Edwin DeWindt 00:14

The University of Detroit Mercy presents "tell me your symptoms". The University of Detroit Mercy tower chimes ring in another session of Ask the Professor, otherwise known as the University Of Detroit Mercy home medical advisor, the radio show on which you match wits with University of Detroit Mercy professors and compare your symptoms and experiences with doctors in an unrehearsed session of questions and answers. I'm your host -
- C

Claire Crabtree 00:42

No childbirth stories
- E

Edwin DeWindt 00:43

No childbirth stories, but we're big on polyps. I'm your host, Edwin DeWindt, and today we have almost the whole darn crew with us.
- H

Hugh Culik 00:51

You always bring the administrators in to it

 Edwin DeWindt 00:51
I always bring the administrators in, I'll tell you. On my right, from the Department of Religious Studies, the chair of that department, Professor George Pickering

 George Pickering 00:51
Pleasure to be here, as always

 Edwin DeWindt 00:57
And there's nothing wrong with George.

 George Pickering 01:08
Pleasure to be able to sit still. Pleasure to be able to speak.

 Edwin DeWindt 01:13
(Laughs) On his right from the Department of History and the assistant dean of the College of Liberal Arts, Professor Kathy Bush.

 Kathy Bush 01:22
Hello Edwin

 Edwin DeWindt 01:23
Hello Kathy. And on Kathy's right, also from the Department of History, and still chairman of nothing,

 Gregory Sumner 01:28
We're working on it

 Edwin DeWindt 01:29
Working on it. Professor Greg Sumner

Gregory Sumner 01:31

I'm not a doctor, but I play one on radio.

Edwin DeWindt 01:39

And on Greg's right from the Department of English, the sometime director of Women's Studies, Professor Claire Crabtree,

Claire Crabtree 01:46

Hi. And wasn't there a Seals & Crofts song The King Of Nothing? I think so. It was the king of nothing.

George Pickering 01:56

Well, Greg's the king of nothing.

Claire Crabtree 01:57

(Sings) "Still the king of nothing". Greg was three at the time.

Gregory Sumner 02:04

Seals & Crofts will appreciate the plug. That catalog is not moving.

Edwin DeWindt 02:11

(Laughs) And on Claire's right, my left, from the Department of English and the director of the Writing Across the Curriculum Program, otherwise known as the writhing across the curriculum program, and the director or managing editor, whatever you call that thing, of SIC

Hugh Culik 02:31

That thing for which we receive release time for

Edwin DeWindt 02:37

All of one half hour a week. We don't spare the release time around here, Professor Hugh Culik.

Huuh Culik 02:45

 Hugh Culik 02:13

Happy to be here

 Edwin DeWindt 02:45

Happy to have you here. Most of the questions you hear on this program are sent in by our listeners. If you stump the panel, you get the really neat stuff. And if you don't stump the panel, you get other kinds of neat stuff. But whatever it is, it's neat stuff.

 Hugh Culik 02:59

You know, we should make a tape of before the show and make that the reward.

 Edwin DeWindt 03:00

We actually should.

 Kathy Bush 03:00

(Laughing) Oh1

 Edwin DeWindt 03:01

Of course, we'd be sued.

 George Pickering 03:08

The post office, you know, has a police department,

 Edwin DeWindt 03:12

They do. And I think we'd also discover that there are ways to break tenure - (Laughs) regardless of what our contract says.

 Hugh Culik 03:20

Okay. I guess that's a bad idea

 Edwin DeWindt 03:23

Exactly. We are in the middle of a set of questions from our own Claire Crabtree on literature.

G George Pickering 03:31
Right.

E Edwin DeWindt 03:32
And you were doing well.

G George Pickering 03:32
So far I haven't known any of it.

E Edwin DeWindt 03:36
And we had just done James Joyce.

H Hugh Culik 03:45
You know, James Joyce used to carry doll's underwear with him, just a certain little habit he had.

E Edwin DeWindt 03:50
In case he met very small people?

H Hugh Culik 03:52
and one time he was being pursued ardently by a young man for whom he felt no affection. And the fellow kept coming around, and so Joyce reached into his pocket and slipped his fingers through the doll's underwear - and this was quite a secret that Joyce did this - and put his hand up on the table and walked his fingers with the dolls underwear toward this guy and tried to jump him, at which point the poor fellow ran out of the cafeteria.

C Claire Crabtree 04:16
Is this in the authorized biography?

H Hugh Culik 04:18
You know that's actually in the Ellmann book

You know, that's actually in the Enigma book.

Claire Crabtree 04:22

I must have skipped that section. I would have remembered it.

Edwin DeWindt 04:32

That's wonderful. Gosh

04:36

Well, now we shift gears, and we move on to Faulkner.

Claire Crabtree 04:37

No, you skipped all the Ulysses chapters.

Kathy Bush 04:37

Oh, no!

Edwin DeWindt 04:37

Wait a minute. Where are they? That's the question.

George Pickering 04:37

You only gave him one sheet.

Hugh Culik 04:37

I don't know if it's true. No, it's true. Really. I didn't go running out of the cafeteria, though.

Edwin DeWindt 04:38

You only gave me one sheet.

Kathy Bush 04:50

It's on that sheet, though.

 Edwin DeWindt 04:51
No, it isn't.

 Claire Crabtree 04:51
All the chapters -

 Edwin DeWindt 04:51
Oh yes, it is.

 Claire Crabtree 04:52
I just didn't give the answers.

 Edwin DeWindt 04:56
All right. Well, we still have one James Joyce question left. Yes. Name the chapters of Ulysses.

 Kathy Bush 05:02
Well, Circe.

 Hugh Culik 05:03
Circe:

 Kathy Bush 05:04
They can do it.

 Hugh Culik 05:08
Just go through all the chapters of the Odyssey.

 Kathy Bush 05:10

Right

George Pickering 05:13

Yeah, just go through all of them.

Hugh Culik 05:16

Circe, Telemachus, Penelope, um -

Claire Crabtree 05:18

the one in the restaurant, the sirens - we did that? I shouldn't be helping, but I don't know the -

Hugh Culik 05:24

Cyclops

Edwin DeWindt 05:26

Cyclops

Hugh Culik 05:29

We need four more, I think

Hugh Culik 05:34

Is it four or three?

Hugh Culik 05:35

I don't know.

Claire Crabtree 05:36

See, I just did this so that they could show off.

 Kathy Bush 05:38
Yeah, like we're doing so well they

 George Pickering 05:41
They are doing well

 Claire Crabtree 05:41
C'mon, Ulysses. C'mon guys, the original Ulysses.

 George Pickering 05:43
Okay

 Gregory Sumner 05:48
Didn't read it. We'll never read it. The

 Edwin DeWindt 05:53
The one I read hadchapter 12, chapter 13.

 George Pickering 05:57
I don't remember titles.

 Edwin DeWindt 05:59
Book One (Laughs)

 Kathy Bush 05:59
We've done more than half.

 Edwin DeWindt 06:02
Yeah, you've done it. still on Caribbean,

H Hugh Culik 06:05
yeah, yeah. Aeolus

C Claire Crabtree 06:08
The house of the winds

E Edwin DeWindt 06:10
Yeah,

H Hugh Culik 06:10
the newspaper chapter, I can't get the opening chapter. I can tell you how it opens, but I can't -

C Claire Crabtree 06:17
Alright, tell how it opens.

H Hugh Culik 06:18
"Stately, plump Buck Mulligan, slowly descended the stairs

C Claire Crabtree 06:25
and what is Leopold Bloom cooking for breakfast?

C Claire Crabtree 06:28
Ah, kidney.

C Claire Crabtree 06:30
Kidneys. Good.

G Gregory Sumner 06:33
What a perverse, overrated book.

C Claire Crabtree 06:37
It's a wonderful it's

G George Pickering 06:39
strictly for English Department. Exactly, it's a Moby Dick.

G Gregory Sumner 06:43
Moby Dick. Although there's a lot of whaling information,

G George Pickering 06:49
there's a lot of Dublin, and both of them are just little tenure machines.

C Claire Crabtree 06:52
Exactly, little what machines? Tenure machines. When I was getting my masters with a kid in

E Edwin DeWindt 06:59
theory about this you were talking about earlier, about the importance of your listening.

H Hugh Culik 07:03
I think in some ways it's become a sort of a crucial training ground for young literary scholars and their master's degree. It seems everybody takes it. Everybody has to do their first really detailed work on it, because it's, it's organized in ways that fit the way people were asking critical questions 30 years ago. So it's right

C Claire Crabtree 07:24
up there, and you end up doing research. In a sense, you're doing research just in your reading, just reading, yeah, it's great practice. Never forget a guy saying to me when I hadn't read it yet, and I was like, 21 Oh, it's a lovely book. It is. And I thought, lovely book, how dare you. But he was from Ireland.

H Hugh Culik 07:41
Never read it. You know, that's no you just live part was easy. Well, you know, you know, when *Finnegans Wake* came out Elliot said it would take a lifetime to read that book. And Joyce

Minnegans were came out, Elliot said it would take a lifetime to read that book. And Joyce heard what he said, and he said, Well, it would be a life well spent, that's

C Claire Crabtree 07:58

right. And then he laughed fiendishly and said, This will keep the professors busy for decades.

E Edwin DeWindt 08:05

Well, now we move on to Faulkner. Faulkner, this, this hillbilly name Faulkner's favorite hotel in New York, the Algonquin,

H Hugh Culik 08:16

the Waldorf was it really, really remember what happened to you from the what room? What room I never of the Algonquin hotel. And do

C Claire Crabtree 08:27

you remember the mishap that happened to Fauci there in his room? Can

K Kathy Bush 08:34

we talk about this on air? Clae,

C Claire Crabtree 08:36

he got drunk and fell down the steps, fell against the radiator and was burned. Badly

H Hugh Culik 08:42

drunk, totally.

C Claire Crabtree 08:44

Yep, badly burned. Goodness.

K Kathy Bush 08:46

And we teach this in our schools,

- E** Edwin DeWindt 08:49
at least they had a radiator that worked.
- E** Edwin DeWindt 08:54
Come July, they'll
- E** Edwin DeWindt 08:57
be wonderful. What are the names of Faulkner's two daughters, that's
- H** Hugh Culik 09:01
a good question, and you've already
- C** Claire Crabtree 09:02
had one of them. That's right,
- S** Speaker 1 09:03
Alabama, Alabama, oh, no, they're state's names. And Mississippi. No,
- G** George Pickering 09:10
just one. When is Alabama? The other one's a real name of sorts. Is it a flower or any no or a theological term? No, it's
- C** Claire Crabtree 09:18
a nursery rhyme. It's the name of one of our very favorite graduates, recent graduates, Timothy Gail, whose last name is darling. Jill. Jill. Jill. Oh, Jack,
- H** Hugh Culik 09:29
Oh, I like Jill. I'm gonna miss her.
- E** Edwin DeWindt 09:31

What is the fate, or what was the fate of each daughter? They're both dead.

Claire Crabtree 09:35

No, oh, they're both alive. Worse yet,

George Pickering 09:39

no, I bet once i

Hugh Culik 09:43

Oh, they one killed the other.

Claire Crabtree 09:46

Can't you figure out what Jill do? You remember about Jill? No, oh, okay, Alabama died as an infant, and he did give an incubator to that hospital. Yes, Jill rides to the hunt. Jill Faulkner said. Summers, that's all she does. She rides to the hunt. There are people in Virginia. Her dad would be pleased,

Hugh Culik 10:10

my father and

Claire Crabtree 10:14

where's my photographed autograph? Well, it's coming.

George Pickering 10:16

Where's anybody's

Edwin DeWindt 10:22

Oh, those were fun? Yeah, no, that was fun. We should actually have be fun to have members drop their own list of questions. Yeah,

Kathy Bush 10:30

.

it's NHL

- E** Edwin DeWindt 10:34
time. This set of questions comes from Renee Smith of Dearborn, Michigan, who says, Hello, everyone, here's a potpourri of trivia, right?
- G** George Pickering 10:42
Yeah,
- E** Edwin DeWindt 10:46
that told term trivia. I haven't looked through these yet, but frequently what people call trivia, the rest of us call Western culture. Who wrote Hamlet,
- C** Claire Crabtree 11:02
some trivial guy. Yeah, some trivial I mean, doesn't it mean
- G** George Pickering 11:05
Anne Hathaway's boyfriend
- E** Edwin DeWindt 11:11
from the trivia three way name, the Florida state motto,
- S** Speaker 1 11:15
oh, the sunshine with us. A motto. Motto,
- E** Edwin DeWindt 11:19
come here cold and die.
- H** Hugh Culik 11:22
No water, no building.

 George Pickering 11:25
Bring your pension.

 Speaker 2 11:28
Something about oranges,

 Edwin DeWindt 11:30
no no Everglades, no alligator. Brian, very common. It's we've have it on our coins.

 George Pickering 11:40
Okay, how boring?

 Edwin DeWindt 11:54
Tape in the mail, by the way, years it's still in the mail. It hasn't arrived yet, but I'm waiting.
You'll report to us. I definitely will have a year party,

 Gregory Sumner 12:03
an evangelical videotape about the end of the world. Yes, oh

 Claire Crabtree 12:07
boy, you sent for it. Did you pay real money? I paid

 George Pickering 12:11
real money. You mean they taped it the end of the world, because I missed it. I was away that week.

 Edwin DeWindt 12:17
Sailed the sail right past me too. Now we can catch who was the financier advisor to Louis the 14th, etc. He was also father of Madame de style.

 Claire Crabtree 12:20

 Claire Crabtree 12:29
Mr. Descend now Mr. Style, that's a great financial advisor to Louis 14th. Yes, yes. Was he the

 Edwin DeWindt 12:40
kind of thing you would have described, I suppose, in my day, in the 50s, you would have described a stud in the back seat of a car as Ben Franklin. That's something different. Yeah,

 Claire Crabtree 12:53
you're looking for a clue. This is a name. This is a clue, a name, clue. Oh, not lethar.

 Edwin DeWindt 12:58
What did people do in the back seats of cars before they got the copulation. Well, another term from neck now, you've got it now? Neck Necker, you've got it? Jacques. Necker, Necker,

 Claire Crabtree 13:13
yes, wrong country. Okay. He was a

 Edwin DeWindt 13:16
goalie as the panel sits here, stupefied by this bit of news, let's take a little break.

 Michael Jayson 13:25
You are listening to an encore presentation of a classic Ask the Professor program from September of 1994 Matt mayo and the current panel of professors will return this summer with more brand new episodes. So send your questions today to ATP at UD mercy.edu,

 Edwin DeWindt 13:46
we're back questions from Renee Smith of Dearborn, Michigan. So far so good, Renee. The next question is, name the Irish writer of Rory Omar. Oh, boy, that's it says Rory omur play, right? I don't know, um, I've never heard of him.

 Hugh Culik 14:08
Oh, not great. There's not many. What's the one

Claire Crabtree 14:10

who did it? Swim two birds, uh, Flan O'Brien. Flan O'Brien. But what's really funny is his real name is, why does he use Flint? To me, they're, they're so similar. His real name is something like,

Edwin DeWindt 14:21

it's neither of Sean, I mean, it's, this is a name you've never, I've never heard of it's, it's certainly a name that, well, it's, it's a, it's, it's a synonym for lothario,

Kathy Bush 14:32

Again,

Edwin DeWindt 14:38

Giovanni, no, I mean, what's, what's a lothario, a wolf? Well, that's a kind of colloquial way of putting it, basically with looking for something that could be a ladder, not a lecture flatter

Claire Crabtree 14:51

Romeo. Now, now you're getting

Edwin DeWindt 14:54

close or a Romeo or romancer, they take it. Yeah. Cots paid just a general. Some people have this problem when they're living with somebody. You know, this is my part, impotence, boyfriend, my lover, that's it. My lover, Samuel. Lover, wow, oh, you knew it.

Edwin DeWindt 15:33

Yeah, during what two years did the first sino Japanese war occur? It ended in 1905 now this is one

Claire Crabtree 15:43

in the 1800s Yes,

Edwin DeWindt 15:45

early. very sign of very early. like very. very late. They've been fighting for censure.

early, very, slight or very early, into very, very later. They've been fighting for decades,

K Kathy Bush 15:51
1894 exactly,

E Edwin DeWindt 15:53
1894 95 that's it. Okay.

G Gregory Sumner 15:56
That was the first

E Edwin DeWindt 16:01
mistake. Fly name, the state flower of North Carolina, beach blossom

G George Pickering 16:10
North Carolina, or

E Edwin DeWindt 16:14
something. Well, it's like that.

G George Pickering 16:16
Oh, is it a tree? Yeah? Would, yes, yes. Yeah, well, Anne's

E Edwin DeWindt 16:23
always amazing dogwood in your neighborhood

G George Pickering 16:25
up there, oh yeah,

E Edwin DeWindt 16:29

they can grow this far. You have topographic you should grow one. Yeah, I didn't know they'd grow here, but keep saying, Oh yeah, they're all over our neighborhood. Yeah,

C Claire Crabtree 16:37

I got a red butt if you want one that's about three feet high I'm saving for someone to get up for you before it gets too big.

E Edwin DeWindt 16:44

What is the name of the Russian author of the demon?

C Claire Crabtree 16:50

Go, go. No. Same

E Edwin DeWindt 16:52

last name as the as the name of the ballet impresario in the red shoes.

G George Pickering 16:58

Oh, well, good. Yeah.

C Claire Crabtree 17:00

Begin with a G No

E Edwin DeWindt 17:02

because of the nail.

G George Pickering 17:04

Leontief, no good though. Lehrman,

C Claire Crabtree 17:12

have you heard of this, George? You're bluffing, of course, museum in a recent do we know if that's a recent novel? No, I

E Edwin DeWindt 17:22
think it's 19th century. I think Lehrman contemporary Dostoyevsky and

S Speaker 1 17:27
feels, wheat, credit unions,

G George Pickering 17:32
loans. What are we doing? Free Association, yeah.

S Speaker 1 17:36
Winds of change. We do our best work when we're free.

E Edwin DeWindt 17:39
So what is the name of the leader of the Chetniks in Yugoslavia executed by Tito during World War Two?

C Claire Crabtree 17:46
The name of the leader? Might we know this?

E Edwin DeWindt 17:48
Probably not by Tito. Yeah. I'm just reading

C Claire Crabtree 17:53
all this eastern Europe stuff, but that's right, because you're going there, yeah, but it's not in the I have forefront of my mind. We give up on

E Edwin DeWindt 17:59
that. Mikhailovich

C Claire Crabtree 18:02

 Claire Crabtree 18:03
from clothes? Well,

 Edwin DeWindt 18:05
sure, yeah, if we have four weeks,

 Claire Crabtree 18:09
clothes are so fun. It's so much fun to just watch him thinking, watch the wood burning comes out his ears.

 Edwin DeWindt 18:16
How many men with the first name William signed the Declaration of Independence. Seven, that's so close. Six, six. So they were they? William Ellery, William my William Ellery, William Floyd, William taka, William Hopper, William Whipple and William Williams. William

 George Pickering 18:37
not, William Myers,

 Edwin DeWindt 18:44
great. Who was Warren G Harding, Secretary of State,

 Claire Crabtree 18:51
someone more memorable than Warren, perhaps. Was

 Kathy Bush 18:55
that the time Kelly, Brian or no, that was when,

 Gregory Sumner 18:57
what am I a Harding? Well,

 George Pickering 19:00
wait. Brian.

- E** Edwin DeWindt 19:01
no, somebody who became more important. I the names familiar to me why he did not become same last name as the name of the very famous California billionaire recluse, Hughes. Hughes
- G** Gregory Sumner 19:14
first name, William, Charles. No. Charles Evans,
- G** George Pickering 19:18
Supreme Court. I
- S** Speaker 3 19:21
think he was chief crazy Chuck.
- C** Claire Crabtree 19:25
See why Greg sent you good teacher. He's just on intimate terms of all these
- G** Gregory Sumner 19:28
Harding especially,
- E** Edwin DeWindt 19:31
who was the author of fables in slang. Fables in slang. Boy,
- C** Claire Crabtree 19:38
these Dearborn girls are really giving us a run firm. This is fun, but relevant.
- G** George Pickering 19:43
Let's see fables.
- E** Edwin DeWindt 19:45

 Edwin DeWindt 19:43
Why does it have to be relevant to what? Relevant

 George Pickering 19:48
to what? Anyway? And Joyce is relevant. It's not.

 Claire Crabtree 19:54
It's relevant.

 George Pickering 19:56
And most of all, there it is. Now that's how it works out. Thurber, no,

 Edwin DeWindt 20:00
no, an

 Claire Crabtree 20:02
American, modern American.

 Edwin DeWindt 20:07
We give up George aid, A, D, E, I don't

 George Pickering 20:11
know, yeah, you know, get a brother named lemon, I think, yeah, right. He was a writer, you know, the lowest form of

 Claire Crabtree 20:19
humor to send Saturday

 George Pickering 20:21
reviewed Harper's type thing. I think in the 50s.

E Edwin DeWindt 20:26
Isn't that right? Oh, I think you're right, yeah,

G George Pickering 20:29
yeah. Seemed to recall when I was a

G Gregory Sumner 20:31
kid, when you were a kid,

G George Pickering 20:35
I was, I was, and that's when I was

E Edwin DeWindt 20:39
in the Bible, yeah. Where did Samson die? What city?

H Hugh Culik 20:44
Wait a minute, in agonisties, that's it. No,

E Edwin DeWindt 20:47
that's not a city. There's a novel about with that title by Aldous Huxley. Eyeless in

C Claire Crabtree 21:02
i Oh, come on. We got to be able to do that. Did he pull down the temple? Is that how he died?

H Hugh Culik 21:07
Since something with a city

E Edwin DeWindt 21:08
no begin to the G Gomorrah, it's still there. Galilee, there's a strip named after it.

 Claire Crabtree 21:20
What's that is, Silas and Gaza worth reading? I don't

 Edwin DeWindt 21:23
know it was, don't ask me. My parents and I tried to read it when I was in high school and lost interest about 100 pages into it. You didn't have to read something else.

 Claire Crabtree 21:33
Oh, no. Bungay, that was No.

 Edwin DeWindt 21:35
I never did. It's

 Claire Crabtree 21:39
one of those folks

 Edwin DeWindt 21:40
who took the Nobel Prize for Literature in 1912 I suppose this mean he ran up with the protein,

 Edwin DeWindt 21:48
not with this last name, not with his first name, either. It looks German to me, but God knows, he could have been for literature German name. It's

 Claire Crabtree 21:55
not someone you know. No 1912

 Edwin DeWindt 22:01
Gerhard hoped my Hauptman, Oh, that's

 Claire Crabtree 22:03

good, okay, that's fair. Good.

Edwin DeWindt 22:07

Who received the Oscar for Best Actor in 1952 is a black and white film at a German prison camp. William Holden, that's

Claire Crabtree 22:15

right, Stalag 17, that's right.

Edwin DeWindt 22:18

Who was Pocahontas mother? What was her name? Is

George Pickering 22:23

that known? Yeah,

Edwin DeWindt 22:25

really. Well, at least somebody

Claire Crabtree 22:28

made it up. It's an Indian name or alleged mother.

Edwin DeWindt 22:30

Better be if there isn't. This is anyway? Well, Pocahontas

George Pickering 22:37

is mother. I don't know. Powhatan. Oh, you know, that's right, mother, blank minds, there we go. Okay,

Edwin DeWindt 22:46

they named a highway or something. They probably did. Yeah. In China, how many Chao equals one? One in currency, 100 No, 1010, yes. Oh, yes, you

 George Pickering 23:02
slipped a decimal plane, or, as they say in the engineering school, in order of magnitude.

 Edwin DeWindt 23:10
Montana has one area code. What is it lost? It really

 Kathy Bush 23:16
911, I want

 Gregory Sumner 23:21
to escape the Big Sky Country.

 George Pickering 23:28
It's a four number. Yes, it is.

 Edwin DeWindt 23:30
I'll give you a hat for that. Not 401 but it's no no, but it's less than 410. 40109 keep coming.
Seven, four, close, six, six.

 Claire Crabtree 23:46
Don't have a psychic.

 Edwin DeWindt 23:48
What is the name of the first film Robin Williams appeared in? Oh, that's 1977 and it was a
bomb. Popeye tells us, no, no one that

 George Pickering 24:00
didn't make it all 70s. Was he a principal, or was he just a little idea something you know

E Edwin DeWindt 24:07
this, though I doubt it. I doubt it. Well, let's do

G George Pickering 24:11
hints.

E Edwin DeWindt 24:12
Okay, you light up my life. No, it has to do with something adolescent males do a lot of, oh,

G Gregory Sumner 24:21
cruising, cruising,

E Edwin DeWindt 24:29
that's so close. But that's not the film,

C Claire Crabtree 24:32
because that was Steve Martin. We're talking Steve Martin

G George Pickering 24:35
and Robin Williams. Robin Williams, okay, people tell you that

E Edwin DeWindt 24:39
if you keep doing this, something will happen

G Gregory Sumner 24:41
to you. Oh, yeah, I know what it is, but I'm not gonna

E Edwin DeWindt 24:45
say or the name of the film is, Can I do it till I need glasses?

 Hugh Culik 24:48
Okay, I've seen that the video. I haven't seen the movie. I

 George Pickering 24:53
just see Woody Allen. He couldn't read the label. I. I

 Gregory Sumner 25:03
need a little bill.

 Edwin DeWindt 25:06
From 1980 to 1990 which state had the highest increase in population? Probably,

 Gregory Sumner 25:11
Nevada, California,

 Edwin DeWindt 25:15
Alaska, Alaska. Wow,

 George Pickering 25:18
percentage, right. Yeah. Why?

 Claire Crabtree 25:20
Pipeline? It's not Northern Exposure, no,

 George Pickering 25:23
because of the pipeline

 Edwin DeWindt 25:24
which has the fewer calories, five ounces of beer, five ounces of whole milk, five teaspoons of sugar.

G George Pickering 25:35
Wrong has the most of the fewest, the fewest

E Edwin DeWindt 25:37
beer, 500

K Kathy Bush 25:41
gotta be the beer. It is beer diet.

E Edwin DeWindt 25:42
The beer, yeah, five ounces of beer has 65 calories. Milk. That's

H Hugh Culik 25:48
one larky that is, like, so wrong. Kidding, I don't believe it from

C Claire Crabtree 25:52
that five ounces. That's just me five. You know how big that is?

H Hugh Culik 25:55
Oh, that's not much. I guess I was thinking of a case. Yeah. Boy.

E Edwin DeWindt 26:07
We had a visitor from England recently, and I took him downtown, and he wanted to drink a local beer,

K Kathy Bush 26:14
And you gave him Shorts - I mean, Strohs?

E Edwin DeWindt 26:15

Yes, he was deeply -

K Kathy Bush 26:17
No, no. Take him to TJ's

E Edwin DeWindt 26:18
We'll have to finish these in our next program. Renee is winning.

E Edwin DeWindt 26:21
I think we have a winning person here, but we're going to wait until next time to confirm that.

G George Pickering 26:21
Oh, you know it!

C Claire Crabtree 26:23
Somebody local too.

E Edwin DeWindt 26:24
Yes. In the meantime, hang on. And I'd like to thank the panel, Professor Pickering, Professor Bush, Professor Sumner, Professor Crabtree, Professor Culick. And now this word
