt Mio, Ph.D. 17:00  
It's a thriller with a little, tiny comedy edge.

 Molly Barlow 17:04  
It's not Die Hard, is it?

- M** Matt Mio, Ph.D. 17:04  
You're getting in the zone, Professor Barlow. Die Hard is not it? But you're getting closer.
- D** Dave Chow 17:09  
Now is it a Bruce Willis vehicle?
- M** Matt Mio, Ph.D. 17:12  
I mean, I could tell you who the villain was, and then you're like, well, now I know exactly what it is. Can you picture Dennis Hopper saying, "Come on, Jack, Jack". He said Jack a lot in that movie.
- M** Molly Barlow 17:22  
I can hear it in my head.
- S** Stephen Manning 17:23  
Dennis Hopper.
- M** Matt Mio, Ph.D. 17:24  
Dennis Hopper is the villain. Oh, man. I thought that was a total give-away.
- D** Danielle Maxwell 17:26  
Is it THE SHINING?
- M** Matt Mio, Ph.D. 17:28  
No
- D** Dan Maggio 17:28  
I can hear it too. And I can't
- J** James Tubbs 17:30  
BLUE VELVET

M Matt Mio, Ph.D. 17:31  
No, it's an action movie.

J James Tubbs 17:33  
Dennis Hopper

M Matt Mio, Ph.D. 17:35  
Mm-hm. If I tell you that this character was played by Keanu Reeves, you're gonna tell me it's -

D Dave Chow 17:40  
SPEED

M Matt Mio, Ph.D. 17:41  
SPEED yes, yes. I cannot let a SPEED reference go by without the famous Simpsons quote.

D Dave Chow 17:45  
"When busses could jump"

M Matt Mio, Ph.D. 17:49  
Yeah, exactly, "when busses could jump" from The Simpsons, Homer talking to his friend on the phone. "I saw this movie. It went really fast the other night. The speed of the bus couldn't go below 50. And if it did, da, da, da, I think it was called the bus that couldn't slow down".

D Danielle Maxwell 18:07  
(Laughs)

M Matt Mio, Ph.D. 18:07  
That's one of my favorite Simpsons jokes. Out of the 4275 registered female names counted in the 1990 US census, where does the name Kendra rank?

 James Tubbs 18:21  
250

 Danielle Maxwell 18:23  
76

 Matt Mio, Ph.D. 18:23  
I don't even know how to -

 Dan Maggio 18:27  
2300

 Matt Mio, Ph.D. 18:28  
Poor Kendra. I mean, you're actually a little bit closer.

 Dave Chow 18:32  
Somebody call her up and ask.

 Matt Mio, Ph.D. 18:33  
Two from the bottom

 Dan Maggio 18:34  
1800

 Matt Mio, Ph.D. 18:34  
No, it's higher than that. But, I mean, I don't even know where to begin. It's not in the top 300.

 Dave Chow 18:41  
Aww.

 Danielle Maxwell 18:41  
So 400

 Dave Chow 18:44  
It's 403rd among registered female nurse names.

 Danielle Maxwell 18:50  
Aww, Poor Kendra. Well, I guess she has a unique name.

 Dan Maggio 18:52  
It seems like there are a lot of female names.

 Matt Mio, Ph.D. 18:54  
Yeah.

 Dan Maggio 18:55  
I feel like there should be, like, 10s of 1000s of different names,

 Dave Chow 19:00  
but who ranks them?

 Matt Mio, Ph.D. 19:00  
I will go out there and say, and I know that I'm apologizing ahead of time Professor Maxwell, that we had someone in my high school whose name was Rhiannon, and they were completely oblivious to the fact that that was a very famous song by Fleetwood Mac.

 James Tubbs 19:15  
And became a very popular name

 Matt Mio, Ph.D. 19:16

Exactly, and it became a very, very popular name afterwards. So this is kind of wild, but Kendra became really, really popular after what unbelievably popular book series revealed that it was the name of, well, I was about to give it away, Professor Dumbledore's mother's name was Kendra in Harry Potter shot back up into the top 10 again because people wanted to name their kids after Harry Potter characters.

D

Dave Chow 19:38

I was gonna say - people got named Dumbledore?

M

Matt Mio, Ph.D. 19:39

Yeah, exactly, Kendra Dumbledore

D

Danielle Maxwell 19:42

(Laughs) I have Kendra and Elvis as my children.

M

Matt Mio, Ph.D. 19:45

I feel like some of these questions might have been written for specific people. Maybe that one was more for Kendra. This one is definitely written for Stephen. In the movie Toy Story 4, there's a very funny part where an Oakland A's bobblehead figure is voiced by what very famous Oakland A

S

Stephen Manning 20:05

Rollie Fingers

D

Dave Chow 20:06

Vida Blue.

M

Matt Mio, Ph.D. 20:06

Nope, but that's a great guess

M

Molly Barlow 20:09

Reggie?

 Dave Chow 20:10  
Joe Rudi

 Stephen Manning 20:13  
Slugger, slugger.

 Matt Mio, Ph.D. 20:15  
He was a big slugger.

 Stephen Manning 20:18  
He played for another team too.

 Matt Mio, Ph.D. 20:19  
He did.

 Stephen Manning 20:20  
Uh, don't tell me.

 Matt Mio, Ph.D. 20:24  
Professor Barlow, use the letter R and I'm gonna channel you into the R.

 Dave Chow 20:29  
Oh, great. Here we go again with another exorcism.

 Danielle Maxwell 20:30  
Roger

 Matt Mio, Ph.D. 20:31  
Nope.

 Danielle Maxwell 20:31  
Reggie

 Matt Mio, Ph.D. 20:32  
Nope. It definitely sounds like a little boy version of the name.

 Heather Hill 20:36  
Robbie

 Matt Mio, Ph.D. 20:37  
No,

 Molly Barlow 20:38  
Ronnie.

 Matt Mio, Ph.D. 20:41  
It's hurting everybody.

 Heather Hill 20:43  
Reggie

 Danielle Maxwell 20:44  
Mickey Mantle

 Stephen Manning 20:45  
Ricky Henderson.

 Matt Mio, Ph.D. 20:46  
Ricky Henderson. Yeah, there we go. Molly went down like all the little boy names.

**H** Heather Hill 20:52  
He was a great base stealer.

**M** Matt Mio, Ph.D. 20:55  
Absolutely.

**S** Stephen Manning 20:57  
had the record for many years.

**D** Dave Chow 20:58  
Wait a minute. I'm trying to remember. Who's the other one, Tim, who's the guy that played for Montreal? You know who I'm talking about?

**D** Danielle Maxwell 21:07  
Tim McGraw, my favorite baseball player. (Laughs)

**H** Heather Hill 21:13  
There probably is a Tim McGraw out there somewhere playing baseball

**M** Matt Mio, Ph.D. 21:18  
There just has to be. Wow. That was - Thank you for those questions Frank and the family Burroughs. That was really, really awesome.

**S** Stephen Manning 21:24  
What was the Ricky Henderson question again? I lost the whole thing.

**M** Matt Mio, Ph.D. 21:27  
It's okay. So in the movie, animated movie, Toy Story 4, oh yeah, in sort of like an antique shop, and there was a bobblehead for the A's, and it was voiced, actually by Ricky Henderson. I was gonna say - Tommy LaSorda? (The professors laugh)

- M** Matt Mio, Ph.D. 21:42  
So we'll go back to where Stephen said we should go like, it's your birthday and you get to go out to any restaurant to eat. Like, what's your - I actually already know the way Professor Maxwell is going to answer.
- D** Danielle Maxwell 21:43  
I'm going there tonight.
- D** Dave Chow 21:45  
I bet you are. TelMaMatat
- M** Matt Mio, Ph.D. 21:57  
Tell everybody your favorite.
- D** Danielle Maxwell 21:58  
My favorite restaurant is Aventura. It is a tapas restaurant in Ann Arbor. We are getting tapas and Sangria tonight.
- H** Heather Hill 22:04  
Aventura is a wonderful restaurant. It's one of our favorites, too. We love Aventura. yeah, yeah, not that. I mean, I don't know, I'm not volunteering that it's necessarily my birthday place
- M** Matt Mio, Ph.D. 22:14  
Right.
- H** Heather Hill 22:14  
But -
- D** Danielle Maxwell 22:14  
We could record an ATP episode there, potentially, just saying, throwing it out there.

 Heather Hill 22:18  
Oh, wow

 Stephen Manning 22:19  
It's a great restaurant.

 Heather Hill 22:20  
They have a room down there. There's a room in the basement where they do wine tastings. I think Michael could have a great set up right there.

 Danielle Maxwell 22:30  
Exactly

 Matt Mio, Ph.D. 22:30  
We've gotta keep this in mind.

 Heather Hill 22:32  
Oh, it's a wonderful restaurant.

 Stephen Manning 22:34  
We had a tasting meal there once.

 Heather Hill 22:35  
We had a couple of tasting meals there before, and we know the somelier Kevin

 Stephen Manning 22:40  
Great restaurant.

 Danielle Maxwell 22:41  
There's got to be some internal grant funds here we can use to foster community, and we can

just have an ATP dinner.

 Heather Hill 22:41  
Yeah,

 Matt Mio, Ph.D. 22:46  
Oh, my gosh.

 Heather Hill 22:47  
All right, I'm gonna ponder -

 Matt Mio, Ph.D. 22:49  
ponder

 Heather Hill 22:50  
my response to this.

 Matt Mio, Ph.D. 22:51  
Since Professor Barlow is sort of new here, we don't really go in any sort of order. We're just sort of barking things out. We know that Dan's favorite restaurant of all time is Clawson Steakhouse.

 Dan Maggio 22:59  
No

 Matt Mio, Ph.D. 23:00  
I'm joking. What is your favorite - Well, I mean, if you had another choice -it

 Dan Maggio 23:05  
It would have to be Italian.

 Matt Mio, Ph.D. 23:06  
Oh, okay

 Stephen Manning 23:06  
I thought you were gonna say Zeff's,

 Danielle Maxwell 23:08  
How about Olive Garden then?

 Heather Hill 23:13  
If somebody was gonna take you out for dinner, where would you like to be taken?

 Dan Maggio 23:13  
I don't know

 Danielle Maxwell 23:18  
Don't worry about budget. Dream big.

 Dan Maggio 23:20  
I usually go to Antonio's on 14 Mile Road, They're pretty good, although they did sell, so the owners are not actually Italian anymore.

 Dave Chow 23:27  
Dan, what about that place I sent you to in Windsor? Do you remember that?

 Dan Maggio 23:32  
On Erie Street?

 Dave Chow 23:34  
No

**S** Stephen Manning 23:35  
That's Italian, The Cook's Shop

**D** Dave Chow 23:36  
Yeah. Um, no.

**D** Dan Maggio 23:37  
Yeah, and the Factory House

**S** Stephen Manning 23:41  
Yes, because the restaurants in the basement. You walk down, yeah,

**D** Dan Maggio 23:44  
We used to go there in college. No, what was above it?

**S** Stephen Manning 23:55  
Was it a shop?

**D** Dan Maggio 23:58  
No, it was a restaurant.

**S** Stephen Manning 23:59  
I've never been above

**H** Heather Hill 24:00  
a more casual restaurant?

**D** Dan Maggio 24:01  
Well, wonder that while some kids stay near

we'll ponder that while somebody else goes,

 Matt Mio, Ph.D. 24:02

Yeah. What else do we got here? Even if it's one that we wouldn't know because it's not local, you know, it's always nice.

 James Tubbs 24:08

Well, actually, one of my favorites is a part of a chain. I like Maggiano's.

 Matt Mio, Ph.D. 24:09

Sure

 James Tubbs 24:12

and that's where I went for my last birthday.

 Matt Mio, Ph.D. 24:17

Nice.

 James Tubbs 24:18

But my favorite is actually in Sedona,

 Matt Mio, Ph.D. 24:21

That's okay too.

 James Tubbs 24:22

Elote.

 Stephen Manning 24:23

Elote. Yes.

**J** James Tubbs 24:26  
That's a great place, but now you have to get a reservation months ahead of time.

**S** Stephen Manning 24:30  
Well, you can't get one until 30 days ahead of time. So I've written in my thing 30 days before.  
So it didn't used to be that way. You used to have to wait in line.

**J** James Tubbs 24:53  
I know

**M** Matt Mio, Ph.D. 24:54  
SheWolf, or whatever it is now,

**H** Heather Hill 24:57  
Oak & Reel is wonderful. Freya is good.

**S** Stephen Manning 24:58  
no reservations.

**D** Dave Chow 24:59  
Selden Standard

**M** Matt Mio, Ph.D. 25:01  
Oh, my gosh.

**H** Heather Hill 25:02  
That's really good.

**D** Dave Chow 25:03  
Black Ginger was amazing, until they went belly up.

 James Tubbs 25:03  
I've waited in line there many times.

 Heather Hill 25:06  
That's on my list

 Heather Hill 25:06  
I think I would pick Oak & Reel.

 Matt Mio, Ph.D. 25:08  
Okay,

 Heather Hill 25:08  
even though we were just there last night. Oak & Reel is a wonderful restaurant.

 Heather Hill 25:12  
Mabel Gray is wonderful.

 Matt Mio, Ph.D. 25:13  
That's a great way to remember it. You must have had a good experience.

 Stephen Manning 25:14  
I was gonna say that too, despite the fact that we were there last night.

 Stephen Manning 25:15  
Yeah.

 Dave Chow 25:16  
Mabel Gray.

Heather Hill 25:17

It would be someplace in Detroit, but I mean, there in the last several years, there are so many wonderful restaurants that have popped up.

Heather Hill 25:20

Yeah, we've been there a few times.

Matt Mio, Ph.D. 25:20

Absolutely

Stephen Manning 25:21

Yeah

Matt Mio, Ph.D. 25:22

That's cool. I think that's very cool.

Heather Hill 25:24

Molly, did you already -

Molly Barlow 25:26

I would probably end up at The Melting Pot, to be perfectly honest.

Matt Mio, Ph.D. 25:30

Yes. Royal Oak, right?

Molly Barlow 25:31

No, actually, Troy is the one closest to me. Yeah, because who doesn't like dipping stuff into other stuff?

James Tubb 25:38

 James Robbins 25:30  
Yeah

 Danielle Maxwell 25:38  
Exactly.

 Matt Mio, Ph.D. 25:40  
That's the way to go, right there. There was one in DTR for a while. I don't even know if it's actually still there.

 Stephen Manning 25:46  
Didn't there used to be, you know, a small Italian place in Clawson, the same side of the street as the steak place?

 Molly Barlow 25:53  
Yeah

 Matt Mio, Ph.D. 25:57  
So, that was Due Venti

 Stephen Manning 25:58  
Yeah, that's right,

 Matt Mio, Ph.D. 25:59  
one of my favorite restaurants of all times. They went out of business - ish, and tried to reopen in Berkley. And it never happened, because the pandemic started

 Dave Chow 26:07  
That was the one - Was that the one with the motor scooter inside the dining room?

 Matt Mio, Ph.D. 26:11  
Basically, and it was all like the chef was making your food when you ordered it. It was all

Northern Italian.

**S** Stephen Manning 26:18  
Yeah

**M** Matt Mio, Ph.D. 26:18  
We got my grandmother there once. She fell in love with it, being from the Venice area. So

**S** Stephen Manning 26:22  
And there were like, four tables, four, five. Delicious. It was great.

**H** Heather Hill 26:28  
Oh, I remember that place. It was Northern Italian

**M** Matt Mio, Ph.D. 26:30  
Yeah,

**H** Heather Hill 26:31  
Yeah, yeah. We went there

**M** Matt Mio, Ph.D. 26:34  
Long gone, folks.

**H** Heather Hill 26:35  
Okay, I'm sorry

**S** Stephen Manning 26:35  
That's what we've been talking about.

**H** Heather Hill 26:36

 Heather Hill 26:36  
I'm sorry. It just clicked. I'm sorry.

 Stephen Manning 26:38  
See, if you don't look at your phone all the time, you'd get the -

 Heather Hill 26:42  
I know. I apologize for being on my phone a lot today.

 Matt Mio, Ph.D. 26:45  
It's okay. You've got there's other things you've got to do. We know it.

 Danielle Maxwell 26:49  
What about you, Professor Chow?

 Dave Chow 26:52  
The first place that comes to mind is El Barzon .

 Danielle Maxwell 26:55  
Oh, okay.

 Matt Mio, Ph.D. 26:55  
Of course.

 Dave Chow 26:57  
I've never gone wrong. So,

 Matt Mio, Ph.D. 26:59  
Yep, absolutely

**D** Dave Chow 27:00  
That's where we would take out-of-town guest artists

**S** Stephen Manning 27:03  
I have a woman in my piano class whose birthday is coming up, and that's where she's going.

**M** Matt Mio, Ph.D. 27:08  
There you go.

**D** Dave Chow 27:08  
I've never gone wrong.

**D** Danielle Maxwell 27:11  
I don't think we've heard yours.

**M** Matt Mio, Ph.D. 27:11  
You know, I honestly, I'm glad you brought up Due Venti, because now it's like locked in my brain forever, because it can never return. And it was just absolutely wonderful. But I gotta be honest, we are very lucky, and if I say I'm gonna walk to a restaurant, I'm not going to Vinsetta Garage

**D** Dave Chow 27:28  
Thank you

**M** Matt Mio, Ph.D. 27:29  
but I might walk over to Kruse & Muer's and get some fish tacos, and that makes me very happy.

**D** Dave Chow 27:33  
Oh, actually, Matt, Paint Creek Tavern in downtown Rochester, grouper tacos.

**M** Matt Mio, Ph.D. 27:39

 Matt Mio, Ph.D. 27:39

Oh, well. See, this is the time of year for fish tacos. We were in San Diego. I got them a bunch of times.

 Danielle Maxwell 27:45

The one thing you wanted was fish tacos.

 Matt Mio, Ph.D. 27:46

So delicious. Oh, professors, I'm so sorry the screen just turned red. The time has come for us to say goodbye and thank you Heather, Stephen, Jim, Molly, Dave and Danielle. And now these words

 Michael Jayson 28:12

You can email Ask The Professor at ATP, at UDMercy.edu, or visit the Ask the Professor Facebook page,

 Matt Mio, Ph.D. 28:21

Ask The Professor is produced and directed by Michael Jayson and Brian Maisonville, and our executive producer is Professor Jason Roche. Until next week, I'm your host. Matt Mio.
