Michael Jayson 00:01

The University of Detroit Mercy presents another encore presentation of a classic Ask the Professor radio program. Today's show takes us back to February 1996
- E

Edwin DeWindt 00:14

I'm your host, Edwin DeWindt, and today we have almost the entire panel with us. On my right from the Department of History, and the assistant dean of the College of Liberal Arts, director of the Learning Center, and all that kind of neat stuff. Kathy Bush
- K

Kathy Bush 00:26

Hello, Edwin.
- E

Edwin DeWindt 00:27

Hello Kathy. On Kathy's right, from the Department of History also, Professor Greg Sumner.
- E

Edwin DeWindt 00:33

Nice to have you here. On his right, from the Department of Theatre and Performing Arts, Professor Arthur Beer.
- G

Gregory Sumner 00:39

 Gregory Sumner 00:38

Hi, Edwin, Nice to be here.

 Arthur Beer 00:39

Top of the morning to you, Edwin. I love

 Edwin DeWindt 00:43

(Laughs) I love it. On Arthur's right, my left, from the Department of English Professor Hugh Culik

 Hugh Culik 00:44

I always hate coming after Arthur (The professors laugh)

 Gregory Sumner 00:46

How do you top that?

 Edwin DeWindt 00:52

You could change your chair around or something.

 Kathy Bush 00:54

You could be George today.

 Hugh Culik 00:55

I can hear George's laugh through the cement floor in the Briggs building. His office is right above mine; and I know when he's there, because I hear that cackle disintegrating -(The sound of a piano being played is heard in the background)

 Edwin DeWindt 01:03

And over in the corner, sitting in front of the now world famous Grinnell upright, our very own in house musician. Kevin Zajac.

 Kevin Zajac 01:15

Hello, Edwin.

E

Edwin DeWindt 01:16

Hello, Kevin. Most of the questions you hear in this program are sitting by our listeners. If you stump the panel, you will receive the winners package, which has, you know, photographs and autographs and mugs and stuff like that. And if you don't stump the panel, then you get something else. But anyway, everybody gets something that's fair to me. Yes, on our last program, we were just starting - Not starting, we were in the middle of a set of questions, near the end, in fact, of a set of questions from Roxanne Robinson of Detroit, Michigan,

H

Hugh Culik 01:49

That's if I remember right. She's my student. I want everything right about her.

H

Hugh Culik 01:49

of Southfield.

E

Edwin DeWindt 01:49

Oh, Southfield.

H

Hugh Culik 01:49

I think she's from Southfield.

E

Edwin DeWindt 01:49

Oh, okay,

E

Edwin DeWindt 01:50

All right.

H

Hugh Culik 01:50

She's one of my favorite people.

E

Edwin DeWindt 01:50

 Edwin DeWindt 01:59
Okay. Southfield then.

 Hugh Culik 01:54
You get it all right, or I'll attack you right on radio.

 Kathy Bush 02:00
And he knows gun velocity.

 Edwin DeWindt 02:05
Okay. Why did Aunt Bea come to Mayberry?

 Gregory Sumner 02:12
Somebody died?

 Kathy Bush 02:14
To raise Opie?

 Edwin DeWindt 02:18
Well, -

 Gregory Sumner 02:19
She and Floyd had something going.

 Edwin DeWindt 02:21
No.

 Gregory Sumner 02:23
to take care - Oh, Andy's wife had died, so she was going to take care of Opie.

Edwin DeWindt 02:32

I think that's it too. She was going to help Andy out for a weekend.

Gregory Sumner 02:40

Andy's dating life really suffered after she got there.

Edwin DeWindt 02:44

I think so. How many bullets did Barney have for his gun, and where were they kept?

Gregory Sumner 02:51

One in his top shirt pocket.

Edwin DeWindt 02:53

That's right

Kathy Bush 02:54

Wow.

Hugh Culik 02:55

That's good.

Edwin DeWindt 02:56

That's very good. Well, that's it.

Kathy Bush 03:02

Oh!

Gregory Sumner 03:03

Did we win?

E Edwin DeWindt 03:05
Yeah, because you only missed two halves, so I think you did. I think you won.

G Gregory Sumner 03:12
We rocked!

E Edwin DeWindt 03:14
but we hope to hear from Roxanne again. Those were fun. We like questions like that. Those are a lot of fun. Next set of questions comes from Rexella of Troy, Michigan

H Hugh Culik 03:24
All right. (Kathy and Greg begin laughing)

A Arthur Beer 03:28
What? What is this in joke?

K Kathy Bush 03:30
Well, Rexella, again, you need to watch television sometimes.

E Edwin DeWindt 03:34
but we didn't know she was a fan of ours.

K Kathy Bush 03:36
I know.

G Gregory Sumner 03:36
This is flattering to get a note from her.

E Edwin DeWindt 03:39
I think it is. I I know somebody who will save it and treasure it and frame it, put it over his desk and everything else. And Rexella wants to know what is the farthest northern town in North

America?

 **Hugh Culik** 03:54
Point Barrow, Alaska.

 **Edwin DeWindt** 03:55
Point Barrow, Alaska.

 **Gregory Sumner** 03:57
Very good, Hugh.

 **Gregory Sumner** 03:58
You've been there hunting for deer?

 **Hugh Culik** 03:59
No, I had an uncle who lived up there.

 **Gregory Sumner** 04:03
You're kidding.

 **Hugh Culik** 04:04
No, that's true.

 **Gregory Sumner** 04:04
If you call that living.

 **Hugh Culik** 04:05
If you can call that an uncle - I'll tell you. (The professors laugh)

 **Gregory Sumner** 04:11

 Gregory Sumner 04:11
feeding seals, no doubt. Never mind, very lonely,

 Edwin DeWindt 04:27
What movie starred James Cagney and Norman Mailer? Together again.

 Arthur Beer 04:34
Was it Ragtime?

 Edwin DeWindt 04:36
Yes. It was Ragtime.

 Gregory Sumner 04:38
Very good.

 Edwin DeWindt 04:39
Where were the first shots of the Civil War fired?

 Gregory Sumner 04:43
That's a gun question.

 Hugh Culik 04:44
Fort Sumner. I mean, Fort Sumter. The only thing I knew about American history, and now I got it confused with your last name.

 Kathy Bush 04:45
Fort Sumter, wasn't it?

 Gregory Sumner 04:51
Finally, you got to use it. Use it or lose it.

H Hugh Culik 04:58
Well, another thing to be depressed about. (The professors laugh)

E Edwin DeWindt 05:02
What movie was the first to ever win the Best Picture Academy Award?

H Hugh Culik 05:09
Probably around 1920?

E Edwin DeWindt 05:10
29

H Hugh Culik 05:11
Really?

E Edwin DeWindt 05:12
Wings. That's right.

A Arthur Beer 05:12
Wings?

G Gregory Sumner 05:14
Very good. Who starred in that? Do you know?

G Gregory Sumner 05:22
That was not a talkie.

E Edwin DeWindt 05:23
No

 Edwin DeWindt 05:24
American Movie Classics used to show it.

 Gregory Sumner 05:24
It was a silent movie.

 Arthur Beer 05:24
I knew you were going to embarrass me. I've never seen Wings. I've only seen it in the Academy Award list.

 Arthur Beer 05:26
Yeah

 Edwin DeWindt 05:27
It's long. It's almost three hours long.

 Arthur Beer 05:30
Is it? Is this the one that takes place in South America?

 Edwin DeWindt 05:33
No, no.

 Kathy Bush 05:33
It's during World War 1

 Arthur Beer 05:34
What is that one I'm thinking of? That great movie that takes place with some commercial pilots in South America, they keep referring to it all the time. Another movie I've never seen, but it's got some great people in it.

A Arthur Beer 05:35
Only Angels Have Wings.

A Arthur Beer 05:37
That's it. Only Angels Have Wings.

E Edwin DeWindt 05:47
Yes, that's right, yeah. And then who was in Wings? Was it Richard Barthelmess or Richard Arlen? One of the two. I can't remember.

A Arthur Beer 06:00
Is Clara Bow the little French girl?

E Edwin DeWindt 06:01
Yes.

A Arthur Beer 06:02
Yes. That's right.

E Edwin DeWindt 06:04
I mean, I actually saw it a couple of years ago for the first time.

G Gregory Sumner 06:07
Was it interesting?

E Edwin DeWindt 06:08
It's very impressive. It's quite remarkable.

A Arthur Beer 06:13
The mounting of the of the camera on the fuselage for the shots was amazing. at that time,

- G** Gregory Sumner 06:18
There was a sequel to it about a bunch of cowardly pilots called Chicken Wings. (The professors laugh)
- K** Kevin Zajac 06:27
And the cowboy version "Buffalo Wings"
- E** Edwin DeWindt 06:33
and the Lloyd Bridges "Water Wings".
- K** Kathy Bush 06:36
Did we beat Rexella?
- E** Edwin DeWindt 06:37
We beat Rexella.
- A** Arthur Beer 06:38
That was all a questions? a
- K** Kathy Bush 06:39
We'll have to send Rexella a loser's package.
- G** Gregory Sumner 06:43
What was that about - - they were trying to restore passenger confidence and they were looking for some slogan. Somebody said, How about "We've landed"? (The professors laugh)
That'll do it. That's all we ask. We're in an aviation thing here.
- E** Edwin DeWindt 07:01
(Laughs) So much for our frequent flyer miles with them. We don't fly them anyway. I was on them coming back from London, the New York to DC flight.

 Gregory Sumner 07:11
Thank God you're back.

 Edwin DeWindt 07:12
That is scary.

 Gregory Sumner 07:13
Was there any ice?

 Edwin DeWindt 07:14
No, it was In August.

 Gregory Sumner 07:16
That's where the problem develops.

 Edwin DeWindt 07:17
There wasn't any air conditioning either, just the kind of hole the fuselage that air came through.

 Edwin DeWindt 07:23
Isn't it time to fire all the air traffic controllers, again?

 Edwin DeWindt 07:23
Probably

 Gregory Sumner 07:23
They need to clean house about every 15 years. I think that's a good idea.

 Kathy Bush 07:23
And Newt's just the guy to do it.

 Edwin DeWindt 07:29
He'll do it.

 Gregory Sumner 07:34
Why should the government subsidize, you know, air safety?

 Kathy Bush 07:37
Right

 Edwin DeWindt 07:38
No, they could just give \$50 million to finance a totally irrelevant safety program and promote it in the grade schools, kindergarten. You know, when you're falling off the roof, put your shoulder this way.

 Gregory Sumner 07:54
Think fast.

 Edwin DeWindt 07:55
I mean, there's a precedent.

 Arthur Beer 07:56
Study your cat.

 Edwin DeWindt 07:58
Our next set of questions comes from Robert del Valle of Troy, Michigan.

 Gregory Sumner 08:09
This is surreal.

Kathy Bush 08:10

It's like being in a cottage in Michigan during a wet week, (The professors laugh) "It won't stop raining!"

Gregory Sumner 08:12

Hand me your Chinese checkers,

Edwin DeWindt 08:22

Okay Jazz. Jazz has rightly been called America's only unique contribution to Western

Hugh Culik 08:29

culture that is malarkey. Yeah, I don't know about rightly, yeah, yeah. It's like, narrow minded, stupidly, it has been called that bowling,

Speaker 1 08:41

American music. What about Etch A Sketch? Yeah, yeah. What about the implant? What about Barbie?

Gregory Sumner 08:45

Thank you. I would agree that jazz is our contribution to world culture, but go ahead. Well anyway,

Edwin DeWindt 08:51

here's a quiz on jazz. Okay, each of the following jazz artists made his mark with a particular instrument name the instrument Julian cannonball, Adderley,

 Gregory Sumner 09:42
He was the precursor to Louis Armstrong.

 Edwin DeWindt 09:46
It's smaller than a trumpet

 Kevin Zajac 09:47
Cornet.

 Edwin DeWindt 09:47
Cornet, exactly. Kevin has it. Cornet

 Gregory Sumner 09:50
Very good.

 Edwin DeWindt 09:51
Kevin is lying semi conscious over the keyboard,

 Kathy Bush 09:55
It's very close to finals

 Gregory Sumner 09:57
He looks like Skitch Henderson over there.

 Edwin DeWindt 09:59
That's right. Scott LaFaro,

 Arthur Beer 09:59
How do you spell his last name?

 Edwin DeWindt 10:01

Isn't he a cop on a TV show?

Kathy Bush 10:55

No, that's Barney Fife.

Gregory Sumner 10:59

Guitar

Edwin DeWindt 11:00

Guitar, exactly. And Eddie lockjaw Davis,

Gregory Sumner 11:08

Well, it has to be something played with the mouth.

Edwin DeWindt 11:10

Kathy Bush 11:11

(Begins laughing)

Edwin DeWindt 11:14

That's good. That's very good.

Hugh Culik 11:16

 Hugh Culik 11:10
Well, that's as far as we can take it.

 Arthur Beer 11:18
Is it an instrument we haven't had before?

 Edwin DeWindt 11:20
That's right. It's in a family you've had several from.

 Gregory Sumner 11:24
It's a reed?

 Michael Jayson 11:56

- E** Edwin DeWindt 12:00
Russian composer who left Russia, Shostakovich, no, well, right. First letter, is it a classical Yes, caused a great stir with the work of his Stravinsky, that's right. Warren Baby Dodds and zatty singleton were both drummers specializing in what style of
- G** Gregory Sumner 12:21
jazz? Warren, Beatty.
- E** Edwin DeWindt 12:24
Baby, oh, I'm sorry, Warren. Baby,
- G** Gregory Sumner 12:27

- E** Edwin DeWindt 12:30
Bob, no precedes that. No precedes that. Oh,
- G** Gregory Sumner 12:37
way early. What's the Yeah, that's right, New Orleans. What do you call that? New Orleans style Preservation Hall.
- E** Edwin DeWindt 12:46
Look away. Look away.
- G** Gregory Sumner 12:49
Have another ninja look
- E** Edwin DeWindt 12:56
who composed Takata for trumpet and orchestra in 1947 is

A Arthur Beer 13:01
it a trumpet player?

G Gregory Sumner 13:05
I think he was not Duke Ellington, no, no, because he did a lot of beard. I remember sketch Henderson, no, no, no.

E Edwin DeWindt 13:13
And this beard was in the below the lower lip. I mean, it was -

A Arthur Beer 13:17
an embouchure whisker.

E Edwin DeWindt 13:18
That's right. You're right, he's a horn player. Then,

M Michael Jayson 13:21
yes,

G Gregory Sumner 13:24
the guy with the big lips, I mean the big, the big cheeks, when he blows up, the guy with the big, yeah, he had the very unique that's in the entire thing would exist

M

Michael Jayson 14:06

You're listening to an encore presentation of a classic Ask the Professor program from February 1996. Matt Mio and the current panel of professors will return later this summer. So send your questions today to ATP@UD Mercy.edu, Now let's return to this classic episode of Ask the Professor from February 1996

K

Kathy Bush 14:29

(Piano music is playing in the background, and the professors are heard in the middle of an off-air conversation) In this country, and I'm proud of it.

E

Edwin DeWindt 14:32

We're debating whether jazz is our only original art form.

G

Gregory Sumner 14:38

From the right -

A

Arthur Beer 14:39

I'm telling him he's wrong.

E

Edwin DeWindt 14:41

But Mr. Del Valle, we're back with questions from Robert del Valle, and this is about vice president, but he said with a twist, the first eight questions deal with veeps who might have been.

G

Gregory Sumner 15:00

Oh, people, losers. In other words, make it as well. We should do well on that

A

Arthur Beer 15:04

one. Yeah, that's pretty far down the 10 minutes of fame celebrity, it really

E Edwin DeWindt 15:08
is okay. Who was ALF Landon's running the unforgettable he later became FDR, Secretary of the Navy. No think of a fort in tennis, Forrestal,

G Gregory Sumner 15:24
no. Knox.

E Edwin DeWindt 15:25
Frank Knox, that's right, who was Adlai Stevenson's running mate in 1952 he was from Alabama. I remember,

G Gregory Sumner 15:35
sounds familiar. Can you give us a clue? It

E Edwin DeWindt 15:38
wasn't. Yes. Think, think auto light,

G Gregory Sumner 15:44
spark plugs. Sparkman.

S Speaker 2 15:46
Sparkman,

G Gregory Sumner 15:47
yes. What was his first name? John, John spark John Sparkman, he really electrified the

E Edwin DeWindt 15:53
voters, and who was Stevenson's running mate in 1956 he

G Gregory Sumner 15:57

 Gregory Sumner 15:57
dumped. Sparkman, yes,

 Edwin DeWindt 16:01
that's right for a man made famous with crime hearings, who was Thomas Dewey's running mate in 1948

 Hugh Culik 16:10
a wedding King

 Gregory Sumner 16:13
a potted plant. No, if

 Edwin DeWindt 16:16
it was, it was a potted plant that made history a few years later in the Supreme Court.

 Gregory Sumner 16:21
Earl Warren, that's right, he ran for VP, Wow, amazing. Who was James

 Edwin DeWindt 16:24
M Cox's running mate in 1920 FDR, that's right, that's right. FDR, who was Alfred Smith's running mate in 1928

 Kathy Bush 16:38
never even heard of this man like William gibbous McAdoo or something like that, desperately

 Arthur Beer 16:43
wants to win. Yeah.

 Edwin DeWindt 16:46
Joseph T McCarthy Robbins,

 Gregory Sumner 16:51
eminently forgettable, yeah, who was Dan Quayle,

 Edwin DeWindt 16:57
who was Richard Nixon's running mate in 1960

 Kathy Bush 17:01
Oh, Henry Cabot Lodge, that's right, who

 Edwin DeWindt 17:04
was Wendell Willkie is running mate in 1940

 Gregory Sumner 17:10
clues, please.

 Edwin DeWindt 17:11
Oh, gosh, Mercy from I don't know that

 Gregory Sumner 17:17
Alvin Barkley was for. FDR, yeah,

 Edwin DeWindt 17:19
I can't even give a clue. I mean, I'm trying to think of one, but I just

 Kathy Bush 17:27
you're clueless, that's right. So is this guy,

 Edwin DeWindt 17:30
Frank Fontaine. Charles was his first name, McNary. I was trying to figure out a nary a clue.

G Gregory Sumner 17:41
Why was he on the ticket? There had to be some reason.

E Edwin DeWindt 17:45
Who was Al Gore's roommate at Harvard? Oh, Tommy Lee Jones, that's right. Tommy Lee Jones, I

G Gregory Sumner 17:53
like Tommy Lee better.

E Edwin DeWindt 17:55
And who follows the Vice President in the presidential order of succession?

G Gregory Sumner 18:02
Oh, wow, Bill and Al don't go in the same room.

A Arthur Beer 18:09
Oh, he's already warned them about that. Better not come here without a bodyguard, is what he said.

E Edwin DeWindt 18:13
A Jesse. Jesse. Jesse said that. Okay, Newt is going to put them all in orphanages.

K Kathy Bush 18:19
Remember, it won't be any weather. What was the comment he made when Hillary, Hillary Rodham Clinton said he thought it

G Gregory Sumner 18:26
was a bad idea Blockbuster and rent Boys Town, Mickey Rooney

A Arthur Beer 18:30
just came out today saying he thinks it's a good idea. Yeah.

G Gregory Sumner 18:33
Well, Rooney is a noted expert on welfare reform. Yeah.

E Edwin DeWindt 18:38
He'll be testifying soon, you know? I mean, after all, this is the country that had Sissy Spacek, Jessica Lange, and who else was the third actress, Jane Fonda, testifying about the plight of farm workers, because they'd all played them in movies.

H Hugh Culik 18:54
And it makes it so you can't assume a sort of faux conservative thing to make fun of it, because anymore, there's so many people that are way past the sorts of things you used to mock the

G Gregory Sumner 19:09
ground. Sonny Bono, yeah. Strom Thurmond, I'm

E Edwin DeWindt 19:13
waiting until I'm waiting until Jean. Claude Van Damme testifies for the armed services.

G Gregory Sumner 19:20
I'm not a farm worker, but I play one.

K Kathy Bush 19:24
Julie Andrews testifying about au pair girls, the possibilities are endless in this

E Edwin DeWindt 19:30
country. Well, you know, the world life has become entertainment, hasn't it? I mean, Shakespeare boy, did he have it right when he said, All the world's a stage. Next. Other questions comes from Diane Ramsey, did we beat? Mr. Duvalier? Yes, you did not win. That's right. Mr. Duvalier did not win,

 Gregory Sumner 19:56
but buddy got his name in. I'll

 Edwin DeWindt 19:57
bet he'll be back. Yes, I bet we'll hear. Room again, and probably sooner than we even imagine.
Next other questions comes from Diane Ramsey doesn't say where,

 Gregory Sumner 20:12
let's make up an exotic place. Yeah. Troy,

 Kathy Bush 20:15
Trenton, Altoona, Pennsylvania, Lake Tahoe,

 Hugh Culik 20:18
they all have teas in the port

 Gregory Sumner 20:19
point barrel. Dodd, now

 Edwin DeWindt 20:25
there's a possibility. Frankenmuth. Frankenmuth,

 Hugh Culik 20:30
no, T who asked Alice,

 Edwin DeWindt 20:33
who was the first host of The Tonight Show, and she has is incorrect. That's right, yeah, well, he
values the answer over very late,

G Gregory Sumner 20:49
