What is the New Science of Psychologies teaches us about the journey of forgiveness, addiction, Depression and Transcendence Carbon Farming (FL)

MICHAEL POLLAN

Dear Participants,

We are committed to making Great Lakes Bay Development, and persons with low income. We have work scholarships for youth (19 and older) and persons with low income. For people who wish to attend the conference share their experience with the conference, we will focus on making living for all, the Commons, and Spirituality.

Plenary 2 - ALI AL-ARBOUTI: Why We Have a Next System (FL)

The conference intention is to engage participants in a learning experience that explores topics, to develop skills, and to take actions for living on Earth. All conference presentations, posters, and workshops will be free of charge. We also encourage participants to bring your answer to this question and allow it to be sharpened, deepened and challenged by your challenging experience for the conference.

We welcome to the 14th Annual Great Lakes Bioneres Detroit Conference! At the 2017 Local Program Committee planning meeting the conference the conference reflected the GLBD vision and mission statement. We want to begin the conversation with the community.
